CONTRACT FOR SALE AND PURCHASE

THIS AGREEMENT is made and entered into this ____ day of _____ 2017, between PINELLAS COUNTY, a political subdivision of the State of Florida, Attention: Department of Real Estate Management, Real Property Division, whose address is 509 East Avenue South, Clearwater, Florida 33756, hereinafter referred to as "BUYER," and WELLINGTON CROSSINGS, LLC, a Florida limited liability company, Attention: Joseph J. Rauenhurst, President, whose address is 220 NE 11th Street, Boca Raton, Florida 33432, hereinafter referred to as "SELLER."

W I T N E S S E T H:

1. DESCRIPTION OF THE PROPERTY: In consideration of the payment hereinafter agreed to be paid by the BUYER to the SELLER, and in consideration of the covenants of the respective parties hereto, each to the other to be performed by them at the time and in the manner hereinafter provided, the SELLER does hereby agree to sell and the BUYER does hereby agree to buy the property located at 5175 45th Street North, St Petersburg, Pinellas County, Florida 33714-2266, the legal description of which is contained in Exhibit "A," attached hereto and made a part hereof, together with all development rights, easements, riparian and littoral rights, hereinafter referred to as the "Property."

2. PURCHASE PRICE:

A. SELLER agrees to sell the Property at the price of Twelve Million, Nine-hundred and Ninety Thousand Dollars (\$12,990,000.00), subject to adjustment and prorations, payable by wire transfer at closing (the "Purchase Price"), contingent upon the average of two (2) appraisals to be obtained on behalf of the BUYER on or before October 31, 2017, being no more than 5% lower than the Purchase Price. If the average of said appraisals is more than 5% lower than the Purchase Price, then BUYER shall have the right to terminate this Contract and shall

have no further obligations hereunder, except for those obligations that specifically survive the termination of this Contract. Alternatively, on or before November 10, 2017, the BUYER and SELLER may renegotiate the Purchase Price if desired. However, neither party shall have an obligation to renegotiate. BUYER shall notify SELLER on or before October 31, 2017 of its intent not to purchase the Property or desire to renegotiate as provided herein, with any renegotiation to be completed on or before November 10, 2017. If BUYER and SELLER do not agree on such a renegotiated Purchase Price on or before November 10, 2017, this Contract shall be deemed terminated. BUYER's County Administrator shall have authority to renegotiate the Purchase Price for an amount not to exceed the original Purchase Price hereunder, subject to the same terms and conditions herein as approved by the Board of County Commissioners.

B. If the fair market value of the property, to be determined by a "qualified appraisal" obtained by SELLER, exceeds the Purchase Price of Twelve Million, Nine-hundred and Ninety Thousand Dollars and No/100 Dollars (\$12,990,000.00), SELLER may seek to claim a charitable deduction for said excess as a charitable contribution made by SELLER to BUYER. For the purposes hereof the term "qualified appraisal" shall mean an appraisal as defined in IRS Publication 561. BUYER agrees to complete, execute and deliver to SELLER at Closing (i) the Donee Acknowledgment (Part IV) of IRS Form 8283; and (ii) the BUYER's written acknowledgment containing the information required by I.R.C. Section 170(f)(8) and IRS Publication 1771 (Rev. 3-2016) (collectively, the "Donation Forms"). However, BUYER will not stipulate that the potential excess of funds constitutes a "charitable donation," nor stipulate as to the amount or value of any potential gift or donation. BUYER shall not be responsible for any liability for complying with this provision, and SELLER agrees to fully indemnify BUYER for the same.

3. TIME FOR ACCEPTANCE; EFFECTIVE DATE: If this Contract is not executed by SELLER, and accepted by BUYER, on or before October 31, 2017 it shall be null and void. The date of Contract ("Effective Date") shall be the date when the contract is approved and fully executed by both parties. SELLER does hereby agree and pledge not to enter into any other

contract to sell or lease the Property, from the date of the SELLER's signature on this document until October 31, 2017. SELLER agrees to allow Pinellas County this time to complete this Contract for Sale and Purchase, and submit this Contract to the Board of County Commissioners for consideration, approval, and execution, and meet all contingencies specified in this Contract. SELLER shall also not sell, lease, or otherwise dispose of the Property after full execution of this Contract. Notwithstanding, SELLER is not prohibited from discussing a potential sale or lease of the Property with third parties, provided that said discussions do not interfere with the terms conditions, and negotiations hereunder.

4. CLOSING DATE: This transaction shall be closed and the deed and other closing papers delivered within ninety (90) days of the Effective Date, unless extended by mutual written agreement, which may be given by BUYER through its Director of Real Estate Management.

5. DUE DILLIGENCE AND INSPECTION: BUYER shall have the right, prior to closing, to send or to come upon the Property at reasonable times, upon reasonable prior notice to SELLER with its independent contractors, employees, engineers, and other personnel to inspect and conduct non-invasive testing upon the Property to determine whether the Property is acceptable to BUYER. If a phase two environmental study is required or recommended, BUYER may conduct limited invasive testing on the Property with the written consent of the SELLER, which shall not unreasonably be withheld, SELLER taking into consideration the nature of the required or recommended phase two testing involved. BUYER's obligation to purchase the Property is subject to BUYER's reasonable discretion as provided in the immediately following paragraph of this Section 5.

BUYER, in its reasonable discretion, may cancel this Contract at any time on or prior to the sixtieth (60th) day following the Effective Date, based upon the findings of any and all environmental inspections, reports, property assessments, or other such information to the extent that the same indicate an issue with or condition of the Property that has or could reasonably be expected to have a material adverse impact on the Property, or BUYER's interest therein. In the event BUYER elects to terminate this Contract, copies of any studies, reports, surveys or other

information obtained by BUYER in connection with its review or inspection of the Property shall be promptly delivered to SELLER, at no additional cost to SELLER. Buyer's obligations under this Section shall survive any termination of this Contract.

To the extent permitted by law, BUYER shall indemnify and hold SELLER harmless from and against any and all losses, costs and/or expenses that may be incurred by SELLER as a result of any injuries to persons or damage to the Property resulting from any inspections, tests or entry upon the Property by BUYER. BUYER shall repair any damage to the Property caused by BUYER or its agents as a result of such inspections. Neither this provision, nor any other provision in this Contract, shall be construed as a waiver of BUYER's sovereign immunity pursuant to §768.28, Florida Statutes.

6. POSSESSION: SELLER represents that at the time of closing there will be no parties in possession other than SELLER, or lease holders other than the lease holders identified in paragraph 24 (Leases), and agrees to deliver possession of the Property at the time of closing.

7. TITLE EVIDENCE: Within thirty (30) days of the Effective Date or ten (10) days prior to the Closing Date, whichever occurs sooner, SELLER shall, at SELLER's expense, deliver to BUYER or BUYER's attorney, a title insurance commitment (the "Title Report") issued by Hill Ward & Henderson, P.A., as agent (the "Title Agent") for a Florida licensed title insurer the ("Title Company") agreeing to issue to BUYER, upon recording of the deed to BUYER, an owner's policy of title insurance in the amount of the purchase price (with fee owner's title policy premium to be paid by SELLER at closing), insuring BUYER's good and marketable title to the Property, subject only to those standard exceptions appearing in the owner's title policy, which in BUYER's reasonable judgement do not unduly affect title, and those items which shall be discharged by SELLER at or before the Closing Date. The commitment shall include a true, complete, and legible copy of all documents referred to in the Title Report including without limitation, plats, deeds, restrictions, zoning information and easements. The final policy shall insure against adverse matters pursuant to Florida Statutes, Section 627.7841, and against mechanics, construction, tax, assessment, and other liens removable by a search of the public

records and by affidavit. BUYER shall have ten (10) days from date of receiving the Title Report to examine same. If title is found defective, BUYER shall, within fifteen (15) days thereafter, notify SELLER, in writing specifying defect(s) or the same shall be deemed to have been accepted by BUYER. If said defect(s) render title uninsurable, SELLER, at SELLER's option and without obligation, will have ninety (90) days from receipt of notice within which to remove said defect(s), which shall extend the Closing Date a like amount of time. If SELLER is unsuccessful in removing them within said time, BUYER shall have the option of either accepting the title as it then is, without reduction in the Purchase Price, or this Contract shall terminate and BUYER and SELLER shall be released, as to one another, from all further obligations under this Contract except for those matters that expressly survive the termination hereof.

8. SURVEY: If BUYER desires to have a survey, the BUYER shall obtain a survey at BUYER'S expense. If the survey, obtained by the BUYER, shows any encroachment of the Property or that improvements intended to be located on the Property in fact encroach on lands of others, or violate any of the contract covenants, the same shall be treated as a title defect. The survey shall be delivered by BUYER to SELLER and Title Agent at least twenty (20) days prior to the Closing Date.

9. INGRESS AND EGRESS: SELLER warrants that there is ingress and egress to the Property.

10. EXPENSES: SELLER will pay for State documentary stamps which are required to be affixed to the deed, and the cost of recording same, together with the cost of recording any corrective instruments, and such other expenses assigned to SELLER in this contract.

11. PROCEEDS OF SALE; CLOSING PROCEDURE: The deed shall be recorded upon SELLER's receipt of BUYER's electronic wire transfer, and evidence of title continued at SELLER's expense, to show title in BUYER, without any encumbrances or change which would render SELLER's title unmarketable from the date of the last evidence, and the proceeds of the sale shall be held in escrow by SELLER's attorney or by such other escrow agent as may be mutually agreed upon for a period of no longer than five (5) days from and after closing date.

12. **ESCROW:** The escrow agent under this Contract shall be the Title Agent, or his or her (*or its*) successor or the Title Company. The escrow agent receiving funds or equivalent is authorized and agrees by acceptance thereof to deposit promptly and to hold same in escrow and subject to clearance thereof to disburse same in accordance with terms and conditions of the Contract. Failure of clearance of funds shall not excuse performance by BUYER. In the event of doubt as to escrow agent's duties or liabilities under the provisions of this Contract, the escrow agent may in agent's sole discretion, continue to hold the subject matter of this escrow until the parties mutually agree to the disbursement thereof, or until a judgment of a court of competent jurisdiction shall determine the rights of the parties thereto, or escrow agent may deposit same with the Clerk of the Circuit Court having jurisdiction of the dispute, and upon notifying all parties concerned of such action, all liability on the part of the escrow agent shall fully terminate, except to the extent of accounting for any items theretofore delivered out of escrow. If a licensed real estate broker, the escrow agent will comply with provisions of Florida Statutes, Chapter 475. All parties agree that the escrow agent shall not be liable to any party or person whomsoever for misdelivery to BUYER or SELLER of items subject to this escrow, unless such misdelivery shall be due to willful breach of this Contract or negligence on the part of the agent. The parties acknowledge and agree, that the Title Agent is legal counsel for SELLER and shall not be limited or precluded from acting as legal counsel for SELLER as a result of acting as Title Agent or escrow agent under this Contract.

13. **PRORATIONS:** Taxes, assessments, rent, interest, insurance, and other expenses and revenue of the Property shall be prorated through the day prior to the Closing Date. Cash received by SELLER at closing shall be increased or decreased as may be required by said prorations; provided, however, in the event this transaction closes and title is conveyed between January 1 and November 1, SELLER shall be required, at or prior to closing, to place in escrow with the County Tax Collector an amount equal to the current taxes prorated to the date of transfer of title based upon the current assessments and millage rates on the Property, in accordance with the provisions of Florida Statutes, Section 196.295. Taxes shall be prorated based on the current

year's tax, with due allowance made for maximum allowable discount and homestead or other exemptions if allowed for said year. If closing occurs at a date when the current year's millage is not fixed, and current year's assessment is available, taxes will be prorated based upon such assessment and the prior year's millage. If current year's assessment is not available, then taxes will be prorated on the prior year's tax; provided, however, if there are completed improvements on the Property by January 1 of year of closing, which improvements were not in existence on January 1 of the prior year, then taxes shall be prorated based upon the prior year's millage and at an equitable assessment to be agreed upon between the parties, failing which, request will be made to the County Property Appraiser for an informal assessment, taking into consideration homestead exemption, if any. However, any tax proration based on an estimate shall be readjusted upon receipt of tax bill.

14. DOCUMENTS FOR CLOSING: Ten (10) days prior to closing, SELLER shall furnish, for BUYER's review: Special Warranty Deed; Ownership Disclosure Form, Corporate or Limited Liability Company Resolution authorizing sale and designating the officer authorized to sign the deed; Transfer of Interest Form; As-Is Bill of Sale; Closing Statements; Mechanics and/or Construction Lien Tax Lien Affidavit; Affidavit of No Possession; Assignments of Leases (if applicable); the Donation Forms, if applicable; and any corrective instruments that may be required in connection with perfecting the title.

17. RESTRICTIONS, EASEMENTS, LIMITATIONS: BUYER shall take title subject to: zoning regulations, restrictions, prohibitions and other requirements imposed by governmental authorities; restrictions in matters appearing on the plat or otherwise common to the subdivision; public utility easements of record; taxes from the date of closing and subsequent years; the Leases; and such other matters as are accepted by BUYER on the Title Report or the survey as provided in Sections 6 and 7 of this Agreement.

18. ASSIGNMENT, SUCCESSORS AND ASSIGNS: This Contract may not be assigned by BUYER without SELLER's prior written consent, which consent may be given or withheld by Seller in its sole discretion. 19. SPECIAL ASSESSMENT LIENS: Certified, confirmed and ratified special assessment liens as of the Closing Date (*and not as of Effective Date*) are to be paid by SELLER. Pending liens as of date of closing shall be assumed by BUYER, provided, however, that if the improvement has been substantially completed as of Effective Date, such pending lien shall be considered as certified, confirmed or ratified and SELLER shall, at closing, be charged an amount equal to the last estimate by the public body of assessment for the improvement. If any continuing annual lien or assessment has accrued in whole or in part but may not be prepaid to the taxing authority, SELLER shall deposit the appropriate remaining balance with BUYER at closing, to be paid by BUYER at such time payments are accepted.

20. LIENS: SELLER shall furnish to BUYER at time of closing an affidavit attesting to the absence of any claims of lien or potential lienors known to SELLER and further attesting that there have been no improvements or repairs to the Property for ninety (90) days immediately

preceding date of closing (referred to in paragraph 13 as the Mechanics and/or Construction Lien and Tax Lien Affidavit). If the Property has been improved, or repaired within said time, SELLER shall deliver releases or waivers of Mechanics and/or Construction Liens, executed by all general contractors, subcontractors, suppliers, and materialmen, and further reciting that in fact all bills for work to the Property which could serve as a basis for a Mechanics and/or Construction Lien or a claim for damages have been paid or will be paid by SELLER at closing.

21. DEFAULT: If, for any reason other than failure of SELLER to render its title marketable after diligent effort, SELLER fails, neglects or refuses to perform its obligations under this Contract, BUYER may terminate this Contract or seek specific performance, which shall be BUYER's sole remedies under this Contract.

22. BROKER:

A. SELLER warrants and represents to BUYER that it has not engaged a real estate broker with respect to the Property. SELLER agrees to hold BUYER harmless from any real estate commissions or fees which may be claimed to be due through the SELLER or pursuant to acts of the SELLER, and SELLER further covenants and agrees to indemnify BUYER for damages incurred as a result of any such claim.
