4. The Owner agrees that appropriate representatives of the City and the County, their agents and designees, shall have the right to inspect the Property at all reasonable times in order to ascertain whether or not the conditions of this Covenant are being observed.

5. In the event of non-performance or violation of the maintenance and repair provisions of this Covenant by the Owner or by any successor-in-interest during the term of this Covenant, the Local Historic Preservation Office will follow the procedures set forth in City Code Section 16.30.070.4.F.7. 6. If the Property is damaged by accidental or natural causes during the Covenant period, the Owner will inform both the Local Historic Preservation Office and the County in writing of the damage to the Property. Such notification shall include (1) an assessment

of the nature and extent of the damage; and (2) an estimate of the cost of restoration or reconstruction work necessary to return the Property to the condition existing at the time of completion of the restoration, renovation, or rehabilitation project for which the Property became eligible for the tax exemption. In order to maintain the tax exemption, the Owner shall complete the restoration or reconstruction work necessary to return the Property to the condition existing at the time of project completion on a time schedule agreed upon by the Owner and the City. Such restoration and reconstruction work shall also be reported to the County.

7. If the Property is destroyed or severely damaged by accidental or natural causes during the Covenant period, such that the historical integrity of the features, materials, appearance, workmanship, and environment, or archaeological integrity which made the Property eligible for designation under the terms of the local preservation ordinance have been lost or so damaged that restoration is not feasible, the Owner will inform both the Local Historic Preservation Office and the County in writing of the loss or damage to the Property. Such notification shall include (1) an assessment of the nature and extent of the loss or damage; and (2) an estimate of the cost of restoration or reconstruction work necessary to return the Property to the condition existing at the time of completion of the restoration, renovation, or rehabilitation project for which the Property became eligible for the tax exemption. In accordance with City Code Section 16.30.070.4.F.7, the City Council shall hold a public hearing to determine whether the exemption shall be revoked. The Local Historic Preservation Office will provide written notice of such proceedings to the owner at least ten days before the public hearing. If the City Council determines that the Property is no longer eligible for tax exemption, the Local Historic Preservation Office will notify the Owner and the Pinellas County Property Appraiser in writing so that the tax exemption may be cancelled for the remainder of the Covenant period. In such cases, no penalty or interest shall be assessed against the Owner.

8. If it appears that the historical integrity of the features, materials, appearance, workmanship, and environment, or archaeological integrity which made the Property eligible for designation under the terms of the local preservation ordinance have been lost

or damaged deliberately or through gross negligence of the Owner, the Local Historic Preservation Office shall notify the Owner in writing. For the purpose of this Covenant, "gross negligence" means the omission of care which even inattentive and thoughtless persons never fail to take of their own property. The Owner shall have 30 days to respond indicating any circumstances which show that the damage was not deliberate or due to gross negligence. If the Owner cannot show such circumstances, the Owner shall develop a plan for restoration of the Property and a schedule for completion of the restoration. In order to maintain the tax exemption, the Owner shall complete the restoration work necessary to return the Property to the condition existing at the time of project completion on a time schedule agreed upon by the Owner and the Local Historic Preservation Office. If the Owner does not complete the restoration work on the agreed upon time schedule, the Local Historic Preservation Office will follow the procedures set forth in City Code Section 16.30.070.4.F.7. If the City Council makes a determination that that the exemption shall be revoked, the Local Historic Preservation Office shall provide written notice of the decision to the County, the Pinellas County Property Appraiser, and the Pinellas County Tax Collector, who shall take action pursuant to s. 196.1997(7), F.S. The Owner shall be required to pay the differences between the total amount of taxes which would have been due in March in each of the previous years in which the Covenant was in effect had the property not received the exemption and the total amount of taxes actually paid in those years, plus interest on the difference calculated as provided in s. 212.12 (3), F.S.

9. The terms of this Covenant shall be binding on the current Property Owner, transferees, and their heirs, successors, or assigns. This Covenant shall be enforceable in specific performance by a court of competent jurisdiction.
