Dear Greg,

This is a letter of recommendation written on behalf of Dr. Jeremy White. I highly recommend Dr. Jeremy White as an alternate member of the Pinellas County EMS Medical Control Board.

I have worked with Jeremy for the past few years as the ED Medical Director of Florida Hospital North Pinellas. I have worked very closely with Dr. White on a number of initiatives and during that time he has shown dedication, knowledge and passion. Recently, Jeremy became the Associate Medical Director at Florida Hospital North Pinellas. He has adapted to his new leadership role well and continues to show great leadership within our own organization.

I am confident that Dr. White would be an exemplary addition to the EMS Medical Control Board. I would recommend Dr. White without any reservation.

Thank you,
