## MEMORANDUM

**TO:** Karen Seel, Chairman

**FROM:** Pat Gerard, District 2  
Pinellas County Board of County Commissioners

**CC:** Board of County Commissioners  
Barry Burton, County Administrator  
Bill Berger, Director, Office of Management & Budget

**DATE:** July 10, 2019

**SUBJECT:** MSTU funding proposal, Largo for Youth, Inc.

---

I propose that the BCC partially fund the request of Largo for Youth, Inc. from the Municipal Services Taxing Unit (MSTU) funds.

The total request is for 3 items totaling \$31,609: field equipment (\$2,226); player equipment (\$9,057), and uniforms (\$20,326). A copy of the request and backup material are attached for your review.

Most of the field and player equipment are appropriate and reasonable expenses, and the organization will look to other sources for additional funding. The partial fund of the request would be \$7,300.

I will plan to bring this up under County Commission New Business at the July 23 BCC meeting.

Dear Commissioner Gerard:

Largo for Youth, Inc. is a not for profit, 501 c (3) with over four (4) decades of experience in providing children with recreation and education opportunities. Largo Jr. Packers Football and Cheer is one of several programs offered through the Largo For Youth organization. The football and cheer program consists of over 250 football players and cheerleaders. In addition, there are over 50 volunteer coaches, instructors, team parents and board members which do not receive financial compensation. Our organization is designed to enhance the lives of our student athletes through sportsmanship, character development and exposure to some of the State's top student athletes. We are located within the low to moderate income community of Ridgecrest, which is an unincorporated neighborhood in Pinellas County, and we are the only youth football and cheer program, within the city boundaries of Largo, for student athletes ages 5 – 14.

The significance of this program is to enable young student athletes to develop their athletic and academic potential along with providing them an opportunity to develop social skills, self-discipline, and leadership skills, all necessary for participation in society as responsible and productive citizens.

Now, more than ever, we need community support to keep this program growing and affordable to all families who take part. Financial assistance will be used to purchase team uniforms, football and cheer equipment, pay league fees, subsidize registration fees and insurance premiums, trophies and/or facilities rental expenses etc.

# Largo For Youth, Inc.

---

Attached you will find several quotes which detail some of the equipment needs of the organization. Our facility rental fees, insurance premiums and cost of trophies are not currently included in the attached quotes.

We thank you in advance for your consideration and are happy to answer any questions that you may have.

Best regards,

*Steven T. Beal*
