**Re: Notice of St. Petersburg City Council Public Hearing on Proposed Amendments to the Intown West
Redevelopment Plan.**

Dear Mr. Burke,

As required by the Florida Community Redevelopment Act of 1969 (Sec. 163.346, FS), the City of St. Petersburg is notifying taxing authorities whose jurisdiction includes the **Intown West Community Redevelopment Area (CRA)** (see map on back) that the St. Petersburg City Council is scheduled to act on an ordinance amending the Intown West Redevelopment Plan(IWRP).

The IWRP's goal is to create an area that is largely independent of the Tropicana Field site while capitalizing on being adjacent. The IWRP was initially approved in 1990 and did not generate tax increment funds until many years later. These amendments will allow the City to continue constructing capital improvement projects and implementing public benefit programs within the Intown West CRA.

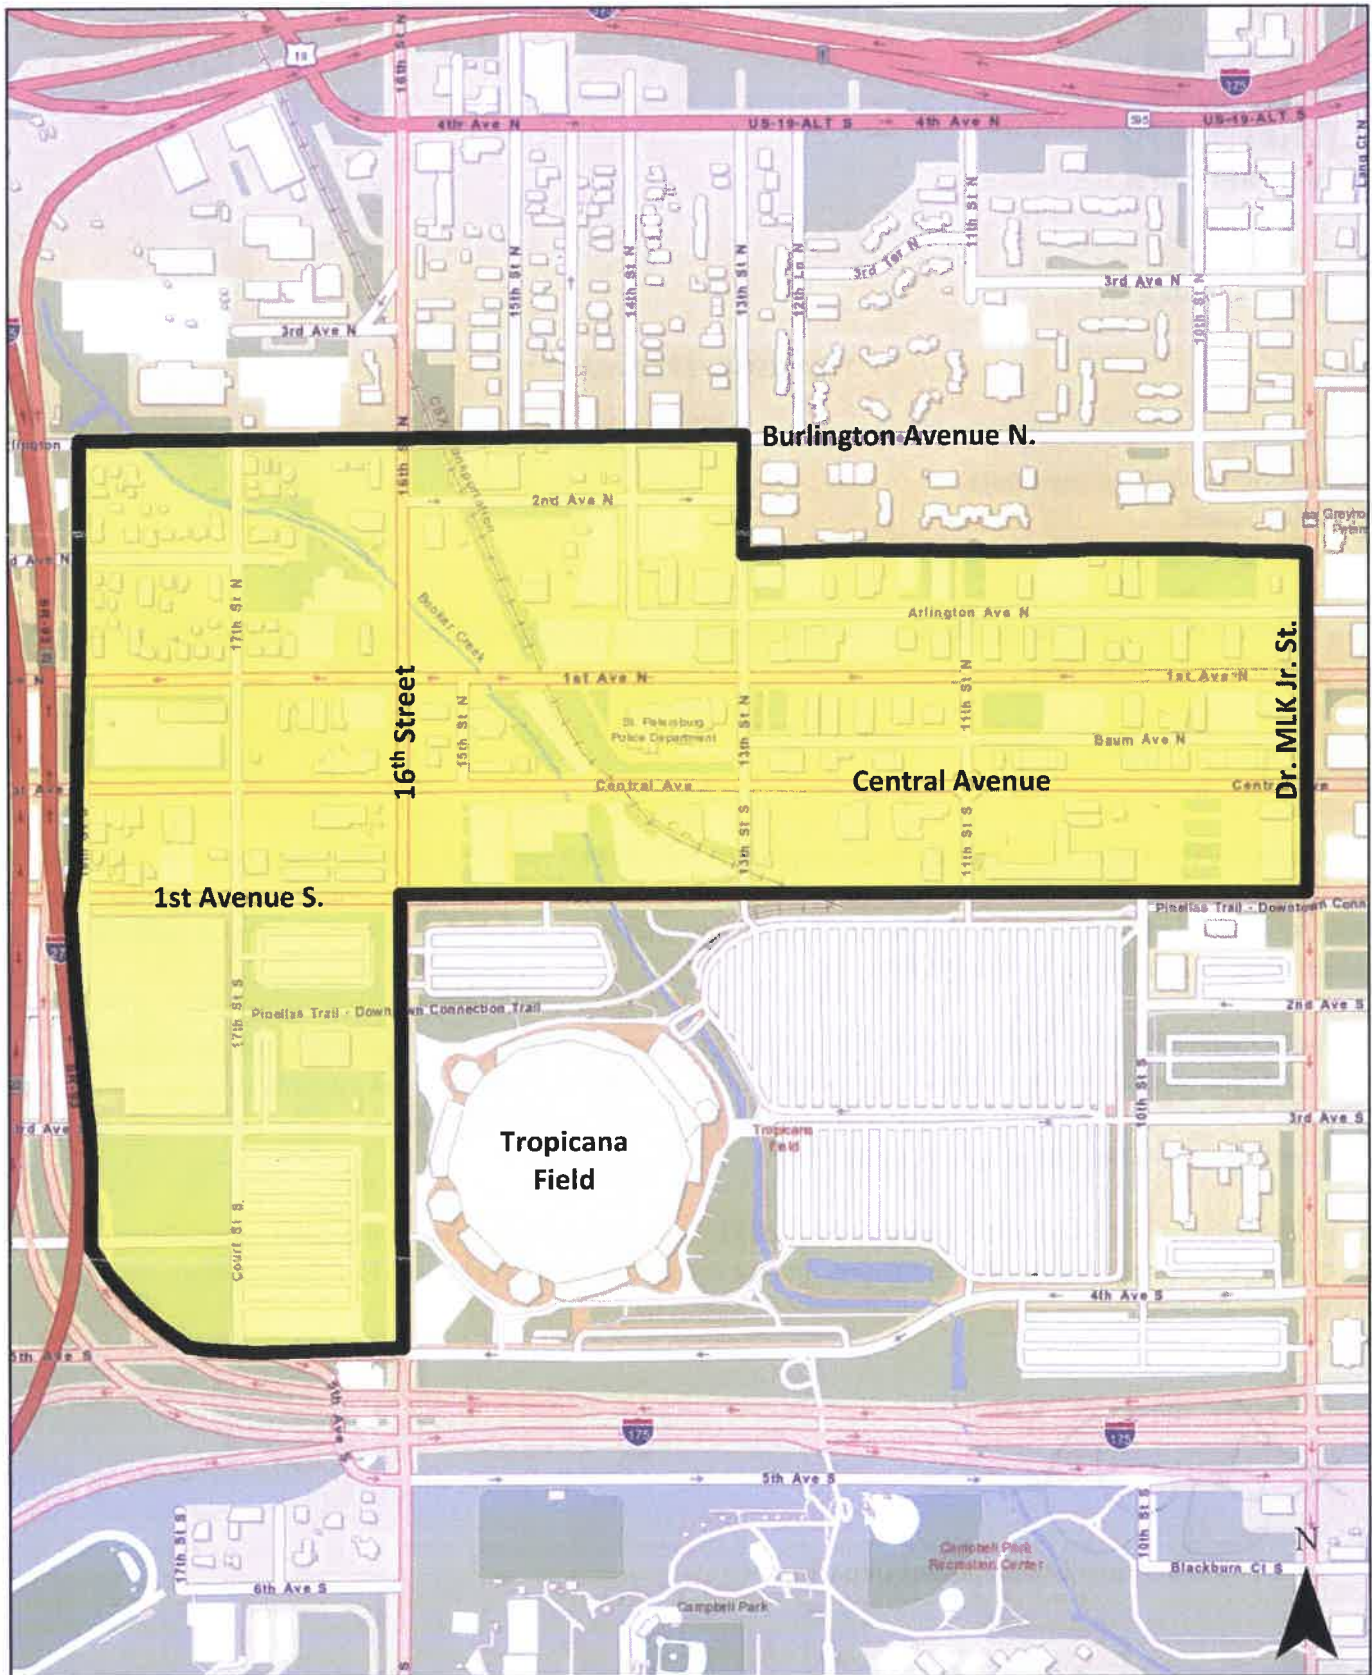

The public hearing will be held on **December 16, 2021**, beginning at **5:01 p.m.** in the City Council Chambers at City Hall, 175 5th Street North, St. Petersburg. Please contact me at (727) 893-7877 if you have any questions on the amendments.

Sincerely,

Gary L. Jones, AICP
