

SUPPLEMENTING FY24 BUDGET

WHEREAS, Section 129.06(2)(d), F.S., provides that receipts of a nature from a source not anticipated in the FY24 Budget, and received for a particular purpose may, by Resolution of the Board of County Commissioners of Pinellas County, be appropriated and expended for that purpose; and

WHEREAS, unanticipated revenues are to be received and these funds are to be appropriated and expended for the purpose for which received; and

WHEREAS, the Pinellas County Board of County Commissioners (Board) did on August 13, 2024, voted unanimously to approve an interfund loan transfer from the Solid Waste Revenue and Operating Fund (4021) to the Lealman Solid Waste Collection & Disposal Fund (1093) in the amount of \$300,000.00, and amend the budget accordingly; and

WHEREAS, the Clerk of the Circuit Court and Comptroller and the Office of Management and Budget discovered a clerical oversight that was made in the budget amendment portion of Resolution 24-51 (24-0667A). The purpose of this proposed resolution repeals the budget amendment of Resolution 24-51 and requests the Board adopt the proposed budget amendment with the previous errors corrected. The errors included incorrect figures in the current budget and amended budget. The amount to be amended and the budget lines to be amended remain the same. This does not repeal or replace the interfund loan agreement approved in Resolution 24-51 (Exhibit A); and
