### **R E C I T A L S:**

A. **SD ST PETE 454, LLC**, a Florida limited liability company ("**Borrower**") is the owner of certain real property located in Pinellas County, Florida, as more particularly described in **Exhibit A** attached hereto (the "**Land**").

B. Borrower has developed a residential rental project on the Land (the Land, together with any improvements now or hereafter located thereon, is herein called the "**Project**").

C. The County provides funding for affordable housing for eligible persons as defined by the Penny for Pinellas Affordable Housing Program (the "**Program**") in accordance with Section 212.055(2)(d)3, Florida Statutes.

D. Borrower applied to the County for funding under the Program as part of the financing needed for the construction of the Project.

E. The County determined that the Project satisfies the eligibility requirements of the Program and subject to the terms of the following documents (collectively, the "**County Documents**"), the County funded under the Program the sum of Four Million and 00/100 Dollars (\$4,000,000) (the "**County Loan**") to Borrower in connection with the construction of the Project:

(1) Land Use Restriction Agreement Penny for Pinellas Affordable Housing Program (the "**LURA**") between Borrower and the County recorded as Instrument No. 2022051922 of the Public Records of Pinellas County, Florida (the "**Records**");

(2) the Affordable Housing Development Program Agency Agreement between Borrower and the County dated February 3, 2022 (the "**Agency Agreement**");

(3) the Promissory Note dated December 1, 2021, made by Borrower to the County (the "**County Note**"); and

(4) the Mortgage from Borrower to the County dated December 1, 2021 and recorded as Instrument No. 2022051921 of the Records (the "**County Mortgage**"). The County Note and the County Mortgage are collectively called the "**County Loan Documents**" herein. The County Loan and all indebtedness and obligations of Borrower to the County in connection with the County Loan, and all renewals, extensions and modifications thereof, together with all other sums due thereon and all costs of collecting the same (including, without limitation, reasonable attorneys' fees) are collectively called the "**County Debt**" herein.

F. Pursuant to the County Documents, the County is the owner and holder of (i) certain rights to restrict 125 units in the Project for affordable workforce housing (the "**Affordable Housing Restrictions**"), and (ii) certain lien rights (the "**Lien Rights**") encumbering the Project.

G. Pursuant to the Loan Agreement, Lender is making a loan to Borrower in the aggregate principal amount of \$115,000,000.00 (the "**Senior Loan**") for the acquisition, development and construction of the Project, and in connection therewith:

(1) Borrower has executed and delivered to Lender dated on or about the Effective Date, that certain Amended, Restated, Consolidated and Increased Promissory Note in the aggregate principal amount of the Senior Loan (such note, as the same may be renewed, extended, modified, replaced, increased or supplemented from time to time, being hereinafter called the "**Senior Note**"); and

(2) Borrower has executed an Amended and Restated Mortgage, Assignment of Leases and Rents and Security Agreement in favor of Lender, dated on or about the Effective Date, which (i) encumbers the Property, (ii) secures payment of the Senior Note, and (iii) is being recorded in the Public Records of Pinellas County, Florida,

contemporaneously with the recordation of this Agreement (as modified or amended from time to time, the "**Senior Mortgage**"). The Senior Loan and all indebtedness and obligations of Borrower to Lender in connection with the Senior Loan, and all renewals, extensions and modifications thereof, together with all other sums due thereon and all costs of collecting the same (including, without limitation, reasonable attorneys' fees) are collectively called the "**Senior Debt**" herein.

H. Lender has no obligation to make the Senior Loan unless the County Debt is subordinate to the Senior Debt, and the lien, operation and effect of the County Mortgage is subordinate to the lien, operation and effect of the Senior Mortgage.

I. Lender has required that this Agreement be executed and delivered by the County as a condition precedent and material inducement to its agreement to provide Borrower with the Senior Loan.

**NOW, THEREFORE**, for and in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Recitals. The above recitals are true and correct and are incorporated herein by reference.

2. Representations and Warranties. The County represents to Lender that:

(a) The County has delivered to Lender true and complete copies of the County Documents, and no other documents evidencing the Lien Rights or the Affordable Housing Restrictions exist.

(b) The County Loan Documents are the only documents evidencing and/or securing the County Debt, the Property is the only collateral for the County Debt, and the County Loan is due, payable and forgivable according to the terms of the County Note.

(c) Neither the County nor Borrower is in default under any of the County Documents. The County has no knowledge of any event which, but for the passage of time, the giving of notice or both, would constitute an event of default under the County Documents by the County or Borrower.

(d) There is no defense, offset, claim or counterclaim by or in favor of the County against Borrower under any of the County Documents or against the obligations of the County under the County Documents.

3. Subordination. The County hereby subordinates (i) all of its Lien Rights to the lien, operation and effect of the Senior Mortgage and the rights and interests of Lender with respect to

the Senior Debt, (ii) the County Debt and all right, title and interest of the County in and to the County Debt to the Senior Debt and all right, title and interest of the Lender in and to the Senior Debt, and (iii) the lien, operation and effect of the County Mortgage to the lien, operation and effect of the Senior Mortgage; **provided, however**, that Lender hereby consents to and subordinates the lien of the Senior Mortgage to the Affordable Housing Restrictions and agrees that the Affordable Housing Restrictions shall survive any foreclosure, deed in lieu of foreclosure and/or exercise of any remedy by Lender pursuant to the Senior Mortgage. Without limiting the foregoing, the County hereby acknowledges that Lender has and shall hereafter have a first priority lien on and security interest in and to the Land the Project. Nothing contained herein is intended or shall be construed to limit the right of Lender and Borrower to cause the Senior Mortgage to secure payment of the entire Senior Debt.

4. Enforcement.

(a) Until such time as the Senior Debt and all other obligations of Borrower to Lender under the Loan Agreement, the Senior Mortgage and the other documents evidencing and/or securing the Senior Debt have been paid in full, the County shall not: (i) sell, assign, transfer, encumber or subordinate (other than pursuant to this Agreement) all or any portion of the County Debt; (ii) commence or join in the prosecution of any judicial or non-judicial action or proceeding against Borrower (including without limitation a foreclosure of the County Mortgage or any *in rem* action relating to the Project); and/or (iii) demand or accept any payment (whether in cash or property, and whether received directly, indirectly or by set-off, counterclaim or otherwise) in respect of any indebtedness from Borrower to the County without Lender's prior written consent, which may be withheld by Lender in the exercise of its sole and absolute discretion and if any such payments are received by the County, then such payments shall be kept separate from other funds, shall be held for the benefit of Lender, and shall be paid to Lender immediately upon demand by Lender.

(b) The provisions of this Agreement shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against Borrower or any member or manager thereof under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization or relief of debtors (a "**Proceeding**"). Furthermore, this Agreement and the subordinations contained herein shall apply notwithstanding the fact that all or any part of the Senior Debt or any claim for or with respect to the Senior Debt is subordinated, avoided or disallowed, in whole or in part, in any Proceeding or other applicable federal, state or foreign law. Without limiting the foregoing, the County expressly covenants and agrees that this Agreement is enforceable under applicable bankruptcy law and should be enforced under Section 510(a) of the United States Bankruptcy Code. Until such time as the Senior Debt has been paid in full, the County shall not, and shall not solicit any person or entity to, direct or cause Borrower or any of the persons or entities that control Borrower (the

**"Borrower Group")** to: (i) commence any Proceeding; (ii) institute proceedings to have Borrower or any manager or member thereof adjudicated a bankrupt or insolvent; (iii) consent to the institution of bankruptcy or insolvency proceedings against Borrower or any member or manager thereof; (iv) file a petition or consent to the filing of a petition seeking reorganization, arrangement, adjustment, winding-up, dissolution, composition, liquidation or other relief by or on behalf of Borrower or any manager or member thereof; (v) seek or consent to the appointment of a receiver, liquidator, assignee, trustee, sequestrator, custodian or any similar official for Borrower or any manager or member thereof, or any collateral securing the Senior Debt (or any portion thereof); (vi) make an assignment for the benefit of any creditor of Borrower or manager or member thereof; (vii) seek to consolidate any assets of Borrower or any manager or member thereof with the assets of the any member of the Borrower Group in any proceeding relating to bankruptcy, insolvency, reorganization or relief of debtors; or (viii) take any action in furtherance of any of the foregoing.

(c) The County shall not initiate or join in the filing of an involuntary petition under the Bankruptcy Code or the commencement of any other Proceeding against Borrower or any manager or member thereof. The County hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action in any Proceeding (including, without limitation, any action under Section 105 of the Bankruptcy Code) with respect to the County Debt or the County Loan Documents in any case by or by or against Borrower or its property without the prior written consent of Lender, which may be granted or withheld in Lender's sole and absolute discretion.

(d) In the event of the commencement of any Proceeding by or against Borrower or any manager or member thereof, (i) Lender may vote in such Proceeding and all claims of the County, and (ii) the County shall not challenge the validity or amount of any claim submitted in such Proceeding by Lender in good faith or any valuations of the Senior Debt collateral submitted by Lender in good faith, in such Proceeding or take any other action in such Proceeding, which is adverse to Lender's enforcement of its claim or receipt of adequate protection (as that term is defined in the Bankruptcy Code). In furtherance of the foregoing, the County hereby assigns to Lender the right to vote all of the County's claims, including the right to approve or object to any plan of reorganization, in any Proceeding with respect to Borrower (or any general partner or managing member thereof), the County Debt or the County Loan Documents. In the event that such assignment shall be held invalid or unenforceable, then the provisions hereof prohibiting the right of the County to make any election, vote on any plan of reorganization, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action in any proceeding without the prior written consent of Lender shall not be affected thereby. Lender shall be free to exercise such voting rights as Lender shall determine in its sole and absolute discretion, and Lender shall have no duty or obligation

to file, prosecute, pursue or protect any such claim and shall otherwise have no duties, liabilities or obligations to the County with respect thereto. Without in any way limiting the generality of the subordinations set forth in this Agreement, the County agrees that, upon the request of Lender, the County shall do, execute, acknowledge and deliver to Lender each and every such further act, deed, conveyance and instrument as Lender may request for more fully effectuating the foregoing appointment and grant and assignment of such voting rights.

5. Other Agreements.

(a) The County agrees that (i) Lender is and shall be a third-party beneficiary of the County's covenants and agreements under the County Documents with respect to the Property, and (ii) notwithstanding anything to the contrary contained in the County Documents, such covenants and agreements by the County shall not be conditioned on the absence of a default (or of any event that with notice or the passage of time, or both, would constitute a default) under the County Documents.

(b) In the case of any default by Borrower under the County Loan Documents (a "**County Loan Default**"), the County agrees to deliver a default notice to Lender. Lender shall have the right, but not the obligation, to cure any County Loan Default within ninety (90) days from the date on which it receives the default notice from the County; provided, however, if such default may not reasonably be cured within such 90-day period, Lender shall have a longer period so long as Lender shall diligently and continuously endeavor to cure the same. All amounts advanced or expended by Lender to cure a County Loan Default shall be deemed to have been advanced by Lender pursuant to, and shall be secured by the lien of, the Senior Mortgage. However, no payment to Lender pursuant to the provisions of this Agreement shall entitle the County to exercise any rights of subrogation in respect thereof until all Senior Debt is finally and unavoidably paid in full. For purposes of clarity, "finally and unavoidably paid in full" under this Agreement shall be deemed to have occurred if, within ninety (90) days after either the Senior Debt is paid in full or Lender accepts payment of less than the full amount of the Senior Debt as payment in full, no voluntary or involuntary petition has been filed by or against Borrower under any chapter of the Bankruptcy Code, Title 11, U.S.C.A. or any local, state, federal or other insolvency laws or laws providing for relief of debtors, seeking relief, protection, reorganization, liquidation, dissolution, assignment for the benefit of creditors or similar relief.

(c) The County agrees to provide estoppel certificates confirming the status of the County Loan within thirty (30) days of Lender's request.

6. Modifications. Lender may, without notice to the County, extend, renew, modify or increase the Senior Debt and may substitute, exchange or release collateral, guarantees, or letters

of credit securing payment of the Senior Debt, or any part thereof, and may add or release any debtor or any guarantor of or surety on the Senior Debt. Without the prior written consent of Lender, the County shall not extend, renew, modify or increase the County Debt, or permit Borrower to incur additional debt to the County in connection with the Project.

7. Notice. All notices which are required or permitted hereunder must be in writing and shall be deemed to have been given, delivered or made, as the case may be (notwithstanding lack of actual receipt by the addressee) (i) three (3) days after having been deposited in the United States mail, certified or registered, return receipt requested, sufficient postage affixed and prepaid, or (ii) one (1) day after having been deposited with an expedited, overnight courier service (such as Federal Express), addressed to the party to whom notice is intended to be given at the address set forth in the preamble to this Agreement. Any party shall have the right to change such party's address for notice hereunder to any other location within the continental United States by the giving of fifteen (15) days' notice to all other parties in the manner set forth herein.

8. Termination. This Agreement and the subordination granted herein shall terminate when the Senior Debt is finally and unavoidably paid and discharged. The Senior Debt shall be deemed not to be paid in full, for purposes of this Agreement, so long as Lender has any obligation or option with respect to any of the Senior Debt, to make further advances to Borrower or to protect the collateral for any of the Senior Debt. This Agreement and the subordination granted herein shall continue to be effective or be reinstated if any payment of the Senior Debt is rescinded, avoided, or for any reason returned by Lender because of any adverse claim or threatened action as though such payment had not been made.

9. Remedies. Upon violation of this Agreement by the County, Lender may accelerate the maturity of the Senior Debt so that all Senior Debt is immediately due and payable. The County shall pay to Lender all sums received by the County paid in violation of this Agreement. Lender is entitled to specific performance of this Agreement, and the County waives any defense based upon adequacy of a remedy at law which may be asserted as a bar to the remedy of specific performance. No failure on the part of Lender to exercise or delay in exercising any right or remedy hereunder shall operate as a waiver thereof nor shall any partial exercise of any rights or remedies hereunder preclude any other or further exercise of such or additional rights or remedies. The remedies provided herein are cumulative of any other remedies provided by law or otherwise available to Lender.

10. Assignment of and Participations in Senior Debt. The County acknowledges that Lender has the right to sell, assign, transfer, negotiate or grant participations or any interest in, any or all of the Senior Debt and any related obligations, including, without limitation, this Agreement. In connection with the above, but without limiting its ability to make other disclosures to the full extent allowable, Lender may disclose all documents and information which Lender now or later has or acquires relating to the County and this Agreement, however obtained. The County further

agrees that Lender may provide information relating to this Agreement or relating to the County to any parent, affiliates, subsidiaries and service providers of Lender.

11. Waiver or Modification of Rights. No waiver of any rights under this Agreement shall be effective unless the waiver is in writing and signed by the party waiving such rights. No modification of this Agreement shall be effective unless signed by all parties to this Agreement. Each waiver or modification shall be a waiver or modification only with respect to the specific matter to which the waiver or modification relates and shall in no way impair the rights or the obligations of the parties hereto in any other respect.

12. Binding Effect; Governing Law. This Agreement shall bind and be for the benefit of the parties hereto, and their respective successors and assigns, and shall be construed according to the laws of the State of Florida, without regard to conflict of laws principles.

13. Entire Agreement, Etc. This Agreement contains the entire agreement between the parties with respect to the subject matter hereof. No purported modification or waiver by the parties of any provision of this Agreement, and no purported consent by either party to any departure by the other party from strict compliance herewith, shall be effective in any event unless the same is in writing and signed by the parties hereto, and then such modification, waiver or consent shall be effective only in the specific instance and for the specific purpose given. This Agreement may be not changed or terminated orally. No act or omission of any kind by Lender under or in connection with the Senior Loan shall impair or otherwise affect this Agreement.

14. Attorneys' Fees. In the event of any legal or equitable action hereunder or related hereto (including appellate review), the prevailing party shall be entitled to recover its reasonable attorneys' and legal assistants' fees and costs.

15. Severability. The invalidity or unenforceability of any provision of this Agreement shall not affect any of the remaining provisions.

16. Counterparts. This Agreement may be executed in any number of counterparts and all such counterparts shall collectively constitute a single document.

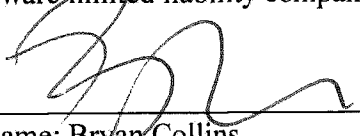

17. WAIVER OF JURY TRIAL. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH PARTY HERETO KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES ANY RIGHT ANY OF THEM MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED ON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY AGREEMENT CONTEMPLATED TO BE EXECUTED IN CONNECTION WITH THIS AGREEMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY WITH RESPECT HERETO. THIS PROVISION IS A MATERIAL INDUCEMENT TO LENDER TO ACCEPT THIS AGREEMENT.

IN WITNESS WHEREOF, the parties have executed and delivered this Agreement to be effective for all purposes as of the Effective Date.
