Date/Time/Comments: 07/27/2018 Agreement with Pinellas County Sheriff's Office for law enforcement services by Environmental Lands Unit Deputies. Reviewed prior agreement 17-771D attached. Agreement is PE to PE. There are no insurance requirements

NOTES: The proposed contract provides law enforcement services at environmentally sensitive lands, preserves and waterways, including but not limited to Brooker Creek and Weedon Island Preserves, and the waters in and around Fort De Soto Park and Shell Key Island, which encompass over 15,940 acres. The contract period is October 1, 2018 through September 30, 2019, unless extended, terminated or modified by both parties. Since fiscal year (FY) 2001, the first year of the Environmental Lands Unit contract with the County, PCSO deputies have provided excellent security at the preserves, have shown sincere interest and have helped build community support. They have greatly diminished the trespassing, illegal dumping and poaching activity on County park and preserve properties, and work very effectively with Parks and Conservation Resources (PCR).
