After graduating from a Pinellas County high school, I had the pleasure of attending The University of West Florida. After graduation I remained active and served on the Alumni Board of Directors. My community engagement is vast and personal. My constant desire then and now is to serve and to help improve the quality of life for our residents and my community. As a small business owner and Pinellas native I have been fortunate to be based in our wonderful community. I have worked on issues related to safety and security in my professional sphere and have a significant amount of knowledge related to trauma and the role of trauma centers. I am deeply passionate about making sure we have the infrastructure to meet the needs of our Emergency Management Systems whose importance can never be overstated. My diverse professional and community background allows me to bring a unique and valuable perspective to this esteemed position.
