Tamara – By County Resolution No. 06-70, the County does not indemnify other parties in most situations. Can FDOT modify paragraph 14 b and c of the agreement so that each party is responsible for their own acts of negligence? Please advise. Thanks.

Zachary,

I'm okay with the changes. As discussed, the construction should be completed by December 31, 2021 and the final invoice submitted by May 2, 2022.

Attached is the revised Agreement and Exhibit A.

Good Afternoon Tamara,

After reviewing the agreement there are a couple of changes that Rob made to Exhibit A and would like you to review for inclusion. Also, the date on page 1 section 3 should be corrected to 12/31/2021 rather than 08/16/2021. I have attached both documents with the revisions made. Please let me know if you have any questions or concerns. Thanks!
