Fiscal Year(s)	Jan. 1 2021 - Dec. 31, 2025		

Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This agreement between the County and Raytheon Company will allow Raytheon to obtain Annual Facility Permits to perform service, repairs and refurbishment to the three (3) facilities that they lease without being required to have the in-process inspections by the County. An Annual Facility Permit will be issued for each trade (building/electrical/mechanical/plumbing) at each of the three (3) facilities. Each project's plans will be reviewed and logged, and the log will be sent to the County each year as an official report. The County maintains the right to perform a final inspection of any project completed in prior years as well as during the term of this agreement.

The term of this agreement is five (5) years, commencing on January 1, 2021.

This revenue associated with this agreement was included in the FY21 Adopted Budget for the Building Services Fund and will be included in the future budgets throughout this agreement period.
