AUGUST 6<sup>th</sup>, 2019  
August #1, 2019

When does the Liberty, Freedom and Happiness of our Privileged leaders become an Unhealthy Establishment?

And our leaders, as Privileged, begin to display Characteristics of Personal and Individual motives separate from their proper purpose. And show discourse, acting on principles, other than what they have "originally" brought forth and professed themselves *to be* acting upon.

And Deceptively, begin using Freedom as a course <sup>AS A</sup> of political tactic to Undermine the General Welfare of all of society. Using Liberty as a method for the taking of the Health, Safety and Welfare of the whole of civilian life?!!

Using Political Happiness and Freedom to slowly formulate the "*Absolute Loss*" of the Health, Safety and Welfare of all society, as it's motive, of process of Aggregating the water resource intent on laying civilian society to bare, under the liberty of its control.

Using the Spirit and Intent of this Constitution to lay bare the Gentiles as Process Due in the 14<sup>th</sup> Amendment.

A Spangled Banner of "shame" is upon this government.

The Relationship of the Powers, in this Government, with the Civilian Population are torn.

This board (as based on the Reclaimed Water "Variance" Application) has violated our Human Rights, in regards to access our essential water supply.

Violating its own Homerule Charter, in section 2.02(E).

The hypocrisy of our existing government and the bonds they claim to possess against us are Constitutionally counterfeit to a jurisdictional state of utter and actual failure!

Your Ship of War concerning Capture on Land and Water, in Article 1 section 10, is an "UnWarranted Constitutional Act of Piracy. And is to be dismantled.

In light of this boards "war like tactics", in protection of us, our society and our loved ones; a relationship between leadership in this land and the civilian population must be restructured, revealed, understood and restored, to a Health and social Wealth, that Serves and Benefits us all.
