Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

The Human Services Department requests that the Board of County Commissioners accept federal grant funds in the amount of \$922,179.00 from U.S. Department of Health and Human Services, Health Resources and Services Administration (HRSA). The grant supports Pinellas County's Healthcare for the Homeless Program, providing basic health care services through the Mobile Medical Unit (MMU) and Bayside Health Clinic.

The project period for the award covers three years, from March 1, 2016 through February 28, 2019, with \$922,179 allocated for the first year grant budget. This agenda item includes the recommendation that the County Administrator be delegated authority to accept additional grant funding that HRSA may award during the first year (March 1, 2016 through February 28, 2017).

The grant funds and Mobile Medical Unit expenses were anticipated during FY16 budget development, and will be included in FY17 budget development. No local match is required.
