Subject: FW: 13000 Park Blvd [IWOV-FirmLive.FID1766521] (January 31st BCC/FLU-22-04 & ZON-22-05)
Attachments: Planning Report REV 12-22-22.pdf; 13000 Park Blvd [IWOV-FirmLive.FID1766521]
Categories: SENT TO BOARD REPORTERS

Good Morning,

Please see attached and email trail. This may be a duplicate; just making sure this was sent to you for the January 31st BCC.

Thank you,
Karen

Good evening,

Attached please find a Planning Report prepared by Robert Pergolizzi with Gulf Coast Consulting, Inc. in support of the application for a Map Amendment and Rezoning for the above-referenced property. We would also like to request that the conditional overlay include the following additional conditions:

1. The number of residential dwelling limits shall be limited to a maximum of 20.
2. Dwelling units shall be limited to 1- and 2-bedroom units only.
3. The dwelling units will be occupied as independent housing by a maximum of 28 persons with Development Disabilities, as defined by F.S. Section 393.063(1).
4. Permanent supportive housing services offered only to residents.
5. The height of the new structures on the property will be limited to one story. The existing 2-story structure shall be allowed to remain.
6. Front and side setbacks will meet the standards of the R-E zoning district. Specifically, the following setbacks will apply:
Front: 25 feet
Side: 15 feet
7. The rear setback shall be a minimum of 120'.

Please let me know if you have any questions.

Thanks.

Angela B. Rauber
Senior Counsel

Clearwater, FL 33760

Parcel ID # 29/30/15/70794/400/0701 & 29/30/15/70794/400/0703 (2.79 acres +/-)

I. INTRODUCTION

The subject property contains a total of 2.79 acres and is located on the south side of Park Blvd and east of 131st Street in unincorporated Pinellas County. The site has direct access/frontage to Park Blvd, a major arterial thoroughfare through Pinellas County. The existing land use designation of the subject property per the Future Land Use Plan is Residential Suburban (RS) and the existing zoning is Residential Estate (R-E) for the entire parcel.

The applicant seeks to rezone a from R-E to RM-CO with a Conditional Overlay to provide for affordable housing in single-family attached dwellings functioning as independent living for developmentally disabled persons. The applicant seeks to amend the Future Land Use Plan from RS (Residential Suburban) to RL (Residential Low). The applicant intends to use the existing house as an amenity center for the residents and construct additional 1-story duplex buildings that will house the residents. The proposed use is a Type 1 Permitted Use in the RM zone.

The area is a mixed-use area in unincorporated Seminole, located along a major arterial roadway, and contains a wide variety of retail, office, and residential uses. As such, this Land Use Plan Amendment and rezoning request is reasonable given the self-imposed limitations of the Conditional Overlay.

II. LAND USE / ZONING

The subject site is developed with a large 2-story single-family home with accessory buildings. The property is severely underutilized. The surrounding uses are as follows:

North: Park Blvd (4-lane divided arterial) North side of Park Blvd has commercial uses, including CVS with CG land use and C-1 zoning, Wells Fargo Bank, Portobello Square Shopping Center, and Winn-Dixie supermarket, on land having CG Land Use with C-2 zoning. Immediately east of Winn-Dixie are single-family homes on land having RL land use and R-2 zoning.

South: Immediately south of the subject site are homes with RS land use and R-E zoning.

East: To the east is a detached home used for independent living with 4BR/4BA, and homes on land having RS land use and R-E zoning. Further east is an ALF (Oak Tree Manor) on the corner of 128th Street on land having Institutional (I) Land Use and Limited Institutional (LI) zoning

West: Immediately to the west is the MaxHealth medical office building with R/OG land use and GO zoning, and further west are Seminole Garden Florist and Joto's Pizza with CG land use and C-1 zoning, a gas station/convenience store with CG land use and C-1 zoning on the corner of Park Blvd/131st Street which is a commercial node. South of the gas station are offices, and a martial arts gym with CG land use and C-1 zoning, and Greenbriar Manor ALF (#7555 131st St) with RS land use and R-E zoning.

The rezoning to RM-CO with the land use plan amendment to Residential Low (RL) is appropriate for this parcel which fronts on an arterial roadway and can serve as a transition between the heavy commercial to the north and west, and the lower density residential to the south and east.

The existing large lot single-family homes fronting Park Blvd with R-E zoning are an anomaly. It is very unusual for single-family homes to have direct access to an arterial road. In addition, the 4 homes immediately to the east are the only homes on the block having direct access to Park Blvd. The large lot homes are better suited for the area along 74th Avenue (Old Oakhurst Road) which is the south side of the block.

The use of this property for the intended purpose will provide affordable housing for 28 developmentally disabled residents in a residential setting that can be harmonious with adjacent residential development. This is consistent with the purpose of the "Residential Low (RL) land use category and residential zoning districts. The site meets the locational characteristics for "RL" land use having minimal impact on adjoining uses, being low density residential in nature, serving as a transition, and in areas not within the 100-year floodplain.

III. AVAILABILITY OF PUBLIC UTILITIES/TRANSPORTATION

Water service and sanitary sewer service is already provided to the site by Pinellas County Utilities. There is a 16-inch potable water main and an 8-inch sanitary sewer line directly adjacent to the site within Park Blvd Right-of-Way.

Transportation impacts are minimal. The adjacent segment of Park Blvd (113th Street – 131st Street) is reported to operate at LOS D carrying 25,230 vehicles AADT on 4-lanes per the Forward Pinellas 2021 Level of Service Report. The segment west of 131st Street operates at LOS C carrying 14,691 vehicles AADT. Based on ITE Trip Generation, 11th Edition rates for LUC 215 (Single-Family Attached Housing), the 28-residents would generate only 92 daily trips, 11 AM peak hour trips and 12 PM peak hour trips.

IV. FLOOD ZONE / HURRICANE EVACUATION ZONE

Based on FEMA data the entire site lies **within Flood Zone X which is out of the 500-year floodplain. The site is located in Hurricane Evacuation Zones “D” and “E” which are very rarely required to evacuate. The site is outside of the Coastal High Hazard Area (CHHA).** Based on SWFWMD topography the site is elevated with elevations ranging from 18 feet above sea level at the south end to 23 feet above sea level along Park Blvd. Therefore, it is very suitable for this type of housing facility.

V. COMPARATIVE IMPACTS WITH CONDITIONAL OVERLAY LIMITATIONS

A. Under the current RS land use designation the site could be developed with up to seven (7) single-family homes. (2.79 acres x 2.5 units/acre = 7) Seven (7) homes with average family size of 4 persons/household = 28 residents. Pursuant to Section 138-1 the code a family may contain up to 6 persons who are not related by blood, marriage, or adoption. = 42 residents

The Conditional Overlay limits the use to 28 residents.

B. Under the RM zoning a variety of uses are permitted, however, these uses would be precluded by the C.O. that limits the use to up to 20 single-family attached 1-story units, with a maximum of 28 residents. The normally permitted uses precluded by the C.O. include: ALF, Community Residential Homes, Dormitories, Live/Work Dwellings, Multi-family apartments, Property management offices, Short-Term Vacation Rentals, Family Daycare, Shelter/Transitional Housing.

The Conditional overlay limits the use to up to 20 residential single-family attached dwelling units occupied by 28 residents maximum who are Persons with Developmental Disabilities as defined by FS 393.063(1).

C. The proposed RM rezoning as modified by the Conditional Overlay and Concept Plan provided; will be very comparable to and in harmony with the existing residential

bulk regulations in the R-E zone. The comparison of R-E, RM, and RM-CO with the Conditional Overlay are shown below:

	<u>R-E Regulation</u>	<u>RM Regulation</u>	<u>RM w/CO proposed*</u>
Maximum Height:	35 feet	45 feet	<35 feet (1-story for new buildings)
Front Setback (min):	25 feet	10 feet	25 feet
Side Setback (min):	15 feet	5 feet	15 feet
Rear Setback (min):	20 feet	5 feet	127 feet
ISR (max):	60%	90%	40%
Open Space (min)	40%	10%	60%

* As shown on Conceptual Development Plan

- D. Per Section 138-1200 of the land Development Code: “The purpose of the Conditional Overlay (CO), is to provide for additional limitations to the underlying zoning district, to ensure compatibility with surrounding uses and consistency with the comprehensive plan and this code.”

The Conditional Overlay will invoke several limitations identified in Section 138-1202 of the code, these are: limitations on uses that are otherwise permitted in the RM zone; limiting the maximum height, increasing minimum building setbacks, reducing ISR and increasing open space. These will be consistent with R-E regulations therefore the proposed setbacks will meet or exceed the setbacks under the existing R-E zoning.

VI. CONCLUSION

The Land Use Plan Amendment to Residential Low (RL) and rezoning of the property from R-E to RM-CO with specific limitations of the Conditional Overlay is compatible with adjacent zoning districts and development in the area. The project which fronts on an arterial roadway can serve as a transition between the heavy commercial to the north and west, and the lower density residential to the south and east. The approval will provide affordable housing for persons with developmental disabilities who are capable of independent living while being in harmony with surrounding development.

[click here to hide] Permit Data

Permit information is received from the County and Cities. This data may be incomplete and may exclude permits that do not result in field reviews (for example for water heater replacement permits). We are required to list all improvements, which may include unpermitted construction. Any questions regarding permits, or the status of non-permitted improvements, should be directed to the permitting jurisdiction in which the structure is located.

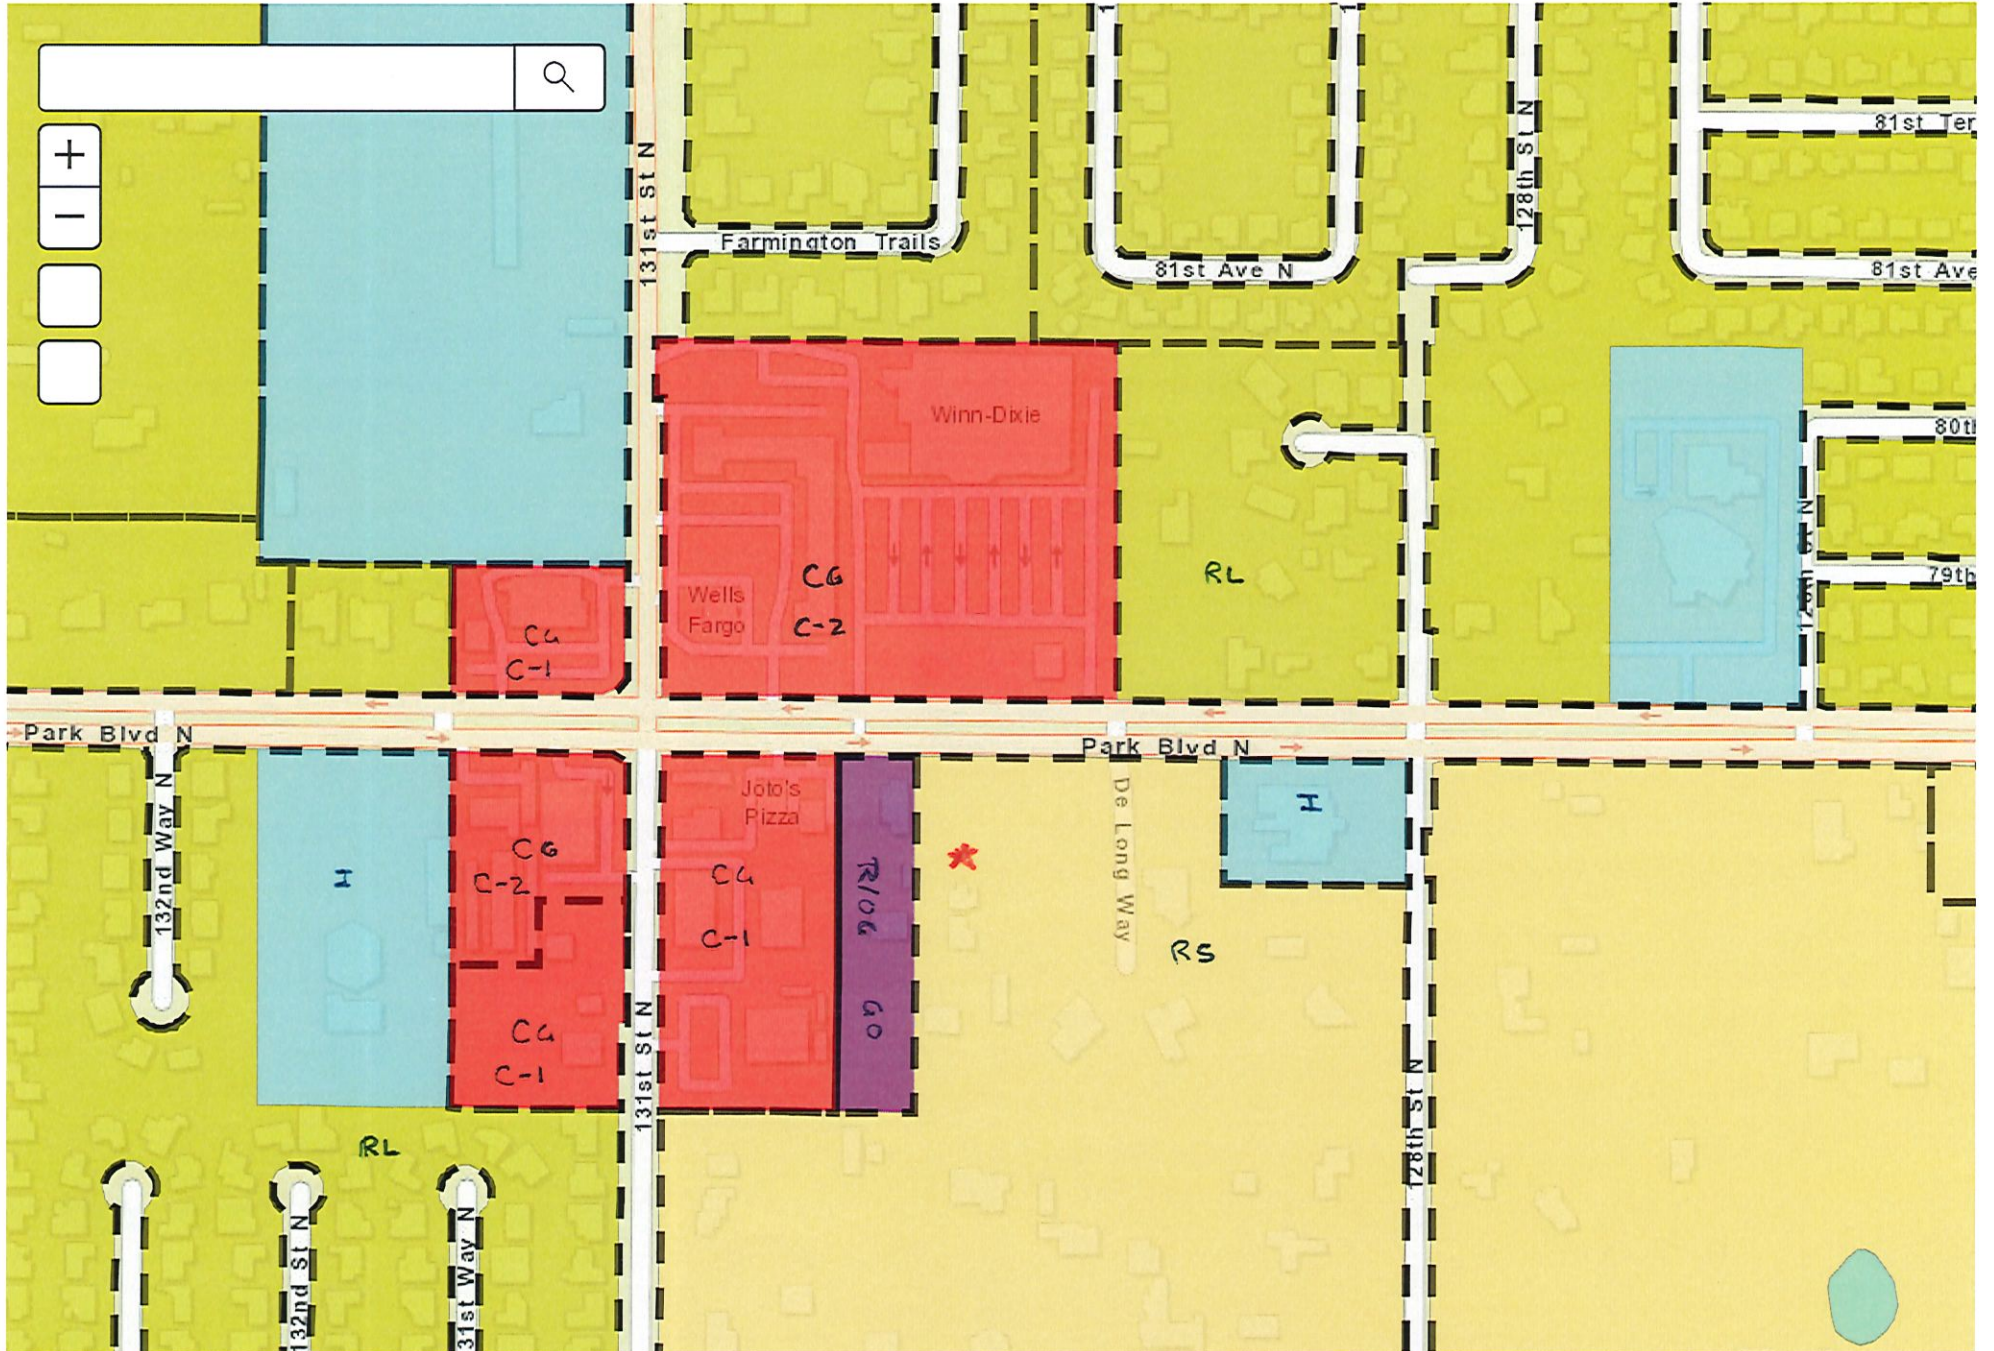

Permit Number	Description	Issue Date	Estimated Value
PER-H-CB06-07445	ROOF	26 Apr 2006	\$53,000
PER-H-CB249932	ENCLOSURE	22 Feb 2002	\$14,600

SPECIAL FLOOD HAZARD AREAS		Without Base Flood Elevation (BFE) Zone A, V, A99
		With BFE or Depth Zone AE, AO, AH, VE, AR
		Regulatory Floodway

OTHER AREAS OF FLOOD HAZARD		0.2% Annual Chance Flood Hazard, Areas of 1% annual chance flood with average depth less than one foot or with drainage areas of less than one square mile Zone X
		Future Conditions 1% Annual Chance Flood Hazard Zone X
		Area with Reduced Flood Risk due to Levee. See Notes, Zone X
		Area with Flood Risk due to Levee Zone D

OTHER AREAS		NO SCREEN Area of Minimal Flood Hazard Zone X
		Effective LOMRs
		Area of Undetermined Flood Hazard Zone D

GENERAL STRUCTURES		Channel, Culvert, or Storm Sewer
		Levee, Dike, or Floodwall

OTHER FEATURES		Cross Sections with 1% Annual Chance Water Surface Elevation
		Coastal Transect
		Base Flood Elevation Line (BFE)
		Limit of Study
		Jurisdiction Boundary
		Coastal Transect Baseline
OTHER FEATURES		Profile Baseline
		Hydrographic Feature

MAP PANELS		Digital Data Available
		No Digital Data Available
		Unmapped

The pin displayed on the map is an approximate point selected by the user and does not represent an authoritative property location.

This map complies with FEMA's standards for the use of digital flood maps if it is not void as described below. The basemap shown complies with FEMA's basemap accuracy standards

The flood hazard information is derived directly from the authoritative NFHL web services provided by FEMA. This map was exported on 11/15/2022 at 1:20 PM and does not reflect changes or amendments subsequent to this date and time. The NFHL and effective information may change or become superseded by new data over time.

This map image is void if the one or more of the following map elements do not appear: basemap imagery, flood zone labels, legend, scale bar, map creation date, community identifiers, FIRM panel number, and FIRM effective date. Map images for unmapped and unmodernized areas cannot be used for regulatory purposes.

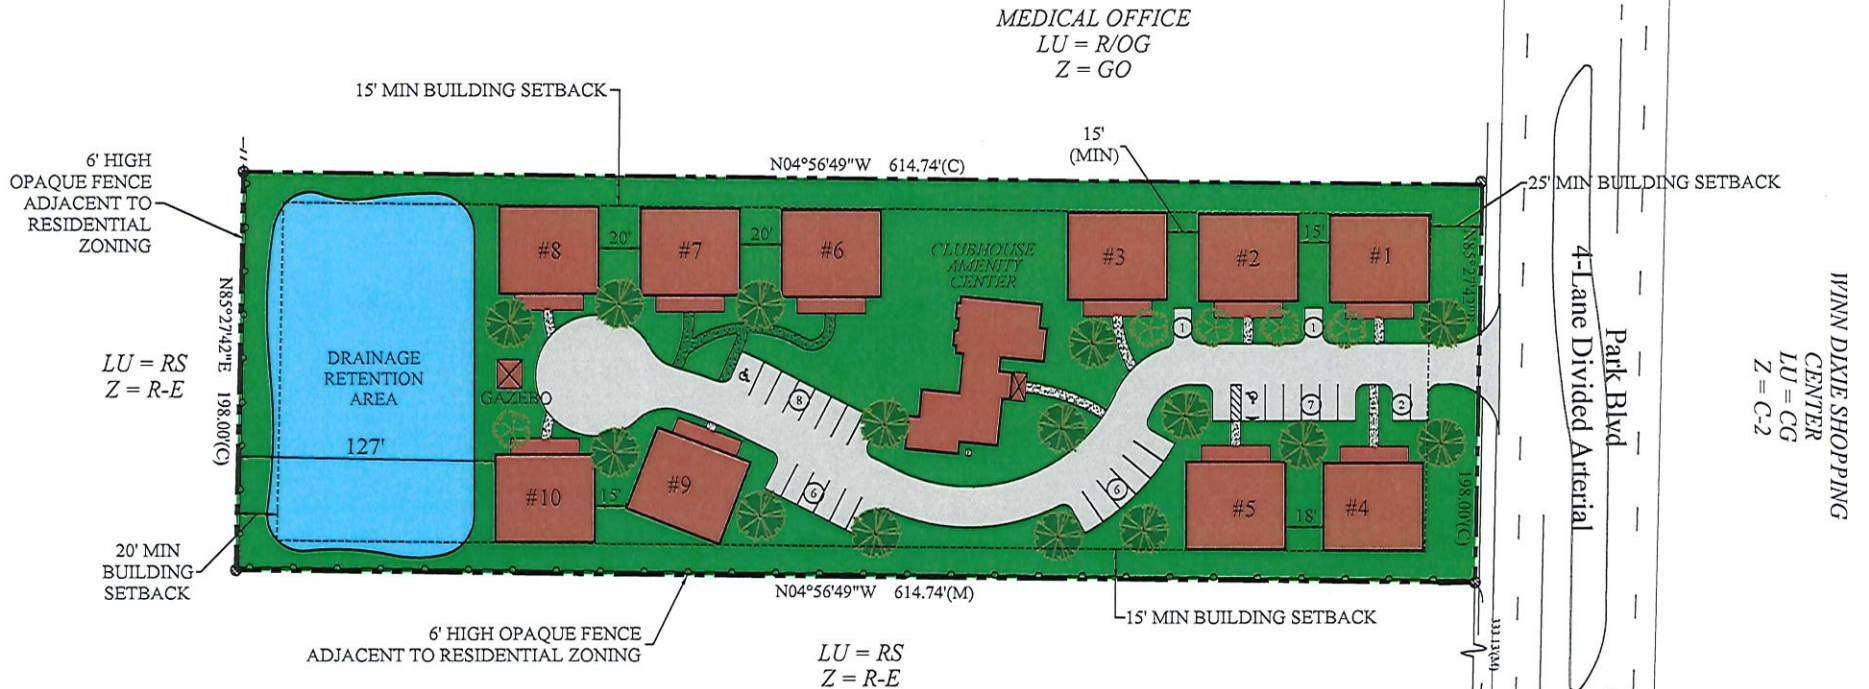

Table 138-355 – Table of Uses for Zoning Districts

LEGEND: 1 = Permitted Use / Type 1 Review 2 = Board of Adjustment and Appeals (B) / Type 2 Review 3 = Board of County Commissioners (BoCC) / Type 3 Review A = Accessory Use Blank = Use Not Allowed
 NOTES: (a) - Uses may be further defined, restricted, and/or limited in an approved Development Master Plan, regulating plan, and/or Specific Area Plan.
