Subject: RE: Grants - Intent to Apply Form Submitted to OMB - Homeland Security BioWatch Program

Hello!

OMB has no objection to the Department of Public Works - Natural Resources submitting a grant application to the United States Department of Homeland Security for the Homeland Security BioWatch Program for monitoring for speciated aerosol agents in accordance with DHS/EPA requirements and standards.

This is a multi-year reimbursement grant project that will likely impact FY22- FY23. The requested funding is \$196,521 with no expected match. The total project is estimated to cost \$196,521.

Based on the thresholds for delegated approval, this grant application will require Director approval to apply. Please route the grant application through Legistar / Granicus (based on the [Grants COE Granicus Approval Flowchart](#)) to receive your department Director approval. Please include this email when you send the application through Legistar / Granicus.

Once the application approval is complete, apply for the grant. Good Luck!

In the event you receive the award, please follow [these instructions](#) to execute the grant agreement. If you have any questions, do not hesitate to contact me. Thank you!

For additional instructions for grant approval and set-up, please visit the [Grants Center of Excellence Reference Page](#).
