RE: Petition to Release Easement – 1637 Countrywood St

Dear Ms. Wilson and/or Ms. Duvall,

- Our records do not indicate that there are Frontier Communications facilities in the area of the Plat request as per the attachment provided.
- Frontier Communications has no objection to the above referenced request as per the attachment.
- Frontier Communications has facilities within the proposed vacate area. A recordable non-exclusive Easement in favor of Frontier will be required for Frontier Communications facilities to remain in the proposed vacated R.O.W.
- Frontier Communications has facilities in the area, which may be in conflict with your proposed construction plans. Please contact Sunshine 811 by dialing 811, 2 full business days prior to the start of your work to have these facilities located for you. Please take all necessary precautions to protect and avoid damage of these facilities during your construction.
- Frontier Communications has facilities in the area, which may be in conflict with your proposed construction plans. Please send a set of construction plans and references to the Frontier Communications Engineering Department in regards to the above project.
- Frontier Communications has facilities in the area of your proposed construction. Prepayment is required to markup a set of construction plans in order to confirm and accurately depict Frontier Communications facilities. There will also be a reimbursement of all costs required for relocation/adjustments of Frontier Communications facilities needed to accommodate the proposed construction project.

Please call me if you have any questions or need any additional information at (941) 266-9218.
