Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This is for the approval and execution by the County Administrator of the purchase authorization with Motorola Solutions Inc. for public safety communication communications products, services, and solutions. The Third Amendment of \$3,000,000.00 allows for the various Countywide departments to continue to replace end-of-life Motorola equipment, radios, and accessories. The revised not-to-exceed amount of \$5,700,000.00 is effective through December 31, 2026.

Funding is derived from requisitioning departments' operating funds. These include Parks, Public Works, and Utilities as well as Safety and Emergency Services. Funding is consistent and included in the Adopted FY24 budgets for the various departments and in the FY25 Requests.
