Human Services is requesting approval of the Service Area Competition grant application for the U.S. Department of Health and Human Services, Health Resources and Services Administration (HRSA) and delegation of authority to the Human Services Department Director to serve as the Authorized Organizational Representative role to administer the grant through HRSA's grant management system, the Electronic Handbook (EHB).

Also included for approval is the Health Care for the Homeless (HCH) Co-Applicant Board Roster.

- The next four-year grant period of federal funding supports the County's Health Care for the Homeless program for a project period starting March 1, 2026, through February 28, 2030.
- Federal funding supports the provision of medical, dental, and behavioral health care for individuals experiencing homelessness and receiving care at the Bayside Clinic and Mobile Medical Unit.
- Federal funding for the grant application is in the amount of \$1,926,977.00 for the first budget year starting March 1, 2026 through February 28, 2027. This is consistent with a funding award for the current grant budget period March 1, 2025 - February 28, 2026.
- HRSA's EHB is the grant management system utilized to submit applications, reporting and any changes to the grant. Delegating Authority to the Human Services Director allows for administering the grant activities in the federal system and has no impact on funding received.
- The HCH Co-Applicant Board maintains shared oversight and authority of the HCH program as defined in the Co-Applicant Agreement, last approved on May 21, 2024. The Co-Applicant Board will review and approve the grant application submission on October 14, 2025.
- In 2024, the County served 2,311 unduplicated homeless patients through the MMU and Bayside Health Clinic. This award will allow the County to continue providing primary medical care and prevention services to homeless residents.
- No cash match required.
- This grant application is requesting \$1,926,977.00 in federal funds. While no cash match is required, the County anticipates applying non-federal funds to the program totaling approximately \$4,237,136.00.
