“Aggregate millage rate’ means that millage rate obtained from the quotient of the sum of all ad valorem taxes levied by the governing body of a county or municipality for countywide or municipality-wide purposes, respectively, plus the ad valorem taxes levied for all districts dependent to the governing body divided by the total taxable value of the county or municipality. Section 200.001(8)(g), Florida Statutes.”

Tentative Aggregated Millage Rate	Rolled-back Rate	% Change
6.2054	6.0073	3.30%
