Subject: Affidavit of Mailing and Legal Ad Publication

Hi Cookie,

We recently did a property owner notice mailing and ran a legal ad for land use cases that are going to our board on May 13th. However, at the time of the mailing and publication we did not have a date for the CPA public hearings. So we ran it with just the date for our meeting. We typically send a memo to you all with proof these actions were taken. But I believe that is only so when the CPA public hearing takes place the clerk can affirm it was done. Do you want the affidavits and legal ad for this even though the CPA meeting date is yet to be determined? Notices will be sent and legal ad published again when those dates are determined when the CPA resumes public hearings. I think it will be in June. Please advise your thoughts on this. Thank you.

Enjoy your weekend! 😊
