

Pinellas County Board of County Commissioners
Draft 2018 Legislative Program

I.) State Legislative Program

NEW PROPOSED ITEM

A.) Priority Issues

Issue	Position
Aging Friendly Community	Support efforts to improve services and resources for the elderly population.
Article V Court Funding	Support eliminating the requirement that counties increase certain court expenditures by 1.5 percent over the prior county fiscal year.
Beach Nourishment	Support the continuation and increase of funding for beach nourishment projects.
Building Permits	Support legislation allowing homeowners acting as their own contractors to pull online permits for additional projects instead of having to appear in person.
Community Redevelopment Areas	Oppose efforts that would preempt local governments from controlling or managing Community Redevelopment Areas (CRAs) as local economic development tools.
Construction Licensing Board	Support updating the Special Act to improve the membership structure, accountability, oversight, and transparency of the PCCLB.
Defense Contractor Incentives	Support legislation that makes incentives for defense contractors an outright reward. Currently state dollars may offset federal incentives.
Energy Policy	Support the development of a statewide energy policy.
Entertainment Tax Credit Incentives	Support entertainment tax credit incentives. On-location and indigenous commercial, film, and media production generate over \$25 million per year in Pinellas County.
Flood Insurance	Support efforts to support flood mitigation and encourage the private marketplace.
Healthcare Expansion	Support efforts to expand healthcare in Florida and draw down federal resources to expand Medicaid eligibility.
High Impact Veteran County	Support legislation establishing a "High Impact Veteran County" designation that allocates state funds to hire Veterans Service Officers in designated counties to increase services and federal benefits for Florida veterans.
High Prescriber Database	Support legislation that requires physicians to input data into the state monitoring database rather than leaving it a voluntary program.
Homelessness Funding	Support a steady source of state funding for homelessness issues that is not subject to the annual appropriations process.
Infrastructure – Resiliency	Support statewide investments to strengthen and improve the resiliency of critical infrastructure (i.e. power, transportation, and telecommunications systems).
Infrastructure – Wastewater/Stormwater	Support creation of a state program to assist with the replacement of private laterals, support funding for a regional inflow and infiltration study of all sewer systems countywide and other recommendations from the Wastewater/Stormwater Task Force.
Medicaid Dental Care	Support legislation to incentivize participation by the dental community.
Medicaid Managed Care	Support continued efforts to work through Medicaid reform initiatives to ensure timely and full payment cycles for providers.
Mosquito Control Funding	Support increased mosquito control funding available to all mosquito control districts.
Regional Transportation	Support regional transportation coordination and funding, including funding for a study of the best regional models.
Tourist Development Tax (TDT) Funds	Oppose efforts to amend or open up allowable uses for Tourist Development Tax (TDT) funds.
Vacation Rentals	Support removing the pre-emption of local regulation of vacation rental properties
Local Tax Referenda	Oppose efforts to raise the approval threshold or restrict local control over the scheduling of local tax referenda.
Open Carry	Oppose any efforts for open carry of firearms

SHIP/SAIL (Affordable Housing Trust Fund)	Oppose money from the Sadowski Affordable Housing Trust Fund being used for any purpose other than housing.

B.) Appropriations

- \$6 million in state funding for the construction, fixtures, furniture and equipment for a small business incubator on land provided by the City of St. Petersburg. The County match of up to \$4 million could be allocated from the proceeds of the sale of the STAR Center or other sources. In addition, the County will be pursuing a federal Economic Development Agency grant. The project will lead to the creation of new high-wage primary employers in the Tampa Bay area.
- \$3 million to match the local and water district contributions to improve the water quality of Lake Seminole and Boca Ciega Bay. This multi-year project will remove several tons of harmful nutrients from Lake Seminole and return the lake to a condition where it can support recreational and commercial uses.
- Support City of Tarpon Springs' funding request for the Anclote River dredging project and spoil site.
- Request state funding for a regional inflow and infiltration study of wastewater/stormwater system.
- Additional \$2 million in state funding for Lealman Community Recreation Center.
- Support state funding for the construction of a Veterans Memorial Reef.
- Request state funding for school nurses within Public Schools.
- Investments to strengthen and improve the resiliency of critical infrastructure (i.e. power grid, transportation, and telecommunications systems)
- \$6 million towards a cooperative County / State project to implement a fully functional Connected Vehicle Arterial system that can be used for operational and original equipment manufacturer (OEM) testing of a wide range of smart city and connected vehicle technologies.
