Comments still require all persons to wear protective masks while in public spaces especially anywhere indoors. HOB on Saturday had the outside are filled with customers drinking beer but with no masks and standing very close together. Beer does not deter anyone giving or getting Covid

Comments In light of the uptick in cases i ask the board of commissioners to extend the mask mandate for Pinellas County. So far I think this has kept my elderly mother and all those with immunity issues safe from contracting covid. Thank you

Comments	PLEASE keep the mandate. It obviously helps, even if not everyone follows it. As things are getting worse, this is not the time to ease off.
