(k) The State of Florida will not intentionally award publicly-funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324(a) [Section 274A(e) of the Immigration and Nationality Act ("INA")]. The Division shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Sub-Recipient of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Agreement by the Division.

(l) Section 287.05805, Florida Statutes, requires that any state funds provided for the purchase of or improvements to real property are contingent upon the contractor or political subdivision granting to the state a security interest in the property at least to the amount of state funds provided for at least 5 years from the date of purchase or the completion of the improvements or as further required by law.

(m) The Division may, at its option, terminate the Contract if the Contractor is found to have submitted a false certification as provided under section 287.135(5), Florida Statutes., or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or been engaged in business operations in Cuba or Syria, or to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel.

(19) FEDERAL REQUIREMENTS PERTAINING TO LOBBYING

(a) 2 C.F.R. §200.450 prohibits reimbursement for costs associated with certain lobbying activities.

(b) Section 216.347, Florida Statutes, prohibits "any disbursement of grants and aids appropriations pursuant to a contract or grant to any person or organization unless the terms of the grant or contract prohibit the expenditure of funds for the purpose of lobbying the Legislature, the judicial branch, or a state agency."

(c) No funds or other resources received from the Division under this Agreement may be used directly or indirectly to influence legislation or any other official action by the Florida Legislature or any state agency.

(d) The Sub-Recipient certifies, by its signature to this Agreement, that to the best of his or her knowledge and belief:

i. No Federal appropriated funds have been paid or will be paid, by or on behalf of the Sub-Recipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.

ii. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan or cooperative agreement, the Sub-Recipient shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities."

iii. The Sub-Recipient shall require that this certification be included in the award documents for all subawards (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all Sub-Recipients shall certify and disclose.

iv. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

v. If this subgrant agreement amount is \$100,000 or more, the Sub-Recipient, and subcontractors, as applicable, shall sign Attachment L – Certification Regarding Lobbying.

(20) COPYRIGHT, PATENT, AND TRADEMARK

EXCEPT AS PROVIDED BELOW, ANY AND ALL PATENT RIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY RESERVED TO THE STATE OF FLORIDA; AND, ANY AND ALL COPYRIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY TRANSFERRED BY THE SUB- RECIPIENT TO THE STATE OF FLORIDA.

(a) If the Sub-Recipient has a pre-existing patent or copyright, the Sub-Recipient shall retain all rights and entitlements to that pre-existing patent or copyright unless the Agreement provides otherwise.

(b) If any discovery or invention is developed in the course of or as a result of work or services performed under this Agreement, or in any way connected with it, the Sub-Recipient shall refer the discovery or invention to the Division for a determination whether the State of Florida will seek patent protection in its name. Any patent rights accruing under or in connection with the performance of this Agreement are reserved to the State of Florida. If any books, manuals, films, or other copyrightable material are produced, the Sub-Recipient shall notify the Division. Any copyrights accruing under or in connection with the performance under this Agreement are transferred by the Sub-Recipient to the State of Florida.

(c) Within thirty (30) days of execution of this Agreement, the Sub-Recipient shall disclose all intellectual properties relating to the performance of this Agreement which he or she knows or should know could give rise to a patent or copyright. The Sub-Recipient shall retain all rights and entitlements to any pre-existing intellectual property which is disclosed. Failure to disclose will indicate that no such property exists. The Division shall then, under Paragraph (20)(b), have the right to all patents and copyrights which accrue during performance of the Agreement.

(d) If the Sub-Recipient qualifies as a state university under Florida law, then, pursuant to section 1004.23, Florida Statutes, any invention conceived exclusively by the employees of the Sub-Recipient shall become the sole property of the Sub-Recipient. In the case of joint inventions, that is inventions made jointly by one or more employees of both parties hereto, each party shall have an equal, undivided interest in and to such joint inventions. The Division shall retain a perpetual, irrevocable, fully-paid, nonexclusive license, for its use and the use of its contractors of any resulting patented, copyrighted or trademarked work products, developed solely by the Sub-Recipient, under this Agreement, for Florida government purposes.

(21) LEGAL AUTHORIZATION

(a) The Sub-Recipient certifies that it has the legal authority to receive the funds under this Agreement and that its governing body has authorized the execution and acceptance of this Agreement. The Sub-Recipient also certifies that the undersigned person has the authority to legally execute and bind Sub-Recipient to the terms of this Agreement.

(22) STATEMENT OF ASSURANCES

(a) The Sub-Recipient shall comply with any Statement of Assurances incorporated as Attachment E.

(23) RECORDS

(a) As required by 2 C.F.R. §200.336, the Federal awarding agency, Inspectors General, the Comptroller General of the United States, and the Division, or any of their authorized representatives, shall enjoy the right of access to any documents, papers, or other records of the Sub-Recipient which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents. Finally, the right of access is not limited to the required retention period but lasts as long as the records are retained.

(b) As required by 20.055(6)(c) and 215.97(5)(b), Florida Statutes, the Division, the Chief Inspector General of the State of Florida, the Florida Auditor General, or any of their authorized representatives, shall enjoy the right of access to any documents, financial statements, papers, or other records of the Sub-Recipient which are pertinent to this Agreement, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents.

(c) As required by Florida Department of State's record retention requirements (Chapter 119, Florida Statutes) and by 4 the Sub-Recipient shall retain sufficient records to show its compliance with the terms of this Agreement, as well as the compliance of all subcontractors or consultants paid from funds under this Agreement, for a period of 3 years from the date of submission of the final expenditure report. The following are the only exceptions to the 3-year requirement:

i. If any litigation, claim, or audit is started before the expiration of the 3-year period, then the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.

ii. When the Division or the Sub-Recipient is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period.

iii. Records for real property and equipment acquired with Federal funds must be retained for 5 years after final disposition.

iv. When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 3-year retention requirement is not applicable to the Sub-Recipient.

v. Records for program income transactions after the period of performance. In some cases, recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned.

vi. Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

(d) In accordance with 2 C.F.R. §200.335, the Federal awarding agency must request transfer of certain records to its custody from the Division or the Sub-Recipient when it determines that the records possess long-term retention value.

(e) In accordance with 2 C.F.R. §200.336, the Division must always provide or accept paper versions of Agreement information to and from the Sub-Recipient upon request. If paper copies are submitted, then the Division must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.

(f) As required by 2 C.F.R. §200.303, the Sub-Recipient shall take reasonable measures to safeguard protected personally identifiable information and other information the Federal awarding agency or the Division designates as sensitive or the Sub-Recipient considers sensitive consistent with applicable Federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

(g) Florida's Government in the Sunshine Law (Section 286.011, Florida Statutes) provides the citizens of Florida with a right of access to governmental proceedings and mandates three, basic requirements: (1) meetings of public boards or commissions must be open to the public; (2) reasonable notice of such meetings must be given; and, (3) minutes of the meetings must be taken and promptly recorded. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the open government requirements. However, the Government in the Sunshine Law applies to private entities that provide services to governmental agencies and that act on behalf of those agencies in the agencies' performance of their public duties. If a public agency delegates the performance of its public purpose to a private entity, then, to the extent that private entity is performing that public purpose, the Government in the Sunshine Law applies. For example, if a volunteer fire department provides firefighting services to a governmental entity and uses facilities and equipment purchased with public funds, then the Government in the Sunshine Law applies to board of directors for that volunteer fire department. Thus, to the extent that the Government in the Sunshine Law applies to the Sub-Recipient based upon the funds provided under this Agreement, the meetings of the Sub-Recipient's governing board or the meetings of any subcommittee making recommendations to the governing board may be subject to open government requirements. These meetings shall be publicly noticed, open to the public, and the minutes of all the meetings shall be public records, available to the public in accordance with Chapter 119, Florida Statutes.

(h) Florida's Public Records Law provides a right of access to the records of the state and local governments as well as to private entities acting on their behalf. Unless specifically exempted from disclosure by the Legislature, all materials made or received by a governmental agency (or a private entity acting on behalf of such an agency) in conjunction with official business which are used to perpetuate, communicate, or formalize knowledge qualify as public records subject to public inspection. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the public record requirements. However, when a public entity delegates a public function to a private entity, the records generated by the private entity's performance of that duty become public records. Thus, the nature and scope of the services provided by a private entity determine whether

that entity is acting on behalf of a public agency and is therefore subject to the requirements of Florida's Public Records Law.

(i) The Sub-Recipient shall maintain all records for the Sub-Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of the Proposed Budget Detail Worksheet (Attachment A (2)) and Scope of Work (Attachment A) and all other applicable laws and regulations.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: (850) 815-4156, Records@em.myflorida.com, or 2555 Shumard Oak Boulevard, Tallahassee, FL 32399.

(24) TERMS AND CONDITIONS

(a) This Agreement contains all the terms and conditions agreed upon by the parties.

(25) EXECUTION

(a) This Agreement may be executed in any number of counterparts, any one of which may be taken as an original.

(26) MODIFICATION

(a) Either Party may request modification of the provisions of this agreement. Modifications of provisions of this Agreement are valid only when reduced to writing and duly signed by the Parties.

(27) EQUAL OPPORTUNITY EMPLOYMENT

(a) In accordance with 41 C.F.R. §60-1.4(b), the Sub-Recipient hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause:

During the performance of this contract, the contractor agrees as follows:

i. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race,

color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

ii. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

iii. The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

iv. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

v. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

vi. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

vii. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order

11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

viii. The contractor will include the portion of the sentence immediately preceding paragraph (i) and the provisions of paragraphs (i) through (viii) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States.

(b) The Sub-Recipient further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

(c) The Sub-Recipient agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

(d) The Sub-Recipient further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive order. In addition, the Sub-Recipient agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the Sub-Recipient under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such Sub-Recipient; and refer the case to the Department of Justice for appropriate legal proceedings.

(28) COPELAND ANTI-KICKBACK ACT

(a) The Sub-Recipient hereby agrees that, unless exempt under Federal law, it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, the following clause:

i. Contractor. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

ii. Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

iii. Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

(29) CONTRACT WORK HOURS AND SAFETY STANDARDS

(a) If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds \$100,000 and involves the employment of mechanics or laborers, then any such contract must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation.

(30) CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT

(a) If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds \$150,000, then any such contract must include the following provision:

Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387), and will report violations to FEMA and the Regional Office of the Environmental Protection Agency (EPA).

(31) SUSPENSION AND DEBARMENT

(a) If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following provisions:

i. This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to

verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

ii. The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

iii. This certification is a material representation of fact relied upon by the Division. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Division, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

iv. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

(32) BYRD ANTI-LOBBYING AMENDMENT

(a) If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following clause:

Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended). Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

If the Sub-Recipient enters into a contract with a subcontractor for an award of \$100,000 or more, the subcontractor shall sign Attachment L – Certification Regarding Lobbying.

(33) CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

(a) If the Sub-Recipient, with the funds authorized by this Agreement, seeks to procure goods or services, then, in accordance with 2 C.F.R. §200.321, the Sub-Recipient shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible:

i. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

ii. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

iii. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

iv. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;

v. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and

vi. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (i). through v. of this subparagraph.

(b) The requirement outlined in subparagraph a. above, sometimes referred to as "socioeconomic contracting," does not impose an obligation to set aside either the solicitation or award of a contract to these types of firms. Rather, the requirement only imposes an obligation to carry out and document the six affirmative steps identified above.

(c) The "socioeconomic contracting" requirement outlines the affirmative steps that the Sub-Recipient must take; the requirements do not preclude the Sub-Recipient from undertaking additional steps to involve small and minority businesses and women's business enterprises.

(d) The requirement to divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises, does not authorize the Sub-Recipient to break a single project down into smaller components in order to circumvent the micro-purchase or small purchase thresholds so as to utilize streamlined acquisition procedures (e.g. "project splitting").

County Administrator Approval Authority

Sec. 2-62. - Approval authority.

(a) The county administrator or his/her designee shall have the authority to approve and execute the following contracts, documents and instruments:

- (1) Any and all contracts, including, but not limited to, grants, revenue contracts, interlocal agreements, intergovernmental contracts, joint and cooperative purchasing contracts with other governmental agencies, contracts for the acquisition of interests in real property, litigation settlement stipulations and agreements for the acquisition of interests in real property, litigation settlement stipulations and agreements not governed by the risk finance program as provided in section 2-142 of this Code, leases of real and personal property to the county, contracts governed by the purchasing division of this Code, and any amendments, extensions, renewals, or assignments thereof, including changes in price, terms and conditions, that involve the receipt or payment by the county of not to exceed \$250,000.00 in a fiscal, contract, or calendar year.

For the purposes of this section, "interests in real property" means any interest in real property, the acquisition of which is specifically budgeted within and will advance the completion of any specifically described capital improvement project in the county's capital improvement program work plan ("CIP"). Any acquisition of interests in real property funded from project contingency accounts in the CIP must be approved by the board of county commissioners.

- (2) Amendments to contracts or leases approved by the board of county commissioners that involve: (i) time only extensions; (ii) a name change of a party, or substitution of a party as a result of an acquisition (stock, membership or partnership interest or asset sale), merger, court order (such as the appointment of a receiver or trustee, federal or state forfeiture, by way of illustration and not limitation), or a change of ownership of leased real or personal property; (iii) amendments, extensions, or renewals of leases of real or personal property to or from third parties, including changes in terms and conditions, decreases in rent, or increases in rent or other lease financial obligations of not more than the sums authorized in subsection (a)(1) of this section or ten percent of the total fees, costs, or compensation payable pursuant to the lease, whichever is less, if delegated authority is provided for in the lease; (iv) decreases in fees, costs, or compensation paid by the county, or cumulative increases in fees, costs, or compensation paid by the county of not more than the sums authorized in subsection (a)(1) of this section or ten percent of the total fees, costs, or compensation, whichever is less; (v) revisions or amendments to plans, specifications, pay items, or the scope of work or services; and/or (vi) mutual releases or terminations of contracts approved by all parties to the contract.
- (3) Contract closeout documents for contracts referenced in subsections (a)(1) and (2) above approved by either the county administrator or designee, or the board of county commissioners, including, but not limited to, releases of surety bonds and retainages, and releases of completion and maintenance security for subdivision improvements.
- (4) Grant applications in amounts not to exceed \$1,000,000.00 excluding local match or in-kind contributions, in a fiscal or calendar year.
- (5) Licenses, access agreements, permits for right-of-way, temporary use permits, and the acceptance or conveyance of temporary or permanent easements for construction, utility or other governmental purposes on any real property, whether or not owned by the county, and any assignments, consents, extensions, amendments, releases, or terminations of the foregoing documents or instruments, including changes in price, terms and conditions.
- (6) Subordination agreements, landlord estoppel agreements/certificates, attornment agreements, and assignments including consents thereof, relating to any real property, whether or not owned, by the county.
- (7) Corrective contracts and instruments.

County Administrator Approval Authority

- (8) Releases, satisfactions or assignments of liens and mortgages, upon full payment thereof, if a mortgage, and upon full or partial payment thereof, if an inferior lien other than a mortgage.
- (9) Any instrument required for the exercise of an option of renewal or extension of a lease or license agreement for a term of a year or years, upon the same terms and conditions as set forth in any original lease or license agreement approved by the board of county commissioners.
- (10) Applications to the state or other political subdivisions, including the county to vacate unopened right of way and abandoned easements.
- (11) Approval of sublease of lease agreement if the original lease agreement allows a sublease upon county approval, and if the original tenant remains ultimately liable under the lease agreement.
- (12) Any instrument required for the exercise of option of renewal or extension, or acceptance of contractor's exercise of option of renewal or extension of use, access, concession or similar agreement (such as the United Parcel Services agreement with the airport, by way of illustration and not limitation) for a term of a year or years, upon the same terms and conditions as set forth in the original agreement approved by the board of county commissioners.

**FFY 2021-2022 EMPG-ARPA COMPETITIVE GRANT AGREEMENT
ATTACHMENT A – SCOPE OF WORK**

I. GENERAL POLICY

The FFY 2021 Emergency Management Performance Grant (EMPG-ARPA) provides funding to implement investments that build, sustain, and deliver the 32 core capabilities essential to achieving the National Preparedness Goal of a resilient nation. The FFY 2021 EMPG-ARPA supports core capabilities across the five mission areas of Prevention, Protection, Mitigation, Response and Recovery based on allowable costs. The responsibility of building, sustainment and delivery of these core capabilities do not fall to any single level of government, organization, or community, but rather requires the combined effort of the whole community.

The FFY 2021 EMPG-ARPA assists local preparedness activities that address high-priority preparedness gaps across all core capabilities. All supported investments are based on capability targets and gaps identified during local assessment processes and after the evaluation of data has been collected to determine the needs of the community.

The purpose of the competitive EMPG-ARPA Program is to provide federal funds to assist local governments in preparing for all-hazards, as authorized by Section 662 of the Post Katrina Emergency Management Reform Act (6 U.S.C. § 762) and the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. §§ 5121 et seq.).

Title VI of the Stafford Act authorizes the Federal Emergency Management Agency to make grants for the purpose of providing a system of emergency preparedness for the protection of life and property in the United States from hazards and to vest responsibility for emergency preparedness jointly in the federal government, states and their political subdivisions.

II. SUB-RECIPIENT RESPONSIBILITIES

Sub-Recipient shall support efforts to build and sustain core capabilities across the Prevention, Protection, Mitigation, Response, and Recovery mission areas described in the National Preparedness Goal.

Counties must be able to prepare for, respond to, recover from, and mitigate against natural and man-made disasters/emergencies. Each Emergency Management staff person must work the number hours and assume the responsibilities for the duties in their official position description as well as provide the coordination and support for all incidents within their jurisdiction.

TASKS AND DELIVERABLES:

The Sub-Recipient must successfully complete the following tasks and deliverables throughout the period of performance. Quarterly Tasks (Form1B) will need to be provided each quarter to show completion or progress towards the completion of each task.

TASK 1: MATCH

A. QUARTERLY MATCH

Federal funds provided under the EMPG-APRA agreement shall be matched by the Sub-Recipient **dollar for dollar** totaling the award amount. A Sub-Recipient needs to show it is meeting the match requirement for the total award amount; the match costs do not need to be broken down or assigned to individual projects. In addition, a Sub-Recipient may undermatch (contribute less than 50%) to a particular project if it is also overmatching (contribute more than 50%) toward another project to make up the difference, provided that the end result is the Sub-Recipient contributing a net total amount that matches the total EMPG-ARPA award amount. Unless otherwise authorized by law, Federal funds cannot be matched with other Federal funds. To meet matching requirements, the Sub-Recipient contributions must be reasonable,

allowable, allocable, and necessary under the grant program and must comply with all Federal requirements and regulations.

Note: An Interim Final Rule indicates that Treasury's ARPA funding is being treated as a grant, and as such cannot be used for cost share purposes. Other Restrictions on Use Payments from the Fiscal Recovery Funds are also subject to pre-existing limitations provided in other Federal statutes and regulations and may not be used as non-Federal match for other Federal programs whose statute or regulations bar the use of Federal funds to meet matching requirements.

In order to demonstrate successful completion of task 1 for quarter 1-4, the Recipient must submit the following items in the Division's Salesforce system or via email to your Grant Manager:

DELIVERABLES

- Provide Quarterly Match **Form 3A** to identify the non-federal match amount;

Reporting Requirements:

Quarter 1	Quarter 2	Quarter 3	Quarter 4
Deliverables Due	Deliverables Due	Deliverables Due	Deliverables Due

Supporting Documentation: Invoices, receipts, paystubs, certified timesheets, earning statements, cancelled checks, credit card statements, bank statements for proof of payment at least equal to the amount of reimbursement requested for that quarter.

TASK 2: PROJECT MILESTONES

A. QUARTERLY MILESTONES

Sub-Recipients must update quarterly project's milestones. Milestones represent a clear sequence of events that incrementally build up until your project is complete. Project milestones provides information of how the project is advancing and have zero duration because they symbolize an achievement, or a point of time in a project.

In order to demonstrate successful completion of task 2 for quarter 1-4, the Recipient must submit the following items in the Division's Salesforce system or via email to your Grant Manager:

DELIVERABLES

- Provide and submit Quarterly Milestones on Form 4;

Reporting Requirements:

Quarter 1	Quarter 2	Quarter 3	Quarter 4
Deliverables Due	Deliverables Due	Deliverables Due	Deliverables Due

I. CATEGORIES AND ELIGIBLE ACTIVITIES

The FFY 2021 EMPG-ARPA Competitive Grant Funding Guidance allowable costs are divided into the following categories: **Planning, Organization, Equipment, Training, Exercise, and Management and Administration.**

A. PLANNING

Planning spans all five National Preparedness Goal (the Goal) mission areas and provides a baseline for determining potential threats and hazards, required capabilities, required resources, and establishes a framework for roles and responsibilities. Planning provides a methodical way to engage the whole community in the development of a strategic, operational, and/or community-based approach to preparedness.

Plans should have prior review and approval from the respective DEM state program. Funds may not be reimbursed for any plans that are not approved.

EMPG-ARPA Competitive Program funds may be used to develop or enhance emergency management planning activities.

Some examples include, but not limited to:

- Emergency Operation Plans/ Local Comprehensive Emergency Management Planning

Maintenance and Sustainment:

The use of FEMA preparedness grant funds for maintenance contracts, warranties, repair or replacement costs, upgrades, and user fees are allowable under all active grant awards, unless otherwise noted.

EMPG-ARPA Competitive Program grant funds are intended to support the Goal and fund activities and projects that build and sustain the capabilities necessary to prevent, protect against, mitigate the effects of, respond to, and recover from those threats that pose the greatest risk to the security of the Nation. In order to provide Sub-Recipients the ability to meet this objective, the policy set forth in GPD's IB 379 (Guidance to State Administrative Agencies to Expedite the Expenditure of Certain DHS/FEMA Grant Funding) allows for the expansion of eligible maintenance and sustainment costs, which must be in: (1) direct support of existing capabilities; (2) must be an otherwise allowable expenditure under the applicable grant program; (3) be tied to one of the core capabilities in the five mission areas contained within the Goal, and (4) shareable through the EMAC. Additionally, eligible costs may also be in support of equipment, training, and critical resources that have previously been purchased with either federal grant funding or any other source of funding other than DHS/FEMA preparedness grant program dollars. Additional guidance is provided in FEMA Policy FP 205-402-125-1, Maintenance Contracts and Warranty Coverage Funded by Preparedness Grants, located at: <http://www.fema.gov/media-library/assets/documents/32474>.

All documentation for reimbursement amounts must be clearly visible and defined (i.e., highlighted, underlined, circled on the required supporting documentation).

The Quarterly Tasks (**Form 1B**) is due every quarter with the quarterly financial report. This is to identify emergency management personnel, all EMPG-ARPA Competitive Program funded employees and the completion of the required tasks and deliverables as outlined in the scope of work during the agreement period.

C. EQUIPMENT

Allowable equipment categories for the EMPG-ARPA Competitive Program are listed on the web-based version of the Authorized Equipment List (AEL) at <https://www.fema.gov/authorized-equipment-list>. Unless otherwise stated, equipment must meet all mandatory regulatory and/or FEMA-adopted standards to be eligible for purchase using these funds. In addition, agencies will be responsible for obtaining and maintaining all necessary certifications and licenses for the requested equipment.

Allowable equipment includes equipment from the following AEL categories:

- Personal Protective Equipment (PPE) (Category 1)
- Information Technology (Category 4)
- Cybersecurity Enhancement Equipment (Category 5)
- Interoperable Communications Equipment (Category 6)
- Detection Equipment (Category 7)
- Power Equipment (Category 10)
- Chemical, Biological, Radiological, Nuclear, and Explosive (CBRNE) Reference Materials (Category 11)
- CBRNE Incident Response Vehicles (Category 12)

In addition to the above, general purpose vehicles can be procured in order to carry out the responsibilities of the EMPG-ARPA Competitive Program. If Sub-Recipients have questions concerning the eligibility of equipment not specifically addressed in the AEL, they should contact their Grant Manager for clarification.

Sub-Recipients should analyze the cost benefits of purchasing versus leasing equipment, especially high cost items and those subject to rapid technical advances. Large equipment purchases must be identified and explained. For more information regarding property management standards for equipment, please reference 2 C.F.R. Part 200, including 2 C.F.R. §§ 200.310, 200.313, and 200.316.

Requirements for Small Unmanned Aircraft System

All requests to purchase Small Unmanned Aircraft System (SUAS) must comply with Information Bulletin (IB) 426 and must include the policies and procedures in place to safeguard individuals' privacy, civil rights, and civil liberties in the jurisdiction that will purchase, take title to, or otherwise use the SUAS equipment.

Funding for Critical Emergency Supplies

Critical emergency supplies—such as shelf stable products, water, and basic medical supplies—are an allowable expense under EMPG-ARPA Competitive Program. DHS/FEMA must approve a state's five-year viable inventory management plan prior to allocating grant funds for stockpiling purposes. The five-year plan should include a distribution strategy and related sustainment costs if the grant expenditure is over \$100,000.

D. TRAINING

EMPG-ARPA Competitive Program Training funds may be used for a range of emergency management-related training activities to enhance the capabilities of local emergency management personnel through the establishment, support, conduct, and attendance of training. Training activities should align to a current IPP developed through an annual Integrated Preparedness Program Workshop (IPPW). Training should foster the development of a community-oriented approach to emergency management that emphasizes engagement at the community level, strengthens best practices, and provides a path toward building sustainable resilience.

All EMPG-ARPA Competitive Program funded personnel are expected to be trained emergency managers. In addition to training activities aligned to and addressed in the IPP, all EMPG-ARPA -funded personnel (including full- and part-time state, local, tribal, and territorial (SLTT) recipients and Sub-Recipients) shall complete the following training requirements and record proof of completion:

(1) NIMS Training, Independent Study (IS)-100 (any version), IS-200 (any version), IS-700 (any version), and IS-800 (any version) AND;

(2) Professional Development Series (PDS) OR the Emergency Management Professionals Program (EMPP) Basic Academy listed in the chart below.

- Conducting all hazards emergency management training
- Attending Emergency Management Institute (EMI) training or delivering EMI train-the-trainer

courses

- Attending other FEMA-approved emergency management training
- State-approved, locally sponsored CERT training
- Mass evacuation training at local, state, and tribal levels

For training, the number of participants must be a minimum of 15 in order to justify the cost of holding a course. For questions regarding adequate number of participants, please contact the Division State Training Officer for course specific guidance. Unless the recipient receives advance written approval from the State Training Officer for the number of participants, then the Division must reduce the amount authorized for reimbursement on a pro-rata basis for any training with less than 15 participants.

When conducting an exercise that shall include meals for the attendees, the recipient shall submit a request for approval to the Division no later than 25 days prior to the event to allow for both the Division and the Department of Financial Services to review. The request for meals must be submitted on letterhead and must include the date of exercise, agenda, number of attendees, and costs of meals.

Allowable training-related costs include the following:

- **Develop, Deliver, and Evaluate Training.** This includes costs related to administering the training: planning, scheduling, facilities, materials and supplies, reproduction of materials, and equipment. Training should provide the opportunity to demonstrate and validate skills learned, as well as to identify any gaps in these skills. Any training or training gaps, including those for children and individuals with disabilities or access and functional needs, should be identified in the Integrated Preparedness Program (IPP) and addressed in the training cycle. States are encouraged to use existing training rather than developing new courses. When developing new courses states are encouraged to apply the Analyze, Design, Develop, Implement and Evaluate (ADDIE) model for instruction design.
- **Overtime and Backfill.** The entire amount of overtime costs, including payments related to backfilling personnel, which are the direct result of attendance at FEMA and/or approved training courses and programs are allowable. These costs are allowed only to the extent the payment for such services is in accordance with the policies of the state or unit(s) of local government and has the approval of the state or FEMA, whichever is applicable. In no case is dual compensation allowable. That is, an employee of a unit of government may not receive compensation from their unit or agency of government AND from an award for a single period of time (e.g., 1:00 p.m. to 5:00 p.m.), even though such work may benefit both activities.
- **Travel.** Travel costs (e.g., airfare, mileage, per diem, and hotel) are allowable as expenses by employees who are on travel status for official business related to approved training.
- **Hiring of Full or Part-Time Staff or Contractors/Consultants.** Full or part-time staff or contractors/consultants may be hired to support direct training-related activities. Payment of salaries and fringe benefits must be in accordance with the policies of the state or unit(s) of local government and have the approval of the state or FEMA, whichever is applicable.
- **Certification/Recertification of Instructors.** Costs associated with the certification and re-certification of instructors are allowed. States are encouraged to follow the FEMA Instructor Quality Assurance Program to ensure a minimum level of competency and corresponding levels of evaluation of student learning. This is particularly important for those courses which involve training of trainers.

Conferences

The Division recognizes the important role that conferences can play in the professional development of emergency managers.

2 C.F.R. §200.432 defines the term conference as "a meeting, retreat, seminar, symposium, workshop or event whose primary purpose is the dissemination of technical information beyond the non-Federal entity and is necessary and reasonable for successful performance under the Federal award."

Rule 69I-42.002(3), Florida Administrative Code, defines the term conference as:

The coming together of persons with a common interest or interests for the purpose of deliberation, interchange of views, or for the removal of differences or disputes and for discussion of their common problems and interests. The term also includes similar meetings such as seminars and workshops which are large formal group meetings that are programmed and supervised to accomplish intensive research, study, discussion, and work in some specific field or on a governmental problem or problems. A conference does not mean the coming together of agency or interagency personnel.

For travel to a conference or convention to qualify for reimbursement, the cost must be reasonable and attendance at the conference must be necessary for the successful completion of a task required by this Agreement.

Provided the cost qualifies as reasonable and necessary for the successful completion of a task required by this Agreement, travel to a conference that complies with the requirements of Rule 69I-42.004, Florida Administrative Code, satisfies the minimum level of service for conference travel under this Agreement.

In pertinent part, Rule 69I-42.004(1), Florida Administrative Code, states "No public funds shall be expended for attendance at conferences or conventions unless:

- The main purpose of the conference or convention is in connection with the official business of the state and directly related to the performance of the statutory duties and responsibilities of the agency participating;
- The activity provides a direct educational or other benefit supporting the work and public purpose of the person attending;
- The duties and responsibilities of the traveler attending such meetings are compatible with the objectives of the conference or convention; and
- The request for payment of travel expenses is otherwise in compliance with these rules.

Provided the cost qualifies as reasonable and necessary for the successful completion of a task required by this Agreement, and provided any related travel complies with the requirements of Rule 69I-42.004, Florida Administrative Code, conferences may qualify for reimbursement under this Agreement:

Requests for reimbursement for payment of the registration fee or for a conference or convention must include:

- A statement explaining how the expense directly relates to the Recipient's successful performance of a task outlined in this Agreement;
- A copy of those pages of the agenda that itemizes the registration fee;
- A copy of local travel policy; and,
- A copy of the travel voucher or a statement that no travel costs were incurred, if applicable.

When a meal is included in a registration fee, the meal allowance must be deducted from the reimbursement claim, even if the traveler decides for personal reasons not to eat the meal. See section 112.061(6)(c), Florida Statutes ("No one, whether traveling out of or in state, shall be reimbursed for any meal or lodging included in a convention or conference registration fee paid by the state"). A continental breakfast is considered a meal and must be deducted if included in a registration fee for a convention or conference. However, in the case where a meal is provided by a hotel or airline, the traveler shall be allowed to claim the meal allowance provided by law.

Class A, Class B, and Class C Travel:

- Class A travel is continuous travel of 24 hours or more away from official headquarters. The travel day for Class A is based on a calendar day (midnight to midnight).
- Class B travel is continuous travel of less than 24 hours which involves overnight absence away from official headquarters. The travel day for Class B travel begins at the same time as the travel period.

- Class C travel is short or day trips in which the traveler is not away from his/her official headquarters overnight. Class C allowances are currently not authorized for reimbursement.

Meal Allowance and Per Diem:
Section 112.061(6)(b), Florida Statutes, establishes the meal allowance for each meal during a travel period as follows:
\$6 for breakfast (when travel begins before 6 a.m. and extends beyond 8 a.m.);
\$11 for lunch (when travel begins before 12 noon and extends beyond 2 p.m.);
\$19 for dinner (When travel begins before 6 p.m. and extends beyond 8 p.m. or when travel occurs during nighttime hours due to special assignment.).
Section 112.061(a), Florida Statutes, establishes the per diem amounts.
All travelers are allowed: The authorized per diem for each day of travel; or, If actual expenses exceed the allowable per diem, the amount allowed for meals as provided in s. 112.061(6) (b), F.S., plus actual expenses for lodging at a single occupancy rate.

Per diem shall be calculated using four six-hour periods (quarters) beginning at midnight for Class A or when travel begins for Class B travel. Travelers may only switch from actual to per diem while on Class A travel on a midnight to midnight basis. A traveler on Class A or B travel who elects to be reimbursed on a per diem basis is allowed \$20.00 for each quarter from the time of departure until the time of return.

Reimbursement for Meal Allowances That Exceed the State Rates

The Division shall not reimburse for any meal allowance that exceeds \$6 for breakfast, \$11 for lunch, or \$19 for dinner unless:

- For counties – the requirements of section 112.061(14), Florida Statutes, are satisfied;
- The costs do not exceed charges normally allowed by the Recipient in its regular operations as the result of the Recipient's written travel policy (in other words, the reimbursement rates apply uniformly to all travel by the Recipient); and,
- The costs do not exceed the reimbursement rates established by the United States General Services Administration ("GSA") for that locale (see <https://www.gsa.gov/portal/content/104877>).

Hotel Accommodations

- A traveler may not claim per diem or lodging reimbursement for overnight travel within 50 miles (one-way) of his or her headquarters or residence unless the circumstances necessitating the overnight stay are fully explained by the traveler and approved by the Division.
- Absent prior approval from the Division, the cost of any hotel accommodation shall not exceed \$150 per night.

Training Costs Supporting Documentation

- Copies of contracts or agreements with consultants providing services;
- Copies of invoices, receipts and cancelled checks, credit card statements and bank statements for proof of payment.
- Copies of the agenda, certificates and/or sign in sheets (if using prepopulated sign in sheets they must be certified by the Emergency Management Director or Lead Instructor verifying attendance).

For travel and conferences related to EMPG-ARPA activities:

- Copies of all receipts must be submitted (i.e., airfare, proof of mileage, toll receipts, hotel receipts, car rental receipts, etc.) Receipts must be itemized and match the dates of travel/conference;
- Copies of Conferences must be providing an agenda. Proof of payment is also required for all travel and conferences. If the Sub-Recipient seeks reimbursement for travel costs that exceed the amounts stated in section 112.061(6)(b), Florida Statutes (\$6 for breakfast, \$11 for lunch, and

\$19 for dinner), then the Sub-Recipient must provide documentation that: The costs are reasonable and do not exceed charges normally allowed by the Sub-Recipient in its regular operations as a result of the Sub-Recipient's written travel policy; and participation of the individual in the travel is necessary to the Federal award.

E. EXERCISES

Exercises conducted with grant funds should test and evaluate performance towards meeting capability targets established in a jurisdiction's THIRA for the core capabilities needed to address its greatest risks. Exercise priorities should align to a current Integrated Preparedness Program (IPP) developed through an annual Integrated Preparedness Program Workshop (IPPW).

Allowable Exercise-Related Costs

- **Design, Develop, Conduct and Evaluate an Exercise.** This includes costs related to planning, meeting space and other meeting costs, facilitation costs, materials and supplies, travel, and documentation. Sub-Recipients are encouraged to use free public space/locations/facilities, whenever available, prior to the rental of space/locations/facilities. Exercises should provide the opportunity to demonstrate and validate skills learned, as well as to identify any gaps in these skills. Gaps identified during an exercise including those for children and individuals with disabilities or access and functional needs, should be identified in the AAR/IP and addressed in the exercise cycle.
- **Hiring of Full or Part-Time Staff or Contractors/Consultants.** Full or part-time staff may be hired to support direct exercise activities. Payment of salaries and fringe benefits must be in accordance with the policies of the state or unit(s) of local government and have the approval of the state or FEMA, whichever is applicable. The services of contractors/consultants may also be procured to support the design, development, conduct and evaluation of exercises.
- **Overtime and Backfill.** The entire amount of overtime costs, including payments related to backfilling personnel, which are the direct result of time spent on the design, development and conduct of exercises are allowable expenses. These costs are allowed only to the extent the payment for such services is in accordance with the policies of the state or unit(s) of local government and has the approval of the state or FEMA, whichever is applicable. In no case is dual compensation allowable. That is, an employee of a unit of government may not receive compensation from their unit or agency of government AND from an award for a single period of time (e.g., 1:00 p.m. to 5:00 p.m.), even though such work may benefit both activities.
- **Travel.** Travel costs (e.g., airfare, mileage, per diem, hotel) are allowable as expenses by employees who are on travel status for official business related to the planning and conduct of the exercise activities.
- **Supplies.** Supplies are items that are expended or consumed during the course of the planning and conduct of the exercise activities (e.g., gloves, non-sterile masks, and disposable protective equipment).
- **Other Items.** These costs are limited to items consumed in direct support of exercise activities such as the rental of space/locations for planning and conducting an exercise, rental of equipment, and the procurement of other essential nondurable goods. Sub-Recipients are encouraged to use free public space/locations, whenever available, prior to the rental of space/locations. Costs associated with inclusive practices and the provision of reasonable accommodations and modifications that facilitate full access for children and adults with disabilities are allowable.

When conducting an exercise that shall include meals for the attendees, the Sub-recipient shall submit a request for approval to the Division no later than twenty-five (25) days prior to the event to allow for both the Division and the Department of Financial Services to review. The request for meals must be submitted on letterhead and must include the date of exercise, agenda, number of attendees, and costs of meals.

Unauthorized Exercise - Related Costs

- Reimbursement for the maintenance and/or wear and tear costs of general use vehicles (e.g., construction vehicles) and emergency response apparatus (e.g., fire trucks, ambulances). The only vehicle costs that are reimbursable are fuel/gasoline or mileage;
- Equipment that is purchased for permanent installation and/or use, beyond the scope of exercise conduct (e.g., electronic messaging signs);
- Durable and non-durable goods purchased for installation and/or use beyond the scope of exercise conduct.

Exercise Costs Supporting Documentation

- Copies of contracts, MOUs or agreements with consultants or sub-contractors providing services;
- Copies of invoices, receipts and cancelled checks, credit card statements and bank statements for proof of payment;
- Copies of Exercise Plan (EXPLAN), After-Action Report/Improvement Plan (AAR/IP) and sign in sheets for conducted exercises (if using prepopulated sign in sheets they must be certified by the Emergency Management Director or Lead Exercise Planner verifying attendance).

F. MANAGEMENT AND ADMINISTRATIVE (M&A)

M&A activities are those defined as directly relating to the management and administration of EMPG Program funds, such as financial management and monitoring. It should be noted that salaries of state and local emergency managers are not typically categorized as M&A, unless the state or local EMA chooses to assign personnel to specific M&A activities.

Management and Administrative Costs Supporting Documentation

- Copies of certified timesheets with employee and supervisor signature documenting hours worked or Division Form 6 - Time and Effort and proof employee was paid (paystubs, earning statements, and payroll expenditure reports);
- Costs for M&A activities are allowed up to 5% of the total award amount.

II. OTHER CRITICAL INFORMATION

A. INDIRECT COSTS

Indirect cost is allowable under this program as described in 2 C.F.R. Part 200, including 2 C.F.R. § 200.414. Sub-Recipients with a negotiated cost rate agreement that desire to charge indirect costs to an award must provide a fully executed copy of their negotiated indirect cost rate agreement at the time of application. Sub-Recipients that are not required by 2 C.F.R. Part 200 to have a negotiated indirect cost rate agreement but are required by 2 C.F.R. Part 200 to develop an indirect cost rate proposal must provide a copy of their proposal at time of application. Post-award requests to charge indirect cost will be considered on case-by-case basis and based upon the submission of an agreement or proposal.

B. ENVIRONMENTAL PLANNING AND HISTORIC PRESRVATION (EHP) COMPLIANCE

As a federal agency, FEMA is required to consider the effects of its actions on the environment and/or historic properties to ensure that all activities and programs funded by the agency, including grants-funded projects, comply with federal EHP regulations, laws and Executive Orders as applicable. Sub-Recipient's proposing projects that have the potential to impact the environment, including but not limited to construction of communication towers, modification or renovation of existing buildings, structures and facilities, or new construction including replacement of facilities, must participate in the FEMA EHP review process. The EHP review process involves the submission of a detailed project description that explains the goals and objectives of the proposed project along with supporting documentation so that FEMA may determine whether the proposed project has the potential to impact environmental resources and/or

historic properties. In some cases, FEMA also is required to consult with other regulatory agencies and the public in order to complete the review process. The EHP review process must be completed and approved before funds are released to carry out the proposed project. FEMA will not fund projects that are initiated without the required EHP review.

Additionally, all Sub-Recipients are required to comply with DHS/FEMA EHP Policy Guidance, FEMA Policy #108-023-1. The EHP screening form is located <https://www.fema.gov/media-library/assets/documents/90195>, and further EHP guidance can be found at <https://www.fema.gov/media-library/assets/documents/118323>.

C. CONSTRUCTION AND RENOVATION

Construction and renovation projects for a state, local, territorial, or Tribal government's principal Emergency Operations Center (EOC) as defined by the State Administrative Agency are allowable under the EMPG-ARPA Program.

Written approval must be provided by FEMA prior to the use of any EMPG Program funds for construction or renovation. Requests for EMPG-ARPA Program funds for construction of an EOC must be accompanied by an EOC Investment Justification (located in the Related Documents tab of the EMPG-ARPA grants.gov posting) to their Regional EMPG-ARPA Manager for review. Additionally, recipients are required to submit a SF-424C Form and Budget detail citing the project costs.

When applying for funds to construct communication towers Sub-Recipients must submit evidence that the Federal Communication Commission's (FCC) Section 106 review process has been completed and submit all documentation resulting from that review to Grants Program Directorate (GPD) prior to submitting materials for EHP review. Sub-Recipients are also encouraged to have completed as many steps as possible for a successful EHP review in support of their proposal for funding (e.g., coordination with their State Historic Preservation Office to identify potential historic preservation issues and to discuss the potential for project effects, compliance with all state and EHP laws and requirements). Projects for which the Sub-Recipient believes an Environmental Assessment (EA) may be needed, as defined in as defined in DHS Instruction Manual 023-01-001-01, Revision 01, FEMA Directive 108-1 and FEMA Instruction 108-1-1, must also be identified to the FEMA EMPG Regional Program Manager within six months of the award, and completed EHP review materials must be submitted no later than 12 months before the end of the period of performance. EHP review packets should be sent to gpdehpinfo@fema.gov.

EMPG-ARPA Program Sub-Recipients using funds for construction projects must comply with the *Davis-Bacon Act* (40 U.S.C. §§ 3141 *et seq.*). Grant Sub-Recipients must ensure that their contractors or subcontractors for construction projects pay workers no less than the prevailing wages for laborers and mechanics employed on projects of a character similar to the contract work in the civil subdivision of the state in which the work is to be performed. Additional information regarding compliance with the *Davis-Bacon Act*, including Department of Labor (DOL) wage determinations, is available from the following website: <https://www.dol.gov/whd/govcontracts/dbra.htm>

In general, Sub-Recipients should consult with their Grant Manager prior to making any investment that does not clearly meet the allowable expense criteria established in this Guidance.

D. PROCUREMENT

All Procurement transactions will be conducted in a manner providing full and open competition and shall comply with the standards articulated in:

- 2 C.F.R. Part 200;
- Chapter 287, Florida Statutes; and,
- Any local procurement policy.

Per 2 CFR 200.318 through 200.326, Sub-Recipients are required to adhere to certain procurement standards for entering contracts for personnel or services. This includes full and open competition,

methods of procurement to follow, federal or passthrough entity review, and including federal provisions into contracts.

E. FINANCIAL CONSEQUENCES

If a recipient fails to comply with the terms and conditions of the State award, the Division may terminate the award in whole or part. If the noncompliance can be corrected, the Division may first attempt to direct the recipient to correct the noncompliance. This may take the form of a Compliance Notification. If the noncompliance cannot be correct or the recipient is nonresponsive, one or more of the following steps may be taken:

- (1) Temporarily withhold payments pending correction of the deficiency by the recipient.
- (2) Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
- (3) Wholly or partly suspend or terminate the award.
- (4) Take other remedies that may be legally available.

However, if your EMPG funds exceed EMPA, or if you are not using EMPA for match, the appropriate back-up/supporting documentation needs to be provided (i.e. invoices, canceled checks, earning statements, payroll expense reports, credit card statements, bank statements).
- D. An administrative closeout may be conducted when a recipient is not responsive to the Division's reasonable efforts to collect required reports, forms, or other documentation needed to complete the standard award and/or closeout process. FDEM will make three written attempts to collect required information before initiating an administrative closeout. If an award is administratively closed, FDEM may decide to impose remedies for noncompliance per 2 C.F.R. § 200.338, consider this information in reviewing future award applications, or apply special conditions to existing or future awards.

**Appendix II to Part 200—Contract Provisions for Non-Federal Entity
Contracts Under Federal Awards**

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or

under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
