Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This is for the Approval of the 2026 Surface Transportation Block Grant Funding application seeking funding for the construction of East Lake Road from south of Curlew Road to north of Trinity Boulevard.

- This project is for improvements along the East Lake Road from South of Curlew Road to North of Trinity Boulevard. Proposed improvements include, widening the road from 4 to 6 lanes and enhancing intersection to address traffic operations, capacity issues, and safety conditions in the area.
- This item is for a grant application through the Florida Department of Transportation (FDOT) Surface Transportation Block Grant (STBG) program. The program provides funding for projects that improve and preserve the conditions of any federal-aid highway.
- This grant application is for construction. The total estimated construction cost of this project is \$141,400,000.00. The application request is for 50.2%, or \$71,000,000.00, of the total estimated construction cost. This grant has a cost share requirement of 49.8%, or \$70,400,000.00. The County's contribution is anticipated to be funded by the Penny for Pinellas.
- This grant is a multi-year grant, if awarded, the grant will potentially impact FY31, FY32, FY33, FY34, and FY35.

Funding for this project is budgeted under the East Lake Rd (CR 611) from S of Curlew Road to N of Trinity Blvd. (CR 966) Project 003879A, included in the Capital Improvement Plan, anticipated to be funded by the Penny for Pinellas.
