PUBLIC HEARINGS

AUTHORITIES, BOARDS, CONSTITUTIONAL OFFICERS AND COUNCILS

Countywide Planning Authority

4. [26-1150A](#) Case No. CW 26-08 - City of Clearwater (continued from July 21, 2026)
Countywide Plan Map amendment from Residential Low Medium,
Residential Medium, Residential High, Retail & Services,
Public/Semi-Public, and Office to Planned Redevelopment District,
regarding 461.2 acres more or less, generally bounded by
Sunset Point Road to the north, Kings Highway to the east, Palmetto
Street / CSX Railway / Jones Street to the south, and North Osceola
Avenue / North Fort Harrison Avenue / Clearwater Harbor to the west,
within the North Greenwood Community Redevelopment Area.

Recommendation: Sitting as the Countywide Planning Authority, adopt an ordinance
approving Case No. CW 26-08, a proposal by the City of Clearwater as
outlined above.

- The proposed amendment establishes a unified redevelopment framework intended to implement certain recommendations of the adopted North Greenwood CRA Plan.
- The proposal would allow “opt-in” bonus residential densities up to 40 dwelling units per acre, nonresidential intensities up to 1.05 FAR, and mixed-use intensities up to 1.5 FAR for qualifying redevelopment projects. These proposed maximums remain below the density and intensity thresholds permitted for the Planned Redevelopment District category.
- Future redevelopment projects utilizing the “opt-in” bonus provisions would be required to satisfy qualifying criteria and design standards established through future amendments to the Clearwater Comprehensive Plan and Community Development Code.
- The proposed amendment was found to be consistent with the Countywide Rules and Countywide Plan Strategies.
- The Forward Pinellas Board and the Planners Advisory Committee each unanimously recommended approval of the proposal.

5. [26-1153A](#) Case No. CW 26-11 - City of Clearwater
Countywide Plan Map amendment from Residential Low Medium to
Recreation/Open Space, regarding 3.4 acres more or less, located at
1399 Pineapple Lane.

Recommendation:

Sitting as the Countywide Planning Authority, adopt an ordinance
approving Case No. CW 26-11, a proposal by the City of Clearwater as
outlined above.

- The proposed amendment would maintain consistency with a concurrent Future Land Use Map amendment associated with the property's annexation in the City.
- The site is owned by the City of Clearwater, maintained by the Parks and Recreation Department, and located adjacent to existing lands within Moccasin Lake Nature Park.
- The City acquired the parcel to expand the park and intends to use the property for park, recreation, and environmental open-space purposes.
- The amendment area is currently vacant and surrounded by a mix of residential development and existing recreation/open space uses.
- Forward Pinellas and the Planners Advisory Committee each unanimously recommended approval of the proposal.

Public Works

13. [26-0174A](#) Award of contract with twelve firms for Stormwater General Engineering Consulting Services 2026-2031.

Recommendation:

Award of contract No. 26-0079-RFQ-CCNAC with twelve firms for Stormwater General Engineering Consulting Services 2026-2031.

- This contract will provide the Public Works Department with continuing professional engineering consulting services on an as-needed basis.
- Thirty-three submittals were received with award recommendation to the top twelve firms (Land & Water Engineering Science, Halff Associates, Inc., Jones Edmunds & Associates, Inc., Advanced Engineering & Design, Inc., Jacobs Engineering Group Inc., Kimley-Horn and Associates, Inc., Johnson, Mirmiran & Thompson, Inc., Stantec Consulting Services Inc., Gemini Engineering & Sciences, Inc., Geosyntec Consultants, Pennoni Associates Inc. and Applied Sciences Consulting) in the total combined amount of \$24,000,000.00 (\$2M per firm) for a five-year term, in accordance with the Consultants Competitive Negotiation Act (CCNA), per Florida Statute 287.055.
- All the prime vendors have committed to utilizing multiple-certified Small Business Enterprise (SBE) firms for engagements resulting from this contract. Percentage goals are not established for CCNA's continuing contracts. When the County utilizes a firm for an engagement, the requested department, working with Economic Development, will ensure SBEs are utilized.
- This contract is used on an as-needed basis with no obligation to spend the full amount of the contract or to spend in any given year, with the obligation occurring upon issuance of task order assignments (purchase orders). Funding is determined by the individual task order assignment sourced to the agreement, and actual expenditures are contingent upon completed work.

Authorize the Chairman to sign and the Clerk of the Circuit Court to attest

14. [26-1215A](#) Letter of community support for advancing the United States Army Corps of Engineers Section 216 Feasibility Study for the Lake Tarpon Outfall Structure and Outfall Canal through the Southwest Florida Water Management District.

Recommendation: Approval of the letter of community support for advancing the United States Army Corps of Engineers (USACE) Section 216 Feasibility Study for the Lake Tarpon Outfall Structure (S-551) and Outfall Canal (C-351) through the Southwest Florida Water Management District (SWFWMD).

- Letter of community support is for advancing USACE Section 216 Feasibility Study for S-551 and C-351 and authorization for the Chairman to sign.
- It is recommended that the County support SWFWMD request and full funding and authorization of the USACE Section 216 Feasibility Study for S-551.
- Study is essential to ensure Lake Tarpon continues to receive flood protection and freshwater management benefits the structure was designed to provide.
- High tide and storm surge events have led to overtopping of S-551 and reduction in ability for passing flood water from lake to Old Tampa Bay, increasing potential for flooding and affecting public safety and emergency response.
- Recent USACE Section 216 Assessment confirmed that changing physical conditions warrant further evaluation. SWFWMD has committed approximately \$1.5 million in matching funds for this effort.
- This letter of community support has no fiscal impact on Pinellas County.

15. [26-1148A](#) National Flood Insurance Program and Community Rating System Program Annual Report.

Recommendation: Accept the receipt and file of the National Flood Insurance Program and Community Rating System (CRS) Program Annual Report.

- Report maintenance helps the County meet Federal Hazard Mitigation Grant eligibilities.
- Report was developed through a multi-agency effort.
- Submittal of Annual Report updates to the Board of County Commissioners is required for County participation in the CRS.
- No signature is required for this report.
- Accepting this report has no fiscal impact on Pinellas County.

 - Two certified Small Business Enterprise sub-consultants were included in the award to American Infrastructure Development, Inc.; Advanced Systems Engineering, Inc. in the amount of \$163,506.92, and Master Consulting Engineers, Inc. in the amount of \$121,849.00 or approximately 17% of the total award amount.
 - This agreement is effective for two thousand three hundred twenty days after the issuance of a Notice to Proceed by the County.
 - This agreement is budgeted for in the Fiscal Year 2026 Capital Improvement Plan (CIP) Budget and six-year CIP at the St. Pete-Clearwater International Airport in the Airport Revenue and Operating Fund for the New Passenger Terminal Improvements Project (003343A). In the event that future fiscal year funding is not available, the County maintains the authority to terminate this agreement.

Contract 24-1088-RFP-CCNA; in the total not to exceed amount of 1,742,865.82, effective for two thousand three hundred twenty days from the date of Notice to Proceed; Authorize the Chairman to sign and the Clerk of the Circuit Court to attest.

19. [26-1082A](#) First Amendment to the agreement with Manhattan Construction Company, as the Construction Manager at Risk, for preconstruction services revised and rescoped Terminal improvements project at the St. Pete-Clearwater International Airport. (Companion to Item Nos. 18 & 20)

Recommendation:

Approval of the First Amendment to the agreement with Manhattan Construction Company, as the Construction Manager at Risk (CMAR), for preconstruction services revised and rescoped Terminal improvements Project (TIP) at the St. Pete-Clearwater International Airport (PIE).

- This increases the contract by \$998,570.44 for a revised not to exceed amount of \$1,373,465.44 and extends the contract by eight hundred ninety-four consecutive calendar days through December 17, 2032.
- Since award of the original agreement, the project has evolved from construction management services primarily supporting a new terminal expansion into a comprehensive TIP. The revised scope includes fourteen major project elements.
- The expanded scope has increased the overall TIP budget from approximately \$110 million to \$145 million, an increase of more than 30 percent. This significant increase in project size and complexity has expanded the scope of the CMAR's preconstruction management services necessary to develop a Guaranteed Maximum Price.
- The original contract was awarded by the Board of County Commissioners on January 14, 2025, in the amount of \$374,895.00. This agreement is budgeted for in the Fiscal Year 2026 Capital Improvement Plan (CIP) Budget and six-year CIP of PIE in the Airport Revenue and Operating Fund for the New Passenger Terminal Improvements Project (003343A). In the event that future fiscal year funding is not available, the County maintains the authority to terminate this agreement.

Contract 24-0333-RFP-CMAR; increase in the amount of \$998,570.44 for a revised not to exceed expenditure of \$1,373,465.44, effective through December 17, 2032; Authorize the Chairman to sign and the Clerk of the Circuit Court to attest.

20. [26-1067A](#) First Amendment to the design and construction administration services agreement with C&S Engineers, Inc. for the revised and rescoped Terminal Improvements Project at the St. Pete-Clearwater International Airport. (Companion to Item Nos. 18 & 19)

Recommendation:

Approval of the First Amendment to the agreement with C&S Engineers, Inc. for Preconstruction and Construction Services (design and construction administration) for the revised and rescoped Terminal Improvements Project (TIP) at St. Pete-Clearwater International Airport.

- The First Amendment increases the contract by \$7,108,169.51 for a revised not to exceed amount of \$21,439,617.26 and extends the contract by 1,132 consecutive calendar days through December 17, 2032.
- Since award of the original agreement, the TIP has been re-scoped and redesigned. The revised program now includes fourteen major project elements. and also incorporates Passenger Activity Level (PAL) 3 planning to accommodate future passenger growth.
- The expanded scope has increased the overall TIP budget from \$110 million to \$145 million, an increase of more than 30 percent. The project redesign, combined with its increased size and complexity, has expanded the architectural and engineering services required for both preconstruction and construction.
- The original contract was awarded by the Board of County Commissioners on May 21, 2024, in the amount of \$14,331,447.75.
- This agreement will be used on an as-needed basis for various projects with no obligation to spend the full contract or to spend in any given year. Funding for this agreement is budgeted for the Fiscal Year (FY) 2026-FY31 Capital Improvement Plan with the Airport Revenue and Operating Fund as the primary funding source, which could include Airport Funds, state and local grants, and charges. In the event that future fiscal year funding is not available, the County maintains the authority to terminate this agreement.

Contract 23-0146-RFP-CCNA; increase in the amount of \$7,108,169.51 for a revised not to exceed expenditure of \$21,439,617.26, effective through December 17, 2032; Authorize the Chairman to sign and the Clerk of the Circuit Court to attest.

Utilities

34. [26-1077A](#) Change Orders to the contracts with Archer Western Construction, LLC, TLC Diversified, Inc., and Caladesi Construction and Development, Inc. for Utilities Job Order Contracting.

- Recommendation:** Approval of the Construction Change Orders to Contract No. 21-0241-CP with Archer Western Construction, LLC (Archer), TLC Diversified, Inc., (TLC) and Caladesi Construction and Development, Inc., (Caladesi) for Utilities Job Order Contracting.
- These are Utilities job order-based contracts to perform work as needed for wastewater treatment and water facilities, underground utility repairs, maintenance and minor construction work.
 - These change orders add \$3,500,000.00 to TLC, \$2,250,000.00 to Archer, and \$2,250,000.00 to Caladesi for a total increase of \$8M. These amounts are tied to specific projects or work already committed or underway.
 - A one-year-time-only extension was approved to July 12, 2027 so current projects can be completed. During the term, new bid specifications will be advertised for new Job Order Based Contractors.
 - This contract is used on an as-needed basis with no obligation to spend the full amount of the contract or to spend in any given year, with obligations occurring upon issuance of work order assignments (purchase orders). Funding is determined by the individual work order assignment sourced to the agreement, and actual expenditures are contingent upon work completed.

Authorize the Chairman to sign and the Clerk of the Circuit Court to attest.
