RE: Pinellas County Board of County Commissioners support to light Sunshine Skyway green to raise awareness for World Cholangiocarcinoma Day on February 12, 2022

Dear Kris:

Briget Nelson has requested the State of Florida Department of Transportation (FDOT) illuminate the Sunshine Skyway Bridge green on February 12, 2022, as part of the **Light it Green for CCA** campaign, bringing awareness to World Cholangiocarcinoma Day, and in memory of her late mother. Ms. Nelson's mother was a resident of the Tampa Bay area for over 20 years, and treated at the Moffitt Cancer Center before her passing in December 2021.

FDOT has indicated the approval of this request must include support from the surrounding counties, including Pinellas County.

The Board of County Commissioners supports this request for lighting the Sunshine Skyway green on February 12, 2022, to raise awareness of this rare cancer and support World Cholangiocarcinoma Day.

Should you have questions or require additional information, please do not hesitate to contact me.

Sincerely,

Charlie Justice, Chairman
Pinellas County Board of County Commissioners

cc: Pinellas County Board of County Commissioners
Barry Burton, Pinellas County Administrator
