Pinellas: Vacancies Announced on North Greenwood Community Redevelopment Area (CRA) Citizen Advisory Committee

Applications Due by 3 p.m. September 26, 2025

Applications are now being accepted for two appointments to the North Greenwood Community Redevelopment Area (CRA) Citizen Advisory Committee. These appointments are for two-year terms, with the initial terms expiring on September 30, 2025.

The North Greenwood CRA was proposed by the Clearwater Urban Leadership Coalition in 2019, which led to the completion of a Finding of Necessity Study by the city of Clearwater, establishing the area's boundaries, and the creation of the North Greenwood Community Redevelopment Area Plan. This plan addresses the unique needs of the neighborhood. This plan is a guiding tool for strategies and policies implemented in the CRA. The plan includes overall goals and identifies types of projects planned for the area. All expenditures of tax increment funds must be tied to the plan's implementation.

The committee shall consist of five members, with three members appointed by the City of Clearwater City Council and the remaining two members appointed by the Pinellas County Board of County Commissioners. **Members of this board are required to be homesteaded residents or owners of businesses or non-profit agencies within the boundaries of the North Greenwood CRA.** In addition, one member of the committee shall represent a CRA Trustees approved Ex Officio Organization.

A boundary map of the area can be found at [n-greenwood-cra-map-and-description.pdf \(myclearwater.com\)](#). The policies of the North Greenwood Community Redevelopment Area Advisory Committee are available at: [cwcr n greenwood cac policy 03182024.pdf \(myclearwater.com\)](#). The committee meets at a minimum, 4 times a year. The location and time of meeting is to be determined.

Applications are due by **3 p.m. on Friday, September 26, 2025**. The application can be found at www.pinellas.gov/boards.

Please note: All materials submitted to Pinellas County government are subject to the public records law of the state of Florida.
