However, should conflict arise between the terms of this agreement and §§39.011, 394.9085, and 409.993, F.S., these statutory

provisions control.

4.7.1.2. Intellectual Property Liability. The Provider shall fully indemnify, defend, and hold harmless the State, the Department, and their officers, agents, and employees from any suits, actions, damages, attorney's fees, and costs of every name and description, arising from or relating to violation or infringement of a trademark, copyright, patent, trade dress, trade secret or other intellectual property right. This intellectual property liability indemnification obligation will not apply to the Department's misuse or modification of the Provider's products or the Department's operation or use of the Provider's products in a manner not contemplated by this Contract. If any product is the subject of an infringement suit, or in the Provider's opinion, is likely to become the subject of such a suit, the Provider shall, at its sole expense, procure for the Department the right to continue using the product or to modify it to become non-infringing. If the Provider is not reasonably able to modify or otherwise secure the Department the right to continue using the product, the Provider shall remove the product and refund the Department the amounts paid more than a reasonable rental for past use. The State and the Department will not be liable for any royalties, or licensing fees, not included in this Contract.

The Provider shall indemnify, defend, and hold harmless the State and the Department from the consequences of such a breach.

4.7.3. The indemnification requirement in **4.7.1** does not apply if the Provider is a governmental entity, prohibited by law, or constrained by lack of legal authority, from indemnifying the State, the Department, or other party. In such instances, the Provider remains liable for the Provider's own actions to the extent such liability exists in the absence of the legally impermissible indemnification.

4.7.4. Nothing in this Contract constitutes a waiver of sovereign immunity or consent by the Department, or the State, or its subdivisions to suit by third parties or an agreement by the Department, the State, or its subdivisions to indemnify any person.

4.8.4. Authorized Insurers and Documentation. All insurance policies will be with insurers authorized, and through insurance agents licensed, to transact business in the State, as required by chapter 624, F.S., or upon approval of the Department with a commercial self-insurance trust fund authorized under §624.462, F.S. The Provider shall provide thirty (30) calendar days written notice of cancellation of any insurance required by **4.8** to the Department. 4.10.2. A thing capable of being trademarked developed in anticipation, or as a result, of this Contract will be trademarked by or on behalf of the Department. Only after the Department declines, by Notice, to hold such trademark, may the Provider trademark such a thing in its own name.

4.10.3. Any website developed in anticipation, or as a result, of this Contract will be placed in a domain of the Department's choice, copyrighted in the Department's name. Only if the Department declines, by Notice, such placement or copyright, may the Provider copyright such a thing in its own name.

In addition to any other remedies available to the Department, any violation of this provision will result in referral of the Provider's name and description of the violation of this term to the Department of Management Services for the potential inclusion of the Provider's name on the suspended vendors list for an appropriate period. The Provider shall ensure any subcontractors comply with these provisions.

5.1. Records, Retention, Audits, Inspections and Investigations

5.1.1. The Provider shall establish and maintain books, records and documents (including electronic storage media) sufficient to reflect all income and expenditures of funds provided by the Department under this Contract. Upon demand, at no additional cost to the Department, the Provider shall facilitate the duplication and transfer of any records or documents during the term of this Contract and the required retention period in **5.1.2.** These records shall be made available at all reasonable times for inspection, review, copying, or audit by Federal, State, or other personnel duly authorized by the Department.

5.1.2. Retention of all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this Contract shall be maintained by the Provider during the term of this Contract and retained for six years after completion of this Contract or longer when required by law. In the event an audit is required under this Contract, records shall be retained for a minimum six years after the audit report is issued or until resolution of any audit findings or litigation based on the terms of this Contract, at no additional cost to the Department.

5.1.3. At all reasonable times for as long as records are maintained, persons duly authorized by the Department and Federal auditors, pursuant to 2 CFR §200.337, shall be allowed full access to and the right to examine any of the Provider's contracts and related records and documents, regardless of their form.

5.1.4. A financial and compliance audit shall be provided to the Department as specified in this Contract.

5.1.5. The Provider shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by The Office of the Inspector General (§20.055, F.S.).

5.1.6. The Provider shall not withhold any record or attempt to limit the scope of any of the foregoing inspections, reviews, copying, transfers or audits based on any claim that any record is exempt from public inspection or is confidential, proprietary or trade secret in nature; provided, however, that this provision does not limit any exemption to public inspection or copying to any such record.

5.2. The Provider's Confidential Information

5.2.1. By executing this Contract, the Provider acknowledges that, having been provided an opportunity to review all provisions hereof, all provisions of this Contract not specifically identified in writing by the Provider prior to execution hereof as "confidential" will be posted by the Department on the public website maintained by the Department of Financial Services pursuant to §215.985, F.S. The Provider, upon written request of the Department, shall promptly provide a written statement of the basis for the exemption applicable to each provision identified by the Provider as "confidential", including citation to a protection created by statute, and state with particularity the reasons the provision is confidential.

5.2.2. Any claim by the Provider of trade secret confidentiality for any information contained in the Provider's documents (reports, deliverables or workpapers, etc., in paper or electronic form) submitted to the Department in connection with this Contract will be waived, unless the claimed confidential information is submitted in accordance with the following standards:

5.2.2.1. The Provider must clearly label any portion of the documents, data, or records submitted it considers confidential pursuant to Florida's Public Records Law as trade secret. The labeling will include a justification citing specific statutes and facts authorizing exemption of the information from public disclosure. If different statutes or facts are claimed applicable to different portions of the

information, the Provider shall include information correlating the nature of the claims to the particular information.

5.2.2.2. The Department, when required to comply with a public records request including documents submitted by the Provider, may require the Provider expeditiously submit redacted copies of documents marked as trade secret, in accordance with **5.2.2.1**. Accompanying the submission shall be an updated version of the justification under **5.2.2.1**, corresponding specifically to redacted information, either confirming the statutory and factual basis originally asserted remains unchanged or indicating any changes affecting the basis for the asserted exemption from public inspection or disclosure. The redacted copy must exclude or obliterate only those exact portions claimed trade secret. If the Provider fails to promptly submit a redacted copy, the Department is authorized to produce the records sought without any redaction of trade secret information.

5.2.3. The Provider shall be responsible for defending its claims that every portion of the redactions of trade secret information are exempt from inspection and copying under Florida's Public Records Law.

collecting or using in the performance of this Contract. An appropriate level of security includes approving and tracking all who request or have access, through the Provider's access, to the Department's information systems or any client or other confidential information. 6. INSPECTIONS, PENALTIES, AND TERMINATION

6.1. Financial Penalties for Failure to Take Corrective Action

6.1.1. In accordance with the provisions of §402.73(1), F.S., and Rule 65-29.001, F.A.C., should the Department require a corrective action to address noncompliance under this Contract, incremental penalties listed in **6.1.2** through **6.1.3** shall be imposed for the Provider's failure to achieve the corrective action. These penalties are cumulative and may be assessed upon each separate failure to comply with instructions from the Department to complete corrective action, but shall not exceed 10% of the total contract payments during the period in which the corrective action plan has not been implemented or in which acceptable progress toward implementation has not been made. These penalties do not limit or restrict the Department's application of any other remedy available to it under law or this Contract.

6.1.2. The increments of penalty imposition that shall apply, unless the Department determines that extenuating circumstances exist, shall be based upon the severity of the noncompliance, nonperformance, or unacceptable performance that generated the need for corrective action plan, in accordance with the following standards.

6.1.2.1. Noncompliance that is determined by the Department to have a direct effect on client health and safety shall result in the imposition of a 10% penalty of the total contract payments during the period in which the corrective action plan has not been implemented or in which acceptable progress toward implementation has not been made.

6.1.2.2. Noncompliance involving the provision of service not having a direct effect on client health and safety shall result in the imposition of a 5% penalty.

6.1.2.3. Noncompliance as a result of unacceptable performance of administrative tasks shall result in the imposition of a 2% penalty.

6.1.3. The deadline for payment shall be as stated in the Department order imposing the financial penalties. In the event of nonpayment the Department may deduct the amount of the penalty from invoices submitted by the Provider.

6.2. Termination

6.2.1. The Department may terminate this Contract without cause upon no less than 30 days' Notice in writing to the Provider unless another time is mutually agreed upon in writing.

6.2.2. The Provider may terminate this Contract upon no less than 120 days' Notice to the Department unless another time is mutually agreed upon in writing.

6.2.3. In the event funds for payment pursuant to this Contract become unavailable, the

Department may terminate this Contract upon no less than 24 hours' Notice in writing to the Provider. The Department is the final authority as to the availability and adequacy of funds.

6.2.4. In the event the Provider fails to fully comply with the terms and conditions of this Contract, the Department may terminate this Contract upon no less than 24 hours' Notice to the Provider, excluding Saturday, Sunday, and Holidays. Such Notice may be issued without providing an opportunity for cure if it specifies the nature of the noncompliance and states that provision for cure would adversely affect the interests of the State or is not permitted by law or regulation. Otherwise, Notice of termination will be issued after the Provider's failure to fully cure such noncompliance within the time specified in a Notice of noncompliance issued by the Department specifying the nature of the noncompliance and the actions required to cure such noncompliance. The Department's failure to demand performance of any provision of this Contract shall not be deemed a waiver of such performance. The Department's waiver of any one breach of any provision of this Contract is not a waiver of any other breach and neither event is a modification of the terms and conditions of this Contract. **6.2** does not limit the Department's right to legal or equitable remedies.

6.2.5. Failure to have performed any contractual obligations under any other contract with the Department in a manner satisfactory to the Department will be a sufficient cause for termination. Termination shall be upon no less than 24 hours' Notice to the Provider and only if the Provider:

6.2.5.1. Previously failed to satisfactorily perform in a contract with the Department, was notified by the Department of the unsatisfactory performance, and failed to timely correct the unsatisfactory performance to the satisfaction of the Department; or

6.2.5.2. Had any other contract terminated by the Department for cause.

6.2.6. In the event of termination under **6.2.1** or **6.2.3**, the Provider shall be compensated for any work satisfactorily completed through the date of termination or an earlier date of suspension of work.

6.2.7. If this Contract is for an amount of \$1 million or more, the Department may terminate this Contract at any time the Provider is found to have falsely certified under §287.135, F.S., or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. Regardless of the amount of this Contract, the Department may terminate this Contract at any time the Provider is found to have been engaged in business operations in Cuba or Syria, placed on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel.
