Topic Covid 19 pool reopening requirements

BCC Agenda Date 5-5-2020

Your Stand on the Issue Undecided

Comments Will the commissioners be revisiting the stringent requirements being placed on small condominium associations in order for us to reopen our pools? We do not have paid staff to clean the pools at multiple intervals during the day. We would recommend allowing us to open at 50% capacity, using social distancing, and having residents clean the chairs, tables, gates, etc. before and after use.
