Re: Transferring of Assets to the Pinellas County Sheriff's Office

Dear Sheriff Gualtieri:

Following completion of the construction of the Jail Campus Infrastructure Building and Sheriff's Office Purchasing Warehouse, located at 14400 49th Street North, Clearwater, Florida, certain installed assets were identified for transfer to the Sheriff's Office. Respective staff members from the Sheriff's Office and the Administrative Services Department reached concurrence on the transferable assets. The attached list identifies those assets to be transferred.

The transferable assets include furniture and equipment (\$530,755.18).

Your concurrence of the transferable assets is requested. Please sign and return this letter to Andrew Pupke. The letter will be executed by the County Administrator and then included in the documentation provided to the Board of County Commissioners for their consideration of the asset transfer.

Thank you for your assistance in this matter.

Concurrence by Sheriff's Office

Bob Gualtieri, Sheriff
