

JULIE MARCUS

PINELLAS COUNTY SUPERVISOR OF ELECTIONS

TO: The Honorable Members of the Board of County Commissioners

RE: Precinct Boundary Adjustments

IT IS RECOMMENDED THAT THE BOARD OF COUNTY COMMISSIONERS APPROVE THE ADJUSTMENT OF PRECINCT BOUNDARIES.

DISCUSSION:

This Resolution establishes new precinct boundaries resulting from congressional special redistricting. The updated congressional district boundaries affected 116 precincts and approximately 273,795 voters, necessitating corresponding precinct boundary adjustments to ensure precincts remain wholly contained within a single congressional district.

I will provide established and approved new precinct alignments prior to or at your meeting. Upon approval, updated voter information cards will be mailed to voters.

In accordance with the requirements of Florida Statutes, I will submit written descriptions and revised precinct boundary maps to the Florida Department of State and will post this information at our offices and on our website.
