#### **PART II - SECTION B**

#### **Certification Regarding Lobbying**

The declarations made on this page are under the signature of the authorized representative as identified in box 21 of form SF-424, to which this form is attached. The term "Sponsor" refers to the applicant name provided in box 8 of the associated SF-424 form.

The Authorized Representative certifies, to the best of his or her knowledge and belief, that:

- (1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the Sponsor, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- (2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Authorized Representative shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- (3) The Authorized Representative shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

#### PART II - SECTION C

The Sponsor hereby represents and certifies as follows:

**1. Compatible Land Use** – The Sponsor has taken the following actions to assure compatible usage of land adjacent to or in the vicinity of the airport:

Correct

- 2. Defaults The Sponsor is not in default on any obligation to the United States or any agency of the United States Government relative to the development, operation, or maintenance of any airport, except as stated herewith:

  Correct
- 3. Possible Disabilities There are no facts or circumstances (including the existence of effective or proposed leases, use agreements or other legal instruments affecting use of the Airport or the existence of pending litigation or other legal proceedings) which in reasonable probability might make it impossible for the Sponsor to carry out and complete the Project or carry out the provisions of the Grant Assurances, either by limiting its legal or financial ability or otherwise, except as follows:

Correct

**4. Consistency with Local Plans** – The project is reasonably consistent with plans existing at the time of submission of this application) of public agencies that are authorized by the State in which the project is located to plan for the development of the area surrounding the airport.

# **PART IV – PROGRAM NARRATIVE**

(Suggested Format)

AIRPORT: St. Pete-Clearwater International Airport
1. Objective:  This project involves the preparation of plans and specifications and construction for the pavement rehabilitation of Runway 18-36 at the St. Pete-Clearwater International Airport. The existing pavement exhibits various types of distresses, such as weathering, and longitudinal/transverse cracking. The most recent Pavement Condition Index Study notes PCI values ranging from poor to satisfactory. The safety areas, shoulder widths, blast pad dimensions, and edge lighting will be rehabilitated to current airport design standards.
2. Benefits Anticipated: The rehabilitation of PIE's primary runway will improve safety, allow for increased load bearing capacity, and will
preserve airport infrastructure by providing a long-life pavement.
3. Approach: (See approved Scope of Work in Final Application)
The approved Scope of Work is contained in the attached document drafted by Kimley Horn dated May 14, 2018 and titled "Professional Services for Rehabilitation of Runway 18-36, St. Pete-Clearwater International Airport, Contract No. 178-0102-NC (SS)".
4. Geographic Location: St. Pete-Clearwater International Airport. Clearwater, Florida

#### **Certification Regarding Lobbying**

The declarations made on this page are under the signature of the authorized representative as identified in box 21 of form SF-424, to which this form is attached. The term "Sponsor" refers to the applicant name provided in box 8 of the associated SF-424 form.

The Authorized Representative certifies, to the best of his or her knowledge and belief, that:

- (1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the Sponsor, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- (2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Authorized Representative shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- (3) The Authorized Representative shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

#### PART IV - PROGRAM NARRATIVE

(Suggested Format)

**PROJECT:** Customs and Border Protection Upgrades

AIRPORT: St. Pete-Clearwater International Airport

#### 1. Objective:

This project involves the complete renovation of the existing Federal Inspection Services (FIS) facility to meet the new 2017 CBP Airport Technical Design Standards (ATDS). The project involves the demolition and remodel of the existing interior space and includes, but is not limited to, the construction of new wall systems, new interior finishes, a new baggage handling system, new equipment and furniture, a new public address system, new access control, security and surveillance systems and associated mechanical, electrical, fire systems, plumbing and network infrastructure.

#### 2. Benefits Anticipated:

This project advances AIP airport security policy, as well as, preserves airport infrastructure through reconstruction of the existing FIS facility to meet the 2017 ATDS. This project will allow PIE to begin processing post-cleared international passengers again, as PIE is not able to now.

#### 3. Approach: (See approved Scope of Work in Final Application)

This project was competitively bid and the bids opened on May 30, 2018. The project construction duration is expected to be approximately 9 months. Avcon reviewed the bid tabulation provided by Pinellas County Purchasing Department and inserted the Engineer's Estimate. Some mathematical errors were found and notated on the Bid Tabulation.

We expect the contractor to submit a schedule at the Pre-Construction conference. The schedule will be closely monitored by PIE staff and the Resident Project Representative to ensure that the schedule will be adhered to as closely as possible.

We expect to schedule the Pre-Conference conference as soon as the Board of County Commissioners approves the grant and we receive the fully executed document. That meeting we expect to have in late September, 2017 and officially kick the project off in late October 2018. The project should be completed in summer, 2019.

PROJECT: Rehabilitate Airport Security System

AIRPORT: St. Pete-Clearwater International Airport

#### 1. Objective:

This project involves upgrading the current security system at St. Pete-Clearwater International Airport. Project work involves the replacement of the existing access control system; closed circuit television and video management system; and security badging system. Project work also includes upgrades to existing fencing and gates around the secured perimeter of the airport as well as the remodeling of interior office spaces to accommodate the updated security, badging and computerized training systems.

#### 2. Benefits Anticipated:

This project advances AIP airport security policy, as well as, preserves airport infrastructure by bringing existing terminal components up to FAA and TSA best practices and standards. All equipment shall meet the requirements of 49 CFR Part 1542.

#### 3. Approach: (See approved Scope of Work in Final Application)

This project was competitively bid and the bids opened on May 30, 2018. The project construction duration is expected to be approximately 450 calendar days. Avcon reviewed the bid tabulation provided by Pinellas County Purchasing Department and inserted the Engineer's Estimate. Some mathematical errors were found and notated on the Bid Tabulation.

We expect the contractor to submit a schedule at the Pre-Construction conference. The schedule will be closely monitored by PIE staff and the Resident Project Representative to ensure that the schedule will be adhered to as closely as possible.
