Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

Administrative Services requests BCC approval to declare surplus and sell miscellaneous County-owned equipment and vehicles. Revenues generated auctioning the vehicles purchased from the the Fleet Management Fund will be returned to the same fund to offset future vehicle replacement costs. The miscellaneous equipment and vehicles purchased from the General Fund, Special Revenue Funds and Enterprise Funds listed above will be distributed to the corresponding fund that was used to purchase the asset. Due to the nature of the auctioning process we are unable to estimate the amount the of revenue the auction may generate.
