Does Reclaimed water "Constitutionally" fall under the 2nd Amendment, right to bear arms?
Is reclaimed water going to be used as a *chemical* and *biological* weapon? As a "Sleeper-cell"?
As aggregate, do I think our Agriculture Commissioner is *harboring an enemy within/of the state*?

The Reclaimed water "variance" application, clearly states the Applicant/the homeowner literally owes their Health and Safety.

The "variance" is claimed as a Eminent Domain contract in statute 153.03, taking title to..... (appropriating) the homeowners property in Ordinance 97-103 section 126-509, Resolution 95-286 IV (C-2), statute 380.08, 127.01, 170.09 and 298.36, "Imposed" in statute 197.363 (2)(c), "Dictated" in statute 163.3167 (1)(d).

Executive Order #13406 states to *quiet* title to property, to acquire abandoned property, to facilitate disposal. And to appropriate, exclusively!

Is George Bush "*masking*" the Real Enemy within, creating outside theatre, so to conceal an internal falsehood "*Constitutionally*" imposed (*here*) in/on this land".

Are Anti-Christian establishments behind this "*Internal (Criminal) Occupation*" of our government, undertaking constitutional rights to lay "Christianity" bare, birthing water jurisdictions in/under the 14th Amendment, ~~as bounty in section 4!~~

The Reclaimed water "variance" clearly states the literally owing of my religious convictions.

Do I think *internal* factions of our government are willing to use Subversive forms of External Perception (*as cover*) to mask, future "simultaneous" attacks, *both here in the U.S. and Israel*. Blaming others, appearing to be the victim, using *self-sacrifice*; Deception in order to pursue internal forms of *Political and Socio-Economic* conquest (Here) and elsewhere, while *filibustering* in Central America.

Do I think Guatemala's been predisposition as the new freedom frontier. As Great Brittan's New Land of Milk and Honey ("interpositioning" Israel's new hive of capitalism). As the new refuge, (conquest) intent on REPEATING the same constitutional carpetbagging (There) as what's been "*Pupated*" (Here) in on this land.

Does the theatre of all this need to be TARNISHED (Here) in this land. As it shall be done (There) in/on that land?

A future forward hindsight perspective (in/on this issue) is not that complicated of a thought to see, at this point!

By the authority vested in me as President by the Constitution and the laws of the United States of America, and to strengthen the rights of the American people against the taking of their private property, it is hereby ordered as follows:

Section 1. Policy. It is the policy of the United States to protect the rights of Americans to their private property, including by limiting the taking of private property by the Federal Government to situations in which the taking is for public use, with just compensation, and for the purpose of benefiting the general public and not merely for the purpose of advancing the economic interest of private parties to be given ownership or use of the property taken.

Sec. 2. Implementation.

(a) The Attorney General shall:

(i) issue instructions to the heads of departments and agencies to implement the policy set forth in section 1 of this order; and

(ii) monitor takings by departments and agencies for compliance with the policy set forth in section 1 of this order.

(b) Heads of departments and agencies shall, to the extent permitted by law:

(i) comply with instructions issued under subsection (a)(i); and

(ii) provide to the Attorney General such information as the Attorney General determines necessary to carry out subsection (a)(ii).

Sec. 3. Specific Exclusions. Nothing in this order shall be construed to prohibit a taking of private property by the Federal Government that otherwise complies with applicable law, for the purpose of:

(a) public ownership or exclusive use of the property by the public, such as for a public medical facility, roadway, park, forest, governmental office building, or military reservation;

(b) projects designated for public, common carrier, public transportation, or public utility use, including those for which a fee is assessed that serve the general public and are subject to regulation by a governmental entity;

(c) conveying the property to a nongovernmental entity, such as a telecommunications or transportation common carrier, that makes the property available for use by the general public as of right;

(d) preventing or mitigating a harmful use of land that constitutes a threat to public health, safety, or the environment;

(e) acquiring abandoned property;

(f) quieting title to real property;

(g) acquiring ownership or use by a public utility;

(h) facilitating the disposal or exchange of Federal property; or

(i) meeting military, law enforcement, public safety, public transportation, or public health emergencies.

Sec. 4. General Provisions. (a) This order shall be implemented consistent with applicable law and subject to the

availability of appropriations. — STATUTE 153.03(5), 380.08, 127.01, 197.303(2)(c), 153.90, EMINENT DOMAIN, FEE (SIMPLE) TITLE, FEE (SIMPLE) TITLE, RESOLUTION 95-286 IV, C-2

(b) Nothing in this order shall be construed to impair or otherwise affect:

(i) authority granted by law to a department or agency or the head thereof; or

(ii) functions of the Director of the Office of Management and Budget relating to budget, administrative, or legislative proposals.

(c) This order shall be implemented in a manner consistent with Executive Order 12630 of March 15, 1988.
