SWFMD/BOCC March 10, 2020

“ All Persons Born or Naturalized”, but what, *in Actuality*, is a 14th Amendment “citizen”?

Statute 373.715 section (15) defines this “Person” of such to be either Natural or Artificial, to include any individual Firm, Partnership, Association, Business Trust, Organization, Corporation, Company, the United States of America, the State, Any and All Political Subdivisions, Regions, Districts, Municipalities, and Public Agencies thereof. The Enumeration therein is not intended to be Exclusive or Exhaustive.

According to Statute law, the Definition of Person seems to be the Humanizing of a Corporate entity, Manifested as a Body politic going as far as to include the Nature of being “Artificial”, as Naturalized.

As Defined it does not appear this person has any Real Human qualities “born” about it

The Word Naturalization, I found in the Constitution, *twice!* Once in the 14th Amendment and *again* in Article 1 section 8, stating “Naturalization” is established on Uniform Rules and Uniform Laws ON THE SUBJECT OF BANKRUPTCY.

The 14th Amendment “birthing” of a Corporate Water Jurisdiction is *Naturalized/ is* Manifested on an Artificial Bankrupting of the water supply, ~~intent on giving rise to it's (water) jurisdictions. Aggregated as a Constitutional Objective (Fed Ppr #1), in a long-standing Act of Deliberate Political Piracy, (a “High Seas” Uniform offense), as evident in Maloneys water Code. Where, in actuality, the Federal Court System, the Judges Themselves (Fed Paper 65); as evident in/of itself, (Declaring to be Divine and Provident) will be the Subject of Federal prosecution as Manifested, as Personified in crafting the embodiment of this entity!~~ As Politically Navigated,

The 14th Amendment “Birth” right, has absolutely nothing to do with Roe vs. Wade; the term “Birthing” applies itself in a Nautical sense. Article 1 section 10 of the Constitution, assails itself as “A Ship of War concerning Captures on Water Based on Reprisal, seen as “a letter of Marquise” in Article 1 section 8. Naturally!

The 14th Amendment has everything to do with the docking/the Birthing of a Ship of War; “Fortified/Embodied in” as an Artificial Corporate “birthing” of a Water Jurisdiction; A Compact that is to be made with the District, as a “Ship of War” seeking to “Dock” itself Artificially thru the use of Constitutional Mediums, *Sorcery* and Counterfeiting! “A Corporate “Docking” of a Ship of War, Fortified/Embodied as a Water Jurisdiction, manifested on an (Artificial) Bankrupting of the water supply”

Declaring itself “Free to levy War” claiming due process rights in the 14th Amendment, as Birthed, as Declared.

Is this you and your councils navigation, sir?

STATUTE
373.019(15)

STATUTE
373.019(15)

usually flows in a defined bed or channel. It is not essential that the flowing be uniform or uninterrupted.

ARTICLE I SECTION 8 (NATURALIZED)

USEFUL ART FOR LIMITED TIMES
ARTICLE I SECTION 8

(15) "Person" means any and all persons, natural or artificial, including any individual, firm, association, organization, partnership, business trust, corporation, company, the United States of America, and the state and all political subdivisions, regions, districts, municipalities, and public agencies thereof. The enumeration herein is not intended to be exclusive or exhaustive.

ARTICLE I SECTION 2

(16) "Reasonable-beneficial use" means the use of water in such quantity as is necessary for economic and efficient utilization for a purpose and in a manner which is both reasonable and consistent with the public interest.

ACTUAL
ENUMERATION
ARTICLE I
SECTION 2

(17) "Reclaimed water" means water that has received at least secondary treatment and basic disinfection and is reused after flowing out of a domestic wastewater treatment facility. Reclaimed water is not subject to regulation pursuant to s. 373.175 or part II of this chapter until it has been discharged into waters as defined in s. 403.031(13).

DIRECT/PULL
TAXING

PRIVILEGE/IMMUNE

(18) "Reclaimed water distribution system" means a network of pipes, pumping facilities, storage facilities, and appurtenances designed to convey and distribute reclaimed water from one or more domestic wastewater treatment facilities to one or more users of reclaimed water.

(19) "Regional water supply plan" means a detailed water supply plan developed by a governing board under s. 373.709.

(20) "Stream" means any river, creek, slough, or natural watercourse in which water usually flows in a defined bed or channel. It is not essential that the flowing be uniform or uninterrupted. The fact that some part of the bed or channel has been dredged or improved does not prevent the watercourse from being a stream.

(21) "Surface water" means water upon the surface of the earth, whether contained in bounds created naturally or artificially or diffused. Water from natural springs shall be classified as surface water when it exits from the spring onto the earth's surface.

(22) "Water" or "waters in the state" means any and all water on or beneath the surface of the ground or in the atmosphere, including natural or artificial watercourses, lakes, ponds, or diffused surface water and water percolating, standing, or flowing beneath the surface of the ground, as well as all coastal waters within the jurisdiction of the state.

(23) "Water management district" means any flood control, resource management, or water management district operating under the authority of this chapter.

(24) "Water resource development" means the formulation and implementation of regional water resource management strategies, including the collection and evaluation of surface water and groundwater data; structural and nonstructural programs to protect and manage water resources; the development of regional water resource implementation programs; the construction, operation, and maintenance of major public works facilities to provide for flood control, surface and underground water storage, and groundwater recharge augmentation; and related technical assistance to local governments, government-owned and privately owned water utilities, and self-suppliers to the extent assistance to self-suppliers promotes the policies as set forth in s. 373.016.

(25) "Water resource implementation rule" means the rule authorized by s. 373.036, which sets forth goals, objectives, and guidance for the development and review of programs, rules, and plans relating to water resources, based on statutory policies and directives. The waters of the state are among its most basic resources. Such waters should be managed to conserve and protect water resources and to realize the full beneficial use of these resources.

(26) "Water supply development" means the planning, design, construction, operation, and

AMENDMENT XIV

Section 1.

All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws.

ARTICLE 4
SECTION 2

BOOK OF COMMON REBELLION?

Section 4.

The validity of the public debt of the United States, authorized by law, including debts incurred for payment of pensions and bounties for services in suppressing insurrection or rebellion, shall not be questioned. But neither the United States nor any State shall assume or pay any debt or obligation incurred in aid of insurrection or rebellion against the United States, or any claim for the loss or emancipation of any slave; but all such debts, obligations and claims shall be held illegal and void.

Section 5.

The Congress shall have the power to enforce, by appropriate legislation, the provisions of this article.
