25. **PROCUREMENT POLICY FOR RECYCLED MATERIALS:**

Pinellas County wishes to encourage its bidders to use recycled products in fulfilling contractual obligations to the County and that such a policy will serve as a model for other public entities and private sector companies.

When awarding a purchase of \$5,000 or less, or recommending a purchase in excess of \$5,000 for products, materials, or services, the Director of Purchasing may allow a preference to a responsive bidder who certifies that their product or material contains the greatest percentage of postconsumer material. If they are bidding on paper products they must certify that their materials and/or products contain at least the content recommended by the EPA guidelines.

On all bids over fifty thousand dollars (\$50,000) and formal quotes under fifty thousand dollars (\$50,000), or as required by law, the Director of Purchasing shall require vendors to specify which products have recycled materials, what percentage or amount is postconsumer material, and to provide certification of the percentages of recycled materials used in the manufacture of goods and commodities procured by the County.

Price preference is not the preferred practice the County wishes to employ in meeting the goals of this resolution. If a price preference is deemed to serve the best interest of the County and further supports the purchase of recycled materials, the Director of Purchasing will make a recommendation that a price preference be allowed up to an amount not to exceed 10% above the lowest complying bid received.

**SECTION B – SPECIAL CONDITIONS****8. SUBMISSION OF BIDS:**

Paper documents may be provided, but should be accompanied by an equivalent electronic PDF file. Provide one original and one copy on paper, plus two (2) compact discs (CD). The preferred method is PDF conversion from your source files (to minimize file size and maximize quality and accessibility) rather than scanning.

**Instructions for Providing Files in PDF Format to Pinellas County Government****A. Why does Pinellas County Government want all the documents as PDF files?**

**Answer-** It's much more efficient to go paperless, and PDF is a universal file format that fits perfectly into government workflow processes.

**B. How do I convert my files to PDF format?**

**Answer-** If you have a program such as Adobe Acrobat, creating a PDF of any file is a simple print function. Rather than printing to a traditional printer, the file converts to a PDF format copy of your original. Any program (such as Word, PowerPoint, Excel, etc.) can be converted this way by simply selecting the print command and choosing PDF as the printer.

**C. Should I scan everything and save as PDF?**

**Answer-** Not unless you are scanning with OCR (optical character recognition). Scanning will create unnecessarily large files because a scan is just a picture of a page rather than actual page text. Furthermore, the result of scanning is that your pages will not look nearly as "clean" or professional as simply using the print to PDF method from the program from which the file originates. Additionally, since scan pages are pictures of text, not really text, they may not be considered accessible\* under Federal ADA guidelines (\*unless the scans are OCR.)

**General Instructions**

Section references are to the Internal Revenue Code unless otherwise noted.

**Future developments.** The IRS has created a page on [www.irs.gov/w9](http://www.irs.gov/w9) for information about Form W-9, at [www.irs.gov/w9](http://www.irs.gov/w9). Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

**Purpose of Form**

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

**Note.** If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

**Part I Taxpayer Identification Number (TIN)**

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Employer identification number

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

**Part II Certification**

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
- I am a U.S. citizen or other U.S. person (defined in the instructions).

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. See the instructions on page 4.

**Section 119.071(5), Florida Statutes Notice:**

Your Tax Identification Number (which for individuals is your social security number) is collected on Form W9 for use in filing information returns with the IRS as described more fully below. Collection of the tax identification number (or social security number as applicable) is mandatory pursuant to Section 6109 of the Internal Revenue Code (26 U.S.C § 6109).

**Privacy Act Notice:**

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA, or Archer MSA or HSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, the District of Columbia, and U.S. possessions to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.

TO: ALL INTERESTED BIDDERS  
INVITATION TO BID: Fuel: Gasoline and Diesel (Coop)  
BID NUMBER: 145-0387-B(PF)  
BID SUBMITTAL IS DUE: September 15, 2015 @ 3:00 P.M.

**ADDENDUM NO. 1**

Following is additional information, clarifications, questions and responses relative to referenced Bid (ITB):

**REMOVE:** Pages 14, 16, 27, Attachment A pages 1-14;

**REPLACE:** Pages 14, 16, 27, Attachment A pages 1-13; dated 8/27/15

**Deletion:**

The requirements for **City of Tampa** have been removed.

**QUESTION 1:**

The bid calls for OPIS Daily Rack Average Price on day of order. Unless an order is received by 9am, it is usually delivered the next day as carriers and Jobbers do not have trucks waiting for orders to come in, especially when delivery times are limited. Deliveries should be made within 24 hours of an order but pricing should be day of delivery, whether same day if possible or next. Can this be changed on the bid?

Answer:

No

All other specifications, terms and conditions remain the same.

Please remember to acknowledge receipt of this Addendum in Section G, Page 35 under Addendum No.1 and return with completed bid package.

Sincerely,

Joseph Lauro, CPPO/CPPB
