INVOCATION**PLEDGE OF ALLEGIANCE****PRESENTATIONS AND AWARDS**

1. Purple Heart Day Proclamation:
Military Order of the Purple Heart - Dunedin Chapter JFK 1963
- Mal Clingan, Commander
- Father Bob Swick, Immediate Past Commander

Chair Seel noted that Father Zwick could not attend and invited Commander Clingan to the podium. She provided background information on Purple Heart recipients, presented him with a commemorative plaque, and read a proclamation recognizing August 7, 2019 as Purple Heart Day in Pinellas County; whereupon, Commander Clingan provided brief comments.

2. Doing Things! Employee Recognition Award:
- Jill Maxwell, Veterans Service Officer, Human Services

Chair Seel and Mr. Burton recognized Ms. Maxwell for her work as a Veterans Service Officer, and a video was shown highlighting her work. Commissioner Eggers provided comments.

3. Partner Presentation:
- Mayor Rick Kriseman, St. Petersburg

Mayor Kriseman conducted a PowerPoint presentation and provided background information regarding renewing the Cross Bay Ferry partnership for the upcoming season, including ridership statistics, demographics, state funding, and possible locations for docking in the City of Tampa. Responding to query by Chair Seel, he noted that he is seeking a two-year commitment from the County, subject to annual budget constraints.

During discussion, Commissioner Eggers indicated that he would like to know the total costs incurred by HMS Ferries for operating the vessel, and Commissioner Long concurred. Chair Seel noted that the Board is favorably inclined to support the partnership, contingent on the participation of the other partner governments.

Commissioner Peters related that statistics indicate that most riders are coming from their homes and not from hotels or commuting to or from their workplace; that based on zip codes, the majority of riders are residents of St. Petersburg and Hillsborough County; that there should be greater participation beyond St. Petersburg; and that hoteliers should be involved to increase ridership among tourists, and Commissioner Long concurred. In response, Mayor Kriseman discussed the challenges of serving commuters without a more robust service and noted that there may be opportunities to increase service in tandem with the new commuter ferry service for MacDill Air Force Base in Tampa, and discussion ensued.

Commissioner Eggers related that there is interest in finding ways to better utilize the many waterways in the region; and that the program seems to be a perfect model for privatization without government subsidies. In response to query by Commissioner Peters, Mayor Kriseman noted that a two-year commitment would still require budget approval of the funding each year.

Chair Seel stated that she will speak with Visit St. Pete/Clearwater leadership regarding the marketing of the Cross Bay Ferry and other ferry services operating within the county; whereupon, responding to comments by Mayor Kriseman and Mr. Burton, Attorney White indicated that the Interlocal Agreement is in the Legistar system for approval at the August 20 County Commission meeting.

BOARD OF COUNTY COMMISSIONERS

7. Petition of Travis H. Duvall and Christina N. Duvall to vacate a fifteen foot drainage and utility easement lying in Lot 70, Rolling Oaks Subdivision, Plat Book 102, pages 57 and 58, lying in section 23-27-15, Pinellas County, Florida. (Quasi-Judicial Hearing)

Hearing continued to August 20, 2019. No correspondence has been received.

Real Estate Management Director Andrew Pupke provided background information, referred to various maps and documents, and stated that the petitioners are seeking the vacation in order to provide space for a swimming pool and screened lanai. He indicated that staff recommends denial of the petition so as to preserve future utility usage and access with regards to the easement; and that there are utilities currently in the right-of-way to facilitate drainage from the residential street into the nearby pond.

Responding to queries by the members, Mr. Pupke stated that the homeowners association maintains the pond and the County is responsible for maintaining the easement; that the petitioners have an existing fence within the easement; and that the inlets to the drainage pipes through the right-of-way are located on Cypress Avenue. Development Review Services Director Blake Lyon noted that the easement should remain at 15 feet wide in order to provide proper access for equipment and to accommodate digging, regrading, and the stockpiling of materials.

In response to query by Commissioner Eggers, Mr. Pupke stated that the petitioners are asking for ten feet of the easement to be vacated; and that staff is not willing to vacate more than five feet.

Travis Duvall, Tarpon Springs, referred to a diagram of the proposed pool area, noting that the plan is to use pavers for the walkways and not poured concrete; that vacating only five feet would result in having to reduce the pool width to just seven feet; and that he and his wife began the process over a year ago; whereupon, he responded to queries by the members regarding the proposed pool and lanai, the surrounding area, and other matters.

Responding to queries by Commissioner Eggers, Assistant County Administrator Rahim Harji indicated that it is the County's responsibility to clean debris from the pond if the outflow is being constricted; that he would not be comfortable with an easement less than ten feet; and that if the petitioners are willing, staff can work with them to find an alternate solution that might work for all parties.

In response to query by Mr. Duvall, Mr. Harji stated that the pond is designed as a dry pond; and that the County may be willing to vacate a portion of right-of-way to the south, which could potentially extend Mr. Duvall's property enough to accommodate a pool in an alternate location while still preserving the easement, and discussion ensued.

A motion was made by Commissioner Long, seconded by Vice-Chair Gerard, that the item be continued until August 20, 2019. The motion carried by the following vote:

Aye: 6 - Chair Seel, Vice-Chair Gerard, Commissioner Eggers, Commissioner Justice, Commissioner Long, and Commissioner Peters
