The Forward Pinellas public hearing will be held on Wednesday, September 11, 2019, at 1:00 P.M. or as soon thereafter as the agenda permits.

To: Residential Low Medium
Location: 1758 S. Dr. Martin Luther King Jr. Ave.

The current Residential Very Low category is used to depict areas that are primarily well-suited for very low-density estate residential uses at a maximum density of one unit per acre. The proposed Residential Low Medium category is used to depict areas that are primarily well-suited for suburban, low density or moderately dense residential uses at a maximum density of 10 dwelling units per acre.

The current Residential Low Medium category is used to depict areas that are primarily well-suited for suburban, low density or moderately dense residential uses at a maximum density of 10 dwelling units per acre. The proposed Public/Semi-Public category is intended to recognize institutional and transportation/utility uses that serve the community or region, especially larger facilities having acreage exceeding the thresholds established in other plan categories, and which are consistent with the need, character, and scale of such uses relative to the surrounding uses, transportation facilities, and natural resource features.

Case CW 19-16 – Submitted by the City of Tarpon Springs – 0.33 acres m.o.l.

The proposed amendment will change the local Future Land Use Map category of Baranoff Oak Park from the Community Town Center character district to the Public character district.
