Topic Vacate request for Palmetto Ave

BCC Agenda Date 12-07-2021

Your Stand on the Issue Oppose

Hello, my name is Angelica Carelli, I'm writing to you with my objection of the request to vacate the ROW of Palmetto Avenue located in Safety Harbor. I own several lots that will be negatively affected if this ROW is vacated. Vacating this ROW would be substantially detrimental to the lots that I currently own because it could inhibit future development of vacant parcels, including eliminating options regarding utility service. See §154-272(a)(2),PC.Code. Also release of the subject right-of-way would negatively impact the roadway as it would create dead-end right of way. See §154-272(a)(3),PC.Code. I do not object to the request to vacate the 10-foot alley way that is also being requested to be vacated. Thank You

Topic vacating 50ft ROW of Palmetto avenue

BCC Agenda Date 12-7-2021

Your Stand on the Issue Oppose

Comments
Good morning, i wanted to submit my concerns with the request to vacate the 50 foot ROW of Palmetto avenue located in safety harbor east of Elm St. and west of Church St. I own 3 lots that would be effected by this petition, I oppose the vacating of this ROW because I feel it would be substantially detrimental to the lots located in the area near this ROW and hinder any future development regarding utility services 154-272(a)(2), Pinellas County Code, also it would create a dead end right of way and effect the existing roadway, see 154-272(a)(3) Pinellas county code. Thank you
