RESPONSE TO OMB REVIEW #16-979D

CDBG Program Specific Performance Agreement – WestCare GulfCoast-Florida, Inc.

Comment:

The Staff Report states that the cities of St. Petersburg and Largo are partners, however are the cities also funding the project?

Response:

The City of St. Petersburg and the City of Largo are funding this project separately and individually, and will be administering their own grants. It is not necessary to include them in our agreements.
