Subject: RE: Grants - New Intent to Apply Form Submitted - Florida Job Growth Grant Fund

OMB has no objection to the department submitting a grant application to the Florida Department of Economic Opportunity to obtain funding for design services for a taxiway to give future Airco tenants access to the PIE airfield.

Requested funding is \$1.9M from the Florida Job Growth Grant Fund. A County match is being proposed for \$210,820. The source of the match is the Airport Operation and Revenue Fund. The total project cost is \$2.1M. The project (000034A) is in the Proposed FY21 County Capital Improvement program for the fiscal years 2021 thru 2023.

The Board of County Commissioners signs off on this application. Please include this email when you send the application through Granicus for contract review and Board Agenda.

OPUS Project Title: Construct New GA Taxiways and Roads

Duration: Multi Year

Proposed Abstract (Project Scope of Work): Provide design services for a parallel taxiway that tracks 4,400 linear feet along the southeast side of Runway 04/22 and 3,000 linear feet along the east side of Runway 18/36. This taxiway will provide future aeronautical tenants at Airco access to the PIE airfield.

Benefit Summary (How will this benefit the County, Dept, etc?): Airco is the last undeveloped parcel in Pinellas County and per FAA regulations, the land that abuts the airfield must be made available for aeronautical tenants. Since Airco currently does not have direct airfield access, this taxiway will connect Airco with PIE.

Director Approval (Attach): Yes

Is the proposal submitted for a different Department?: No

If submitting for a different department, what is that department name?:
