Dear Pinellas County Planning Dept. —

I live at 544 11th St. in Palm Harbor, right around the corner from the property in question. I received your letter on June 21st and have discussed this with my neighbors.

Regarding the request to change land use from Residential Office-General to Commercial Neighborhood, P-1 to C-1, WITH a conditional overlay limiting the use to a compound pharmacy: I have no objection to this reasonable request and support it.

Sincerely,

— Holly Bird

Hello,

I live at 498 11<sup>th</sup> St, Palm Harbor, FL 34683, which is around the corner from the parcel in this zoning request. After reviewing the request and learning more about how an "overlay" works, I am in favor of allowing the zoning change to be approved.

Thank you,
