Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

Pinellas County Utilities (PCU) is seeking approval of the First Amendment to the agreement with SAK enterprises Inc. (SAK) for flood barriers. It is further recommended by staff that the Board of County Commissioners (BCC) terminate the agreement for cause with Engineering Inspection and Restoration Services LLC (EIRS) due to their inability to perform in accordance with the terms of the agreement. The First Amendment revises the scope of work to include all flood barrier locations and reallocates the funding from the terminated agreement to SAK for a revised not-to-exceed threshold (NTET) of \$385,400.48.

Funding for this agreement is budgeted under South Cross Bayou Renewal and Replacement project 000847A, Water Facilities Annual Improvements project 003767A, and Pump Station Improvements project 000964A, included in the FY27-FY32 Capital Improvement Plan, funded by the Water Renewal and Replacement Fund and the Sewer Renewal and Replacement Fund.
