(A) For the benefit of its citizens, the Issuer presently owns, operates and maintains the System for the collection, treatment and disposal of sewage.

(B) The Issuer has determined that it is in the best interest of the health and welfare of the residents of the County and other users of the System to issue the Series 2021A Note to refund the Refunded Bonds.

(C) The Issuer deems it necessary, desirable and in the best interest of the Issuer that the Pledged Funds be pledged to the payment of the principal of and interest on the Series 2021A Note in the manner and to the extent provided in the Original Instrument, as amended and supplemented hereby.

(D) The estimated Gross Revenues to be derived in each year hereafter from the operation of the System will be sufficient to pay Operating Expenses, the principal of and interest on the Parity Bonds, the Series 2021A Note as the same become due, and all other payments provided for in the Original Instrument.

(E) The principal of and interest on the Series 2021A Note, the Parity Bonds and all other payments provided for in the Original Instrument will be paid solely from the sources therein provided in accordance with the terms thereof; and no ad valorem taxing power of the Issuer will ever be exercised nor will the Holder of the Series 2021A Note have the right to compel the exercise of such ad valorem taxing power to pay the principal of or interest on the Series 2021A Note or to make any other payments provided for in the Original Instrument, and the Series 2021A Note shall not constitute a lien upon the System or upon any other property of the Issuer or situated within its corporate territorial limits, except the Pledged Funds.

(F) It is necessary, desirable and in the best interest of the Issuer to provide for the refunding of the Refunded Bonds in order to produce debt service savings by taking advantage of current, low, long-term fixed interest rates.

(G) Upon issuance in accordance with the terms hereof, the Series 2021A Note will constitute a Series of Additional Bonds under the Original Instrument entitled to all the security and benefits thereof.

(H) It is necessary, appropriate and in accordance with Section 6.02 of the Original Instrument that the County Commission adopt this Supplemental Resolution at this time in order to authorize the issuance of the Series 2021A Note heretofore stated based on the terms and conditions as provided herein and as authorized by the Original Instrument.

(I) The Issuer is advised that due to the present volatility of the market for public obligations such as the Series 2021A Note, it is in the best interest of the Issuer to sell the Series 2021A Note by a private negotiated sale, allowing the Issuer to enter such market at the most advantageous time, rather than at a specified advertised date, thereby permitting the Issuer to obtain the best possible price, interest rate and other terms for the Series 2021A Note; and, accordingly, the Issuer does hereby find and determine that it is in the best interest of the Issuer that a private negotiated sale, based on the method described below, of the Series 2021A Note be authorized.

(J) The Issuer's Financial Advisor solicited interest from possible lenders and based upon the ability to act quickly given the volatile market and the desire to achieve savings on a timely basis, evaluated the proposal from the Bank and has made a recommendation to select the Bank based upon its proposal and the terms thereof and hereof. The Bank has offered to purchase the Series 2021A Note, and the Issuer does hereby find and determine that it is in the best financial interest of the Issuer to accept such an offer based upon the terms provided herein.

(K) In order to modernize and update the Original Instrument the Issuer has determined to revise and amended certain terms therein as set forth in Sections 15, 16 and 17 hereof, in accordance with Section 8.02 of the Original Instrument.

**Section 4: Authorization of the Refunding of the Refunded Bonds; Escrow Deposit Agreement.**

The refunding of the Refunded Bonds is hereby authorized and approved. Simultaneously with the delivery of the Series 2021A Note to the Bank, the Issuer will enter into the Escrow Deposit Agreement in substantially the form attached hereto as Exhibit A with the Escrow Holder, which Escrow Holder is hereby appointed to act in such capacity pursuant to the Escrow Deposit Agreement. At the time the Escrow Deposit Agreement is executed, the Issuer will furnish to the Escrow Holder appropriate documentation, including a verification report from the Verification Agent, to demonstrate that the sum being deposited with the Escrow Holder pursuant to this Resolution, together with other funds deposited into the Escrow Account pursuant to the provisions of the Escrow Deposit Agreement, together with investment earnings thereon, shall be equal to the Total Debt Service for the Refunded Bonds and that such moneys and the investments to be made pursuant to the Escrow Deposit Agreement will be sufficient to produce the moneys required to make all payments described in the Escrow Deposit Agreement for the full and complete refunding and defeasance of the Refunded Bonds. The Issuer hereby authorizes the Notice of Redemption relating to the redemption of the Refunded Bonds to be given in accordance with the Escrow Deposit Agreement and the Original Instrument.

(C) All of the covenants contained in the Original Instrument shall be applicable to the Series 2021A Note in the same manner and to the same extent as they apply to the Parity Bonds. Because of the characteristics of the Series 2021A Note, prevailing market conditions,

and additional savings to be realized from an expeditious sale of the Series 2021A Note, it is in the best interest of the Issuer to accept the offer of the Bank to purchase the Series 2021A Note at a private negotiated sale. Prior to the issuance of the Series 2021A Note, the Issuer shall receive from the Bank a Bank's certificate in substantially the form of Exhibit E hereto, and the Disclosure Letter containing the information required by Section 218.385, Florida Statutes.

Notwithstanding anything herein or in the Series 2021A Note to the contrary, by acceptance of the Series 2021A Note the Holder agrees that any purchase of the Future Note in accordance with the terms of the Forward Delivery Agreement shall not constitute a prepayment of the Series 2021A Note by the Issuer, and the Issuer will therefore not owe the Holder the Prepayment Fee or any such yield maintenance fee or any penalty or premium with respect to the Series 2021A Note, as a result thereof.

(E) The Series 2021A Note shall be issued originally in a single certificate and is authorized to be in the Authorized Denomination.

The Series 2021A Note may be signed and sealed on behalf of the Issuer by such person who at the actual time of the execution of such Series 2021A Note shall hold the proper office of the Issuer, although, at the date of such Series 2021A Note, such person may not have held such office or may not have been so authorized. The Issuer may adopt and use for such purposes the facsimile signatures of any such persons who shall have held such offices at any time after the date of the adoption of this Resolution, notwithstanding that either or both shall have ceased to hold such office at the time the Series 2021A Note shall be actually sold and delivered.

(G) Upon the occurrence and continuance of an Event of Default as described in Section 7.01 of the Original Instrument, including the failure to pay principal and interest on the Series 2021A Note as described therein, interest on the Series 2021A Note shall bear interest at the Default Rate.

(H) If any payment of principal or interest due on the Series 2021A Note is not paid within fifteen (15) days after the due date, the Issuer will pay the Holder on demand a late fee in the amount of 6.00% of the overdue payment amount.

Notwithstanding anything herein to the contrary, the Series 2021A Note may only be transferred in whole and not be transferred in part under any circumstances.

The person in whose name the Series 2021A Note shall be registered shall be deemed and regarded as the absolute Holder thereof for all purposes, and payment of principal and interest on the Series 2021A Note shall be made only to or upon the written order of the Holder. All such payments shall be valid and effectual to satisfy and discharge the liability upon the Series 2021A Note to the extent of the sum or sums so paid.

**Section 8: Application of Proceeds of Series 2021A Note.**

(A) In accordance with a Closing Memorandum prepared by the Financial Advisor (the "Closing Memorandum"), at the time of the delivery of the Series 2021A Note, the Issuer is hereby authorized to apply the proceeds from the sale of the Series 2021A Note to: (i) pay the associated costs of issuance of the Series 2021A Note (including but not limited to legal and financial advisory fees and expenses); and (ii) defease and refund the Refunded Bonds as set forth in the Escrow Deposit Agreement. All capitalized undefined terms used in this Series 2021A Note shall have the meanings ascribed thereto in the Resolution.

The principal of, premium, if any, and interest on this Series 2021A Note is payable solely from and secured by a lien upon and a pledge of the Pledged Funds, in the manner and to the extent described in the Resolution, on parity as to the lien on the Pledged Funds with the Parity Bonds and any Additional Bonds issued in the future. The Series 2021A Note is not secured by any debt service fund or account. It is expressly agreed by the Holder of this Series 2021A Note that the full faith and credit of neither the Issuer, the State of Florida, nor any political subdivision thereof, is pledged to the payment of the principal of or premium, if any, or interest on this Series 2021A Note and that the Holder shall never have the right to require or compel the exercise of any taxing power of the Issuer, the State of Florida, or any political subdivision thereof, to the payment of such principal, premium, if any, and interest. This Series 2021A Note and the obligation evidenced hereby shall not constitute a lien upon the System or any other property of the Issuer, except the Pledged Funds, and shall be payable solely from the Pledged Funds in accordance with the terms of the Resolution. This Series 2021A Note is not secured by a reserve fund.

Neither the members of the County Commission of the Issuer nor any person executing this Series 2021A Note shall be liable personally hereon or be subject to any personal liability or accountability by reason of the issuance hereof.

Upon the occurrence and continuance of an Event of Default as described in Section 7.01 of the Original Instrument, including the failure to pay principal and interest on this Series 2021A Note as described herein, interest on the Series 2021A Note shall bear interest at the Default Rate.

To the extent that acceleration is provided by the Issuer as a remedy for any Additional Bonds, without further action, acceleration shall automatically be deemed to be a remedy of the Holder of this Series 2021A Note.

If any payment of principal, prepayment premium (or fee) or interest due on this Series 2021A Note is not paid within fifteen (15) days after the due date, the Issuer will pay the Holder on demand a late fee in the amount of 6.00% of the overdue payment amount.

The Issuer may prepay this Series 2021A Note on any Business Day in whole or in part upon thirty (30) days prior written notice to the Holder, provided however, in the event of any prepayment of this Series 2021A Note, the Issuer shall pay the Holder the accrued and unpaid interest on the principal amount being prepaid plus the Prepayment Fee. Any partial prepayment shall be applied in inverse order of scheduled amortization. The Prepayment Fee shall apply upon acceleration of this Series 2021A Note subject to acceleration being a remedy hereunder, which it is not as of the date hereof.

"Prepayment Fee" shall mean the greater of:

- (i) the sum of 1.00% of the principal balance being prepaid multiplied by the Remaining Term, or
- (ii) the Yield Maintenance Fee, computed as set forth below:

The Current Cost of Funds meaning the bond equivalent yield for United States Treasury securities (bills on a discounted basis shall be converted to a bond equivalent yield) with a maturity date closest to the Remaining Term, shall be subtracted from the Stated Interest Rate in effect at the time of prepayment. If the result is zero or a negative number, there shall be no Yield Maintenance Fee. If the result is a positive number, then the resulting percentage shall be multiplied by the amount being prepaid times the number of days in the Remaining Term and divided by 360. This calculation is also expressed in the following formula:

Yield Maintenance Fee = [Amount being prepaid x (Stated Interest Rate - Current Cost of Funds) x Days in the Remaining Term/360 days].

"Stated Interest Rate" means \_\_\_\_%.

"Remaining Term" means the remaining term of this Series 2021A Note (that is the period of time remaining from the date of

the prepayment to the date on which the last installment of principal outstanding hereon as of the date of the prepayment is scheduled by the terms hereof to be paid), expressed in years.

In accordance with Section 2.2 of the Forward Delivery Agreement, the Issuer may irrevocably elect to exercise its option (but not obligation) to exchange this Series 2021A Note for the Future Note. The exercise of such option and satisfaction of the conditions precedent set forth in the Forward Delivery Agreement shall cause the mandatory tender by the Holder of this Series 2021A Note on the date the Future Note is executed and delivered.

Notwithstanding anything herein or in the Resolution to the contrary, by acceptance of this Series 2021A Note, the Holder hereof agrees that the tender of this Series 2021A Note in exchange for the Future Note in accordance with the terms of the Forward Delivery Agreement shall not constitute a prepayment of this Series 2021A Note by the Issuer, and the Issuer will therefore not owe the Holder of this Series 2021A Note any penalty or premium, as a result thereof. Further, by acceptance of this Series 2021A Note, the Holder hereof has agreed and consented to certain amendments to the Resolution.

This Series 2021A Note is and has all the qualities and incidents of a negotiable instrument under the laws of the State of Florida, but may be transferred only in accordance with the terms of the Resolution only upon the books of the Issuer kept for that purpose at the office of the Registrar by the Holder in person or by such Holder's attorney duly authorized in writing, upon the surrender of this Series 2021A Note together with a written instrument of transfer satisfactory to the Registrar duly executed by the Holder or such Holder's attorney duly authorized in writing, and thereupon a new note in the same aggregate principal amount shall be issued to the transferee in exchange therefor, and upon the payment of the charges, if any, prescribed in the Resolution. The Issuer, the Registrar and any Paying Agent may treat the Holder of this Series 2021A Note as the absolute owner hereof for all purposes, whether or not this Series 2021A Note shall be overdue, and shall not be affected by any notice to the contrary. The Issuer and the Registrar shall not be obligated to make any exchange or transfer of this Series 2021A Note during the fifteen (15) days next preceding an interest payment date, or in the case of any proposed redemption of the Note during the fifteen (15) days next preceding the redemption date established for this Series 2021A Note. Notwithstanding anything herein to the contrary, this Series 2021A Note may only be transferred in whole and not be transferred in part under any circumstances.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen and to be performed precedent to and in connection with the issuance of this Series 2021A Note, exist, have happened and have been performed, in regular and due form and time as required by the Constitution and laws of the State of Florida applicable thereto, and that the issuance of this Series 2021A Note does not violate any constitutional or statutory limitations or provisions.

This Series 2021A Note shall not be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been manually signed by the Registrar.

Presentation of this Series 2021A Note for payment shall not be required but the Holder agrees that promptly following the payment in full of this Series 2021A Note it shall promptly return this Series 2021A Note marked "Paid in Full" to the Issuer.
