

I. Background & Overview

Pinellas County collects a six-percent Tourist Development Tax ("Bed Tax") on all overnight tourism accommodations in the County. This tax is levied on customers of hotels, motels, condominiums, campgrounds, apartments and private homes that rent accommodations for less than six months in duration. The Pinellas County Board of County Commissioners ("BCC"), with input from the Tourist Development Council ("TDC"), has developed a Tourist Development Plan ("Plan") to guide how these proceeds are spent. Bed Taxes are spent, in large part, on marketing Pinellas County as a destination for leisure, business, conference, sports, film production, and other tourist travel. In support of these tourism marketing efforts, the Plan authorizes the expenditure of up to **\$3,000,000** annually for marketing special events and programs.

One of the marketing programs administrated by Visit St. Petersburg/Clearwater ("VisitSPC") is the **Elite Event & Destination Enhancement Funding Program** for events meeting the criteria to receive funding from TDT funds to be used specifically for marketing and promoting an event to potential tourists outside of Pinellas County. The goal of this program is to ensure that grant funding is awarded in a way that maximizes 1) **consistency**; 2) **return on investment and sustainability of the individual events and the overall program**; and 3) **transparency**.

The County's fiscal year begins on October 1 and ends on September 30 of the following year. Therefore, applications for Event funding are for annual events that are held within the next fiscal year after the application submittal date between October 1 and the following September 30. However, events that are annually held during either the last week of September or the first week of October are eligible to apply for funding for two annual events in those instances when both annual events fall within the same fiscal year.
