Good Morning, Elizabeth.....

Please review the proof again for the advertisement for the **Landmark Designation Ordinance for Ozona Village Hall:**

1. In the first paragraph, should the word "Historic" be **added** before the word "Landmark"
The line would read: ".....Ozona Village Hall as a Historic Landmark and Landmark Site....."
2. In the text of the **Resolution**, on the fifth line, at the part reading "...HALL AS A LANDMARK....."
The line would read: ".....OZONA VILLAGE HALL AS A HISTORIC LANDMARK AND LANDMARK SITE....."

The information change you requested below appears to combine the two paragraphs in the Advertisement for communication with the Planning Department. The first paragraph notes the County Zoning Manager at 440 Court Street, and includes the text on the submittal of the communication on 8-1/2" x 11" paper. The second paragraph notes the Planning Department, Land Use and Zoning Division, at 440 Court Street, as well as the Board Records Department. This is the paragraph you are deleting and replacing with the brown text below, eliminating the reference to the Board Records Department.

Please review the requested changes and make any necessary adjustments, confirm that what you are requesting is correct, and that only the paragraph that you are replacing is what should be in the ad and that the paragraph before it will remain.

Subject: Nov. 10th BCC meeting ad

Hi Jim,

We are trying to get a proposed historic landmark designation on the Nov. 10 BCC meeting agenda. I am new to the process so I am not sure how much time we have to place the ad. I know there is a cut off three weeks before the BCC meeting but I am not sure how much lead time is required to accomplish that. Is it possible to get an ad run at this point and if so when is the deadline to get you the text and map for the ad?

Thanks, Chris
