Pinellas County Emergency Medical Services Advisory Council
John Morroni EMS & Fire Administration Center, Conference Room 130-132

To whom it may concern,

I am writing to recommend District Chief Lindsey Kensinger for her appointment to the Emergency Medical Services Advisory Council (EMSAC). I have had the pleasure of working with District Chief Kensinger since her promotion to Lieutenant in April 2017. She is highly skilled in planning, commanding, and coordinating firefighting, EMS, rescue, and hazardous material activities. She has significant experience within the EMS profession and the Pinellas County EMS system as a paramedic, supervisor, commander, planner, and trainer. The culmination of her skills and background will enable her to serve the EMSAC well.

It is without hesitation that I recommend District Chief Kensinger to serve as the alternate for the City of St. Petersburg's EMSAC position. Please do not hesitate to contact me if you require any further information.

Respectfully,
