RE: Request for Countywide Plan Map Adjustment

Dear Mr. Chatman,

The City of Safety Harbor is requesting a Countywide Plan Map Adjustment pursuant to the requirements of Section 7.3.8.5 of the Countywide Rules. This request will correct the future land use categories on two residential properties. The proposed Preservation and Water/Drainage Feature Overlay categories are based on a jurisdictional wetland survey and FDEP environmental resource permit. The parcel ID's of the affected properties are 03-29-16-10188-005-0120 and 03-29-16-10188-005-0150.

Please find enclosed a copy of the current and proposed FLUM, and a copy of the FDEP permit. Additionally, we can provide your staff with the GIS files of the proposed FLUM.

If you need more information to process your review, don't hesitate to contact me or Marcie Stenmark.

Sincerely,

Michael Schoderbock, AICP
