General Enrollment and Eligibility Section

Requested effective date: 1/1/2022 (Actual effective date will be assigned by Aetna if this application is accepted and an agreement between Aetna and Applicant for the coverage specified herein is issued)

Renewal date: 1/1 For all Medicare Advantage HMO and PPO plans with Medicare prescription drug coverage and Standalone Medicare prescription drug plans, the renewal date must be January 1st.

Late Enrollment Penalty Attestation (Please review and complete if applying to obtain coverage under a Medicare Advantage plan with Medicare prescription drug coverage ("MA-PD plans") or Standalone Medicare prescription drug plan ("PDP"))

Pursuant to Section 1860D-13(b) of the Social Security Act and 42 C.F.R. §§ 423.46 and 423.56(g), Medicare beneficiaries may incur a late enrollment penalty ("LEP") if there is a continuous period of 63 days or more at any time after the end of the beneficiary's Medicare Part D initial enrollment period during which the beneficiary was eligible to enroll, but was not enrolled in a Medicare Part D plan and was not covered under any creditable prescription drug coverage. "Creditable prescription drug coverage" is prescription drug coverage that is expected to pay at least as much as Medicare's standard prescription drug coverage. To ease the administrative burden associated with implementation of these LEP-related procedures, the Centers for Medicare and Medicaid Services permits Aetna to accept attestations from plan sponsors wherein the plan sponsor attests to the creditable coverage history of eligible individuals submitted for enrollment in the plan sponsor's group MA-PD plan or PDP for purposes of reporting covered months. If an individual was assessed a LEP prior to the effective date of the new coverage, the individual's LEP will carry over even if the employer attests to creditable coverage. **LEP will be charged directly to the member except for the two members that were previously approved by the Applicant. Applicant will supply Aetna with two members names.**

Yes, Applicant will attest to the creditable prescription drug coverage history of all individuals submitted by Applicant for enrollment in Aetna's MA-PD plans or PDP for purposes of reporting covered months. By checking this box and signing this application, Applicant attests that all individuals submitted for enrollment in Aetna's MA-PD plans or PDPs were either previously enrolled in another Medicare prescription drug plan or had other creditable prescription drug coverage prior to applying to enroll in an Aetna MA-PD plan or PDP. Applicant understands that by signing this application, Applicant is attesting that it has read and understands the contents of this attestation and that this attestation is truthful, accurate and complete.

No, Applicant will not attest to the creditable prescription drug coverage history of all individuals submitted for enrollment in Aetna's MA-PD plans or PDPs for purposes of reporting covered months. Applicant understands that without an attestation from Applicant, all individuals submitted by Applicant for enrollment in Aetna's MA-PD plans or PDPs will be submitted by Aetna through CMS systems to determine if gaps of 63 days or more exist in creditable prescription drug coverage since the close of the individual's initial Medicare Part D enrollment period. Individuals who are identified to have such gaps of creditable prescription drug coverage will receive letters requesting that they attest to any creditable prescription drug coverage during those gaps, and these individuals may contact Applicant for assistance in determining creditable coverage history.

"Age-In" Program

Aetna executes a monthly communications program known as the "Age-in" Program. This Program provides Applicant's retirees who are approaching age 65 with timely information regarding your Aetna Medicare Plan. The "Age-in" Program currently consists of a mailing sent 2 months before the 65th birthday month and the mailing list is determined solely based on age. This means that these mailings may be sent to both Applicant's retirees and active employees who are nearing their 65th birthday. The mailing clearly indicates that only retirees and their eligible dependents (if Applicant permits dependent enrollment) are eligible to enroll in the Aetna Medicare Plan. The scope of this Program is subject to change.

Important Note: Please notify your Account Executive if your organization does not want to participate in the "Age-in" Program. If your organization does not provide this notice to your Account Executive within 30 days of the date you sign this Application, Aetna will proceed with including your organization in the "Age-in" Program.

Electronic Enrollment & Optional Mechanism Enrollment

Please check the appropriate box to document if you will use one of the following methods to enroll eligible individuals in the Aetna Medicare Plan(s) selected by you in this application:

Applicant will use electronic enrollment (choose one)? Yes No

Applicant will use optional mechanism enrollment (choose one)? Yes No

If you selected "yes" with either option, please review the following section titled "Enrollment Requirements". By signing this application, you are agreeing to the requirements in this Section.

Enrollment Requirements

The Centers for Medicare and Medicaid Services ("CMS") allows Applicant to enroll eligible individuals in an Aetna Medicare Plan using an electronic group enrollment process ("Electronic Enrollment Process") or a process referred to by CMS as the "Group Enrollment Process – Optional Mechanism" ("Optional Mechanism Enrollment Process"). With both enrollment processes, eligible individuals must be informed prior to enrollment that they can make the initial election of a new Aetna Medicare Plan by taking no action. This eliminates the need for eligible individuals to complete and submit a paper enrollment application.

If Applicant elects to use either the Electronic Enrollment Process or the Optional Mechanism Enrollment Process, Applicant must comply with all applicable laws, regulations and CMS instructions, including the following:

1. For each eligible individual that Applicant submits for enrollment to Aetna through the Electronic Enrollment Process or Optional Mechanism Enrollment Process, Applicant agrees to:
 - Provide a Summary of Benefits and all information necessary for the eligible individual to make an informed choice regarding Aetna Medicare Plan benefits, including, but not limited to, Aetna Medicare Plan rules and requirements and enrollment processes.
 - Provide written notice not less than 21 calendar days prior to the requested effective date of the eligible individual's enrollment in an Aetna Medicare Plan. This notice must advise eligible individuals that they can elect to enroll in a new Aetna Medicare Plan by taking no action, and that they will be enrolled in the Aetna Medicare Plan unless they notify Applicant of their intent to opt out of enrollment. This written notice must describe in detail the opt-out process the eligible individual must follow to decline enrollment in the new Aetna Medicare Plan.
2. Applicant acknowledges that it received from Aetna the data element and format requirements for submission of enrollment transactions to Aetna ("Enrollment Submission Requirements"), and Applicant agrees that all enrollment transactions it submits to Aetna for processing will comply with these Enrollment Submission Requirements. Applicant acknowledges and agrees that Aetna will not process an enrollment transaction submitted by Applicant that does not comply with Enrollment Submission Requirements. Applicant agrees to exclude all eligible individuals who have elected to opt out of enrollment in an Aetna Medicare Plan from any enrollment transactions submitted to Aetna for processing.

Applicant Acknowledgements and Agreements

It is agreed that no coverage shall become effective as to any person who is not then eligible for coverage under applicable laws, rules, regulations and CMS instructions ("Mandates"). All statements herein shall be deemed representations and not warranties. The Applicant acknowledges that it has selected the coverage specified herein based upon written information provided by Aetna and that no broker, agent or consultant is authorized to modify the terms of the offer or to agree to changes. Applicant has selected, in accordance with Mandates, the coverage to be offered to Applicant's retirees and Applicant has solely determined any/all coverage options for the Applicant's retirees and the contribution amounts.

The plan documents (which consist of the Evidence of Coverage and the agreement(s) between Aetna and Applicant relating to the coverage(s) specified herein ("Medicare Agreement") will determine the contractual provisions, including procedures, exclusions and limitations relating to the coverage and will govern in the event they conflict with any benefits comparison, summary or other description of the coverage. Aetna will use the e-mail address provided by Applicant in this application to send Applicant the Medicare Agreement. Applicant will notify Aetna in writing if it prefers that the Medicare Agreement be sent to a different address. Aetna and Applicant agree that the Medicare Agreement will be considered received by Applicant on the date that Aetna sends the Medicare Agreement to the e-mail address provided by Applicant (as described in this application). All data that may have a bearing on coverage or premiums will be open for Aetna to inspect while the Medicare Agreement is in force, and as required under Mandates and the Medicare Agreement. The availability of a plan or program may vary by geographic service area. "Aetna" is the brand name used for products and services provided by one or more of the Aetna group of subsidiary companies.

With the exception of Aetna Rx Home Delivery, all participating providers and vendors are independent contractors and are neither agents nor employees of Aetna. Aetna Rx Home Delivery, LLC, is a subsidiary of Aetna Inc. The availability of any particular provider cannot be guaranteed. With respect to those Aetna group Medicare plans that are network-based, provider network composition is subject to change. Notice of a change in provider network composition shall be provided to individuals enrolled in these Aetna group Medicare plans in accordance with applicable federal law. Aetna does not provide health or dental care services and, therefore, cannot guarantee any results or outcome. Some benefits are subject to limitations or maximums.
