Commissioner Seel,

I am writing you to express my support for the North Pinellas Trail Loop. As a Countryside resident I am very pleased that this section of the Pinellas Trail will be open in our area. I have been looking forward to being able to use the trail for recreation and as an alternate mode of travel to dealing with the increasing road traffic.

It is my sincere hope that the Commission will move forward with the current design. The negative aspects of the alternate McMullenbooth road route will decrease safety for residents wanting to use the trail as well as adversely impact vehicle traffic.

I appreciate your consideration.

Thank you,

Ron Larkins

Dear Commissioner Seel, my wife and I are regular users of the Trail, often riding it 3, 4 or 5 days a week. I serve on the Bicycle-Pedestrian Advisory Committee and my wife and I are also Auxillary Rangers. We feel very fortunate to have this resource available to us for exercise and enjoyment, and look forward to the total completion of the eastern leg of the trail so that it forms a complete loop! We hope that you and your fellow commissioners will do everything in your power to see that this project is completed asap! Thank-you, Mike and Donna Siebel, 5272 52nd Ave. No., St. Petersburg, FL 33709

I strongly urge you and your fellow commissioners to start construction on the northeastern section of the Pinellas Trail. It will complete the gap to the northern route. It was planned, designed, engineered, zoned and approved to be completed by the end of 2020. The funding has long been approved and needs to be completed by the end of 2020. This is a plan for recreational, business, and tourist use of the Pinellas Trail. J. Hirschfield, M.D., V.P. Pinellas Trails, Inc.; Auxilliary Ranger for PC Parks, and living in Countryside.

Dear Commissioner Seel,

My wife and I are property owners in Largo, although we only reside there in the winter months. We especially enjoy riding the Pinellas trail on 3-4 days a week and have been eagerly anticipating the planned expansion of the loop. We hope your committee will push ahead with it's progress.

Sincerely

Thanks for your email of support for completing the Trail. The Commissioners are scheduled to have this discussion at a work session on June 20th. The public meeting begins at 9:30 a.m. with a joint meeting with the Tourist Development Council; the Trail discussion will be after the joint meeting.

They will be meeting at the Public Works campus at 22211 U.S. Hwy 19 N., Clearwater, 2nd floor conference room.

Thanks for your interest!
